

Minot Normal School to Re-open Jan. 7th.
The Minot Normal school will re-open, Tuesday, Jan. 7. Plans had been made for the re-opening a week previous, but after President Clarke had conferred with the city board of health, it was decided that it would be better to wait a week longer. The city health department reports several new cases of influenza, fifteen cases having been reported last Thursday. They are all of a mild nature, however.

Wife of James Ritchie Died at Out Bank, Mont.

James Ritchie, a former Minot resident, passed thru the city last week with the remains of his wife, who died at the Ritchie home at Out Bank, Mont. Interment was made at the old home, Park River, N. D. Mrs. Ritchie's maiden name was McCracken. Mr. Ritchie was formerly a Great Northern engineer and for some time he was foreman of the G. N. shops in this city.

Town Criers Banquet.

The Minot Town Criers are preparing to hold a very interesting session at the assembly room of the Association of Commerce next Tuesday evening at which time the regular monthly banquet will be held. Ward Newman, manager of the Woolworth Co., will preside as toastmaster and it is understood that he is arranging a very interesting program of toasts.

SCHOOL NOTES.

A meeting of the girls of the upper classes was called Thursday, Dec. 26. Forty-eight responded and signed up that night. Since then others have been added, making a total of 54. These are being tried out for voice ranges and reading ability, in the new auditorium. As there are about 80 Freshmen who have not had the opportunity to enroll, it is hoped to organize a chorus of 75 voices. From this abundance of excellent material a Glee Club of which the High school may be proud should be developed. More will be heard of them later.

A movement is also on foot to organize a boys' glee club and if enough boys sign up who are interested and able to sing, something will be heard of them also.

The Athletic Association this year is a success in all money making propositions. On Dec. 6 a lecture was given and \$5.95 was turned over to them. On Dec. 20 the girls gave a candy sale which gave them \$51.25. The basketball game with the Alumni and the social dance afterwards amounted to \$76.01. This made a total of \$133.20. Several bills from last year were left and they will be paid by this association as they wish to start with a clean slate.

A class tournament is planned for next Friday, Jan. 3, in which the Freshmen, Sophomores, Juniors and Seniors will compete for honors in basketball. Teams from each class will be organized for field work as the gym gives good opportunities for this work.

The High school orchestra has begun their rehearsals for the ensuing year and find that they have a total of 15 members. We are expecting to have others join us soon which will make a more complete orchestra. Any one playing any instrument of any kind is urged to enroll and begin practice immediately. We are proud of our high school and the enthusiasm the pupils have shown toward the orchestra.

A mass meeting or "pop" meeting was held on Tuesday and various athletic plans were discussed. Irving Olson, one of our old students, a member of the U. S. Navy now, gave a very interesting talk on the surrender of the German navy as he witnessed it. Also he answered the questions asked by the different pupils in regard to the navy.
