CITY IN BRIEF

W. R. Bond transacted business in Montana last week.

Chas. Lano, publisher of the Minot News-Tribune, was a visitor in the city Wednesday.

Wm. Marsh, who recently returned from overseas duty, has accepted a position in the E. R. Sinkler law offices.

Mrs. Dwire left Wednesday night for St. Paul to be with Mrs. J. S. Murphy, whose condition is reported as critical.

The report that the Minot piggers are wearing badges so that they will not solicit business from each other is slightly exaggerated.

C. F. Truax motored to his ranch out on the Missouri Monday night, returning with Mrs. Truax, who has been visiting with her father, W. C. Gibb.

Ignatz Kanthoff, a coal miner who resides near the Graham farm northwest of Burlington, is reported to be in quite a serious condition from tuberculosis.

Since so many home breweries are in operation, quite a number of our citizens are worrying about finding basement room for their winter's supply of coal.

Geo. Edell, of the Shirley grocery store, received word the first of the week that his wife, who left recently for Rochester, Minn., was compelled to submit to an operation, so left for her bedside at once.

F. E. Luehe, certified accountant, has arrived with his family from Bismarck to make their home in this city. Mr. Luehe has invested in a desirable residence property and intends to make this city his home permanently.

M. E. Monagin, wife and daughter from Jackson, Mich., arrived for a visit at the home of H. A. Monagin, north of the city. This is the first time that H. A. has enjoyed a visit from his brother, who is delighted with the N. D. prairie.

Gay Johnson, former ice cream maker for the Minot Dairy Company, visited with old friends in Minot Monday, enroute to his old home in Oregon. Gay enlisted in the Medical Corps from Minot and has just returned from France.

H. J. Morris, publisher of the Jamestown Democrat, visited at the home of his sister, Mrs. H. W. Montgomery, over Sunday. Mr. Morris returned from overseas recently where he saw service with the 528 Engineers. He was in service for 12 months in France.

Mrs. Geo. Hoover left Tuesday night for St. Thomas, Ont., where she will visit at her old home until about Nov. 1. Mrs. Hoover's mother, who is 84 years of age, lives at St. Thomas. It has been thirteen years since Mrs. Hoover has last seen her mother. Mrs. Hoover's mother has been poorly for some time.

Miss Ruth Carroll, the talented daughter of Mr. and Mrs. W. J. Carroll, has accepted a position with the government to teach in the schools of Porto Rico. Miss Carroll will accompany her mother on a trip to the national W. R. C. convention at Columbus, O., leaving for her new field of work via New York.

Mrs. Howard Wood, wife of Lieut. Gov. Wood, passed thru Minot Saturday afternoon with a company of women friends. They were motoring to Bismarck to visit friends. Mrs. Wood has been spending the summer with her husband on the Deering farm. She is a capable motorist and expected to make the trip from Minot to Bismarck in eight hours.

E. A. Shirley has returned from Albert Lea, Minn., where he visited relatives for a short time. His wife and children, who have been spending the summer with Mrs. Shirley's relatives, returned with him. Mr. Shirley expected to remain longer but the year-old baby boy poisoned his mouth in some way and the little fellow was hurried home for treatment.

Wheat Averages 12 Bushels Around Ruso.

L. Moe, who resided in Minot years ago, motored over from Ruso Monday and spent the day visiting with friends. Mr. Moe was formerly engaged in the grain business in this city. He reports the wheat around Ruso turning out from ten to seventeen bushels, with an average of about 12 bushels, which is very fair.

One field of oats threshed averaged 30 bushels. Eye is very poor, the best yield in that district being 10 bushels.

Minot and Wolf Point Play This Week. Minot and Wolf Point will play ball in this city Friday, Saturday and Sunday. Wolf Point has a very strong team, having beaten the Poplar team that took two games out of three played with Minot last week and the local team realize that they will have to be up on their toes all the time if they win the series. The games will attract large crowds. The Minot team is to be strengthened and it is probable that the Montana boys will find that they have run up against a good sized snag.

Gessner-Hergott Nuptials. The marriage of George A. Gessnes and Miss Caroline Hergott occurred at St. Leo's Catholic church Wednesday morning. Mr. Gessner holds a responsible position with the Western Union and his bride has been employed at the Fair store for some time. The couple have a host of friends.
