

"FIT TO FIGHT"
FILM TO BE SHOWN
HERE MARCH 4

Splendid Evening's Entertainment
 Planned for Fathers and Sons
 at High School Auditorium
 —Everybody Invited—
 Free Pictures—

A Father and Son's entertainment and banquet will be given at the new high school auditorium on the evening of Tuesday, March 4 to which all fathers with their sons of 12 of age and up are cordially invited.

The great film, "Fit to Fight" sent out by the surgeon general's office of the United States, will be shown. This is an important film prepared for the education of our youth with the object of building character. Every father and son could see this wonderful film.

The Minot Rotary Club has been asked by the surgeon general to take charge of this film. The club is receiving the hearty co-operation of

Supt. White who estimates there are between six and seven hundred boys in Minot schools who should see this film. Fathers and their sons are cordially invited to come in from the country on that night and join the Minot folks. It is going to prove the greatest entertainment of its kind in the history of the northwest.

At six o'clock, the domestic science department of the school will serve a box supper. Arrangements have been made by the Minot Rotary club so that all boys attending will be given supper whether they have the money to pay for the moderate price or not.

Following the supper, a basket ball game will be played between the fats and the leans.

Capt. A. D. O'Connell will give a talk on "Social Hygiene. The entertainment committee consisting of Orrin Pierce, Ira Wight, Geo. Von Neida and Otto Ellison is preparing an interesting vaudeville program. Short talks will be given by several of the business men. An effort will be made to get the boys to realize that the business men are interested in their welfare. The boys will learn perhaps that the grey haired, sober old business men are just great big overgrown boys themselves.

Don't fail to attend this great affair. Its going to be good.

Knights of Pythias Celebrate 55th Anniversary

The 55th anniversary of the founding of the Knights of Pythias lodge was celebrated at the Minot Castle Hall in a fitting manner Tuesday night, a large number of the members of the order and their ladies attending.

Past Chancellor Mark M. Chatfield was in charge of the evening's program and he called upon Grand Chancellor C. B. Bach, L. D. McGahan and Prof. H. C. Fish of the Minot Normal school who responded with appropriate remarks.

The evening was then spent in dancing and refreshments were served. W. F. Gunn, a returned soldier, who was with the Canadian forces, attended the evening's affair and was shown considerable honor. Mr. Gunn had tried to get into the American army, but was turned down on account of an accident. Later he succeeded in getting into the Canadian army.

The local K. P. lodge is very much alive, many new candidates being in line for the work.

THE NIGHT OF FEB. 7, 1919
 On the night of February Seventh, A game of basket ball was played. Between the boys of the Minot High And the Donnybrook Brigade.

The game was to be a scorcher, So said our old friend, King, And all the rest of Donnybrook boys Were sure that they would win.

But they sure had another guess coming For when the Minot boys came out They began to do some splendid work For their preliminary bout.

At last the game was started, Amid the noise and din And the way that Minot blushed them Was surely making them grin.

Brave Goodrich was the first to shine, Then Daigle had a fling, Young Faris shot and hit the net, Then J. C. dropped it in.

At last those Donnybrook boys did press, With a very good share of play. But Bobby Palda tackled well And kept the foe at bay.

And when the Donnybrook boys could see

What the Minot boys could do, They crumbled up like so much chaff, For they knew that they were thru.

For Minot sure surrounded them, With all their brilliant play, So Donnybrook boys they said, Let's quit, We'll fight some other day.
