CORRESPONDENCE

DOUGLAS

Mrs. S. E. Dahl is visiting with her sister at New Rockford.

A delightful school program was given in the I. O. O. F. Hall the 29th. Every number was excellent and showed much careful training had been given by those that had it in charge. The receipts for the evening were close to \$40.00.

Thor Bruneard is able to be out now, after suffering three weeks from a severe attack of erysipelas.

A joint program will be given by the Lutheran and M. E. S. S. on Easter Sunday in the Lutheran church at 7:30 p. m.

Frank Davison has returned after spending the winter with relatives in Virginia.

Mr. and Mrs. Frank Lohr are visiting relatives in Hankinson. Miss Mildred Hughes has charge of the telephone office, during their absence.

Mrs. Carl Holen was taken to the Bismarck hospital the 26th.

Harvey Hoff from Makoti was a Douglas visitor Friday.

Wm. Richards returned from his winter's sojourn the last of the week.

EAST HIGHLAND

Mr. and Mrs. Fred Baker spent last Sunday at J. S. Baker's.

Fern Bunker and Douglas Beighle spent the week end in Highland.

Mr. Geo. Stacy of Oklahoma has made a visit to Highland.

No casualties from the storm last week are reported in Highland, although the teachers and pupils had some difficulty in reaching home.

Born to Mr. and Neal Byl on March 17th, a daughter.

School attendance is very limited this week on account of the almost impassable roads.

A letter from Turtle Lake, Wis., states that Everett Bunker arrived there on Monday, March 15th, with everything in fine shape. He reports fine weather although the roads are not very good; also J. C. Colburn's are settled in their new home and are enjoying a visit from Mrs. Colburn's father, from Iowa. E. R. Walker sent a telegram last Wednesday stating his safe arrival at his destination at Barnum, Minn., about 80 miles southwest of Duluth. Mrs. Walker and the children left Sawyer on the following Thursday for their new home.

The young folks from the Stewart Reed home visited at J. D. Coon's Sunday.

R. W. Beighle brought a load of corn from Sawyer, Monday.

Earl Walker's have moved into the house on the old Everett Bunker farm. Earl will work for Mr. Dorum this spring.

Irene Stacy is visiting at the home of Mrs. Neal Byl.

NORMAL SUMMER SCHOOL

Two Sessions This Year

At the last meeting of the Board of Administration held at Valley City, March 23, the State Normal School at Minot was granted the privilege of holding a three months' summer session instead of the customary six weeks. The summer school will be divided into two distinct halves, the first beginning June 28, and ending August 5, and the second extending from August 9 to September 16.

This division into two six weeks periods makes it possible for those who cannot attend the full term to select either the first or second half, and receive full credit for work done in that particular half of the session. Thru this plan high school graduates can get a normal school diploma in three summers. Those already holding a one year elementary normal school diploma can get their advanced normal school diplomas during the usual vacation periods, with the privilege of drawing a salary during the regular school year.

In both sessions, classes will be conducted for all students planning to renew old certificates, or to secure new ones.

Indications are strong for a large enrollment for the entire three months. As some reservations have already been made at the girls' dormitory for the summer session, those wishing rooms there should send in the two dollar reservation fee at once to Mr. J. G. Webster, Secretary of the School. For further particulars write President A. G. Crane, Minot, N. Dak.

M. H. Craig of Berthold left for the east last week with a couple of carloads of potatoes. The southern demand for Berthold's seed potatoes is unusually strong this spring and the high prices being offered by the planters is draining this community of its best seed to a point that is causing much anxiety among Berthold growers.

MINNEAPOLIS MAN

GAINS 20 POUNDS

Was So Run Down Could Hardly Keep On His Feet — Well and Strong, Now.

"I have not only gained twenty pounds since I began taking Tanlac but I feel so fine all the time that my father has commenced taking it too and I have called in here today to get four more bottles," said Martin Hagen of 1051 Sixteenth Ave., Minneapolis, Minn., when he called at the drug store a few days ago. Mr. Hagen is a popular bookkeeper for the Dickenson Grain Co., and during the late war he served nineteen months in France with the American Expeditionary Forces.

"For three years I have been in bad health, I was in the army but it failed to improve my condition like it did for most of the boys, in fact, I kept getting worse and worse all the time," continued Mr. Hagen. "When I got out of the army I was in such a weakened, run-down condition that I was as pale as a ghost, felt tired all the time, had an awful case of indigestion and, in short was in the worst fix I had ever been in. My appetite was so poor that I had to force myself to eat enough to keep alive, and even then what I ate disagreed with me and gave me terrible cramping pains in my stomach and caused me to have attacks of heartburn. My blood was in bad condition and I had awful attacks of headaches and my kidneys troubled me so much that I had terrible pains through my back. I couldn't sleep sound at night and I was so weak that I could hardly get about and all that kept me going was nerve."

"I tried all kinds of medicines but nothing ever did me any good at all until I commenced taking Tanlac and I want to tell you the way it helped me right from the start is simply remarkable. The indigestion has all left me and I am able to eat anything I please without being troubled in any way. My kidneys are in fine condition and never bother me one bit and the pains in my back have all disappeared. My blood has been purified and the headaches are a thing of the past and I sleep like a log at night. As I said I have picked up in weight until I have gained twenty pounds and I have more strength and energy than I have had in years, and to make a long story short, I simply feel great."

Tanlac is sold in Minot by the Taylor Drug Co., in Kenmare by John L. Wemark, in Ryder by Geo. C. Couch, in Douglas by J. J. Donahue and in Tagus by the Bugge Pharmacy.—adv.

H. J. HECHT
AUCTIONEER AND REAL ESTATE
Sales made anywhere. Every sale large or small will receive my best attention. Stock sales my specialty. Phone, write or wire me for dates at my expense. Will see to getting out your sale bills and advertising your sale. Just send me your sale list, and I will do the rest.
A man must know the value of stock to be a salesman.
FARM LANDS
I have some fine bargains in farms and city property, for sale or trade. If you want to sell your farm or city property, list it with me. I will handle it for you for one small commission. No big firm to split up with.
If you want to buy any stock of any kind, come and see me, or if you have any stock to sell or trade, come and see me, as I have stock for sale at all times and have orders for stock. If I haven't what you want, I will get it for you. I can sell anything for something. Come in and let us get together.
Yours for better prices and a square deal.
John Ehr Block Minot, N. Dak.
