COUNTY LINE 1-27-19

Frank Linster, of Evergreen Twp., was over this way on business last week Monday, calling on I. M. Dilley and J. H. Hebig.

Christ Hoff, was in Minot, on business last Tuesday and Wednesday. John Fosse, was called to Minot last Wednesday on account of his wife's illness. Mrs. Fosse, has been at the hospital there for some time.

A very large crowd took in a social dance at the Fred Myers home last Friday night. The old pool room, which will accommodate from 15 to 20 couples a dance was filled from 8 P. M. until 5 A. M. without any waste of time (except during supper, of which there was a plenty and to which all did ample justice), the music was furnished from the crowd at random, and every one seemed to enjoy themselves to the fullest extent, while all this fun was taking place in the pool room, mostly by the younger class, some of the older folks had fully as big a time at the dwelling at cards, and games, also a discussion of (woman's sufferings) suffrage; which kept the listeners in a roar of laughter. The bunch threatens to repeat the affair in the near future. Mr. Myers says the bunch is welcome to the use of the pool room at any time, and we are most certain it will be used.

Mr. and Mrs. Thoen and Mr. and Mrs. Ed Exe, visited at the J. O. Jacobson home last Sunday.

A few from here attended a dance at the T. L. Kincannon home in west Kickapoo, last Friday night.

A son came to bless the Elmer Robinson home early last week. Mrs. Robinson is in a private hospital at Berthold, and doing nicely while Elmer is taking care of the home end of things.

This community was surprised to hear that Geo. Teal, son of Mr. and Mrs. W. S. Teal, former Tagusites, but now of Hartland, had disappeared from his home a week ago last Sunday night and has not since been heard of or seen. He is only 17 years of age and was attending the Hartland public school, neither his school master, his brother Fred, or his parents can conceive of any reason for his leaving home. His parents say he had a very agreeable disposition and was never punished by either his parents nor the teacher. His parents say they would welcome him home but will not try to force him to return home against his wishes. We personally hope he (George) will at least write his mother who is anxious to send him his good warm clothes (as he was not warmly clad when he left) and also wishes to send him some money. Remember George, this one thing, if nothing else, a boy's best friend, is his mother, and there is a mother always waiting for you at home, sweet home. Children can never realize what their parents are to them, until they themselves become parents and go thru the same mill. If you feel that you have been wronged, forgive and forget.

Old Tires Bought and Sold
We have gone into the automobile tire repairing business, and have installed a plant and machinery separate from the shoe repairing for this purpose. Our method of tire repairing consists of sewing with fine thread two old tires of the same size together—the inner being a road-worn tire and the outer a rim cut or blown-out tire, with a good tread. No wire or rivets are used. Look up and ship us some of your old tires. We can save you some money. The machine is used for sewing tires only.
