MEET ME AT THE FAIR

## THE FIGHT AGAINST HIGH PRICES IS NOT A NEW THING AT THE FAIR STORE

We have been at it for nearly eighteen years, ever since this store was established, right in Minot—always trying to save our customers money.

We are not philanthropists, we do not give merchandise away, but we do take advantage of every opportunity to secure dependable goods at less than prevailing market prices; we pay spot cash for them where there is an opportunity of securing a discount by so doing, and in every other way try to purchase at the lowest figures, so that, after allowing ourselves a fair, legitimate profit, our selling prices are usually lower than you will find even at the large city stores in the east.

### ASSOCIATION OF COMMERCE ELECTS NEW DIRECTORS

Four of the Old Directors Were Re-elected for the Two-Year Term—Railroad Man Takes Place on Board

At the annual election of the Minot Association of Commerce Tuesday evening of this week the following five Directors were elected for the ensuing two year term: F. Muskovitch, J. F. McGuire, Fay N. Fuller, E. A. Long and E. A. Shirley. Mr. Muskovitch is one of the prominent members of the Brotherhood of Railway Trainmen, and is well thought of among the labor unions of the city. The other four members elected have served the Association for several years as Directors, and their re-election is in the nature of a tribute their service to the community.

The new Board will meet within the next few days and elect officers for the ensuing year.

### SHRINERS TO VISIT MINOT JUNE 17 AND 18

The Minot Shrine Club Will Have Two Busy Days, June 17 and 18.

On June 17, the Shriners from Kem Temple, Grand Forks, will pass thru the city enroute to the Imperial Shrine meeting at Portland, Ore. They will spend the noon hour here where they will enjoy a luncheon served by the Minot Shrine Club. The visitors and members of the Minot Shrine club will parade from the G. N. station to the Park where an entertainment will be given.

The following day, the members of the El Zagal Shrine, Fargo, will be in the city from noon until 3 o'clock, enroute to Portland. They will be entertained with a luncheon at the Riverside Park. The visitors will carry their scenery to the park where the same entertainment they are to give at Portland will be staged. The entertainment will include the Egyptian dancers, selections by the Patrol band and drills. The Fargo Shriners will arrive on two trains and the visitors will number about 300. Shriners from northwestern North Dakota are cordially invited to visit Minot during those two days to greet the visitors.

### Fare and One-Third to State Sunday School Meet

Word has just been received from the Western Passenger office at the office of the North Dakota Sunday School Association, stating that the request for fare and one-third for delegates attending the State Convention at either Minot or Valley City had been granted.

The Minot convention will be held June 13-15.

The rules to be observed are, briefly: To all of those outside of a radius of 75 miles to either convention city, when a ticket is bought, ask for a certificate. If no certificates are available, get a receipt. As soon as the delegate arrives at the convention city, he must deposit his certificate or receipt with a validating clerk, who will have the receipts validated and when so stamped, will entitle the holder to one-third fare for the return trip.

Enthusiastic reports are coming in from the various County Associations and indicate a large enrollment at the convention this year.

Chet Jacobson went to McClusky, N. D., Wednesday with his airplane, where he gave a fine exhibition at a big stock sale. He returned this morning. A. J. Bridges, old time Des Lacs homesteader, writing from Bedford, Ia., writes that the Iowa corn crop will be late and short. The ground is wet and cold with lots of corn ground that will not be put in this year. Very little garden "sass" yet. Blue grass is heading out.
