# M. BANK CLOTHING STORE

32 WEST CENTRAL AVENUE

**BEGINNING SATURDAY MORNING, MAY 28th.**

**Sale Continues for Fifteen Days Only**

We have been engaged in the clothing business in Minot for the past 16 years and our methods of doing business are too well known to our many customers to need explanation. This store has built up a very satisfactory trade among customers who have stood by us year after year, because they could always feel that they were getting real service here, knowing that they have always gotten a dollar's worth of dependable merchandise for every dollar expended, and usually they have felt that they got just a little better value for their money here than elsewhere.

This store carries a nice, clean stock, of men's and young men's clothing, furnishings and shoes. The time has come when the public demands lower priced merchandise and this store has decided now to take the big loss necessary in reducing its prices down to the very minimum, believing that the public is entitled to the great benefit in our so doing.

The wholesale prices are forgotten. Every article is marked down to the very lowest notch to insure quick selling.

Remember that M. Bank has always kept his word with the public and he gives his word backed by his record of 16 years as a Minot merchant that the great values given below are just as represented.
