### COUNTY LIFE

Mr. and Mrs. Thoen entertained com- weeks ago. A large crowd attended a moving picture show and dance at Tagus a week ago last Saturday night. There were dances at Donnybrook, Roach, Palermo, and Blaisdell on the same night. Kick- apoo furnished music for the latter place, there being a fair crowd in attendance notwithstanding all the other attractions and bad weather.

Mr. and Mrs. C. C. Fouzar left early last week for a Minnesota point where they will make their future home. We shall miss them.

A large number attended a last day of school picnic at school No. 3 a week ago last Saturday. Miss Mundahl and Miss Alma Enger were at Minot several days recently.

A nice crowd attended a party at the S. Gullbrandsen home a week ago Sunday and a dance on last Saturday night, and the L. A. S. last Sunday all at the same place.

Kickapoo furnished the music for a barn dance at the Mrs. Franz farm southwest of Berthold last Friday night to a good crowd. Another dance for the same place, with the same music was announced for Friday night, June 10. The same music has also been engaged for a barn dance to be given at the Wm. Steele farm about seven miles southwest of Berthold on Friday night.

Mr. and Mrs. A. P. Nelson and J. H. Hobig were at Minot on business last Tuesday. Rudolph Schlect came up from Velva last Wednesday and expects to be in this section for some time.

S. O. Rinfon, our worthy assessor, called on us the other day to find out how rich (?) we were. Of course we are always just the reverse but especially at such times.

Mrs. O. C. Tjoen visited at Minot from Friday to Monday.

The J. Carlson store at Tagus was robbed again for the third or fourth time in two years or less one night last week. It is reported that three safes were blown at Hartland, the following night, but not a great deal of money secured by the blowers.

Mr. Otterness from Plaza way was a pleasant caller at this joint one day last week. A. P. Nelson had the pleasure of a breakdown on his car 15 miles out in the country one day last week but even this didn't discourage him. He is a fine sprinter and made a home run of about three miles overtaking a team and wagon and that way got back to town.

Mr. and Mrs. Bennett drove to Minot Friday returning Saturday, delivering some vent to the Minot meat markets. We understand that Miss Mabel Hundahl and S. I. Engen took in a celebration dance at Lunds Valley last Saturday and Sunday.

### WILLIS TOWNSHIP

The South Prairie community club will hold their annual election Saturday night, June 4, for the purpose of electing officers for the ensuing year. All members of the club are requested to be present at this particular meeting, per order Everett Cline.

R. S. Seney transacted legal business in Velva Tuesday.

A large number of people were out at the Memorial day exercises at Center school in Willis township Monday. Rev. Charles B. Prime gave a very able and impressive address at the meeting.

Mrs. Clara Light has found employment at the home of Mr. and Mrs. R. S. Seney for the summer, doing general household duties. Grandma Jerome came out from Sawyer for the Decoration day exercises and remained over till Tuesday visiting her grand-daughter, Mrs. Arlie Irvin. Carl Sorenson has three weeks of seeding left yet to do. Charles L. Taylor and sons sure have their hands full now as they have to haul water for all their live stock on account of very fine sand pouring in to their deep well, and the drillers had to give the job up. Charles says that he could swear if it would do any good. Miss Edna B. Diehl was in Velva on Tuesday transacting business with the Merchants State Bank of that city. Mr. and Mrs. Cecil Walker were Minot shoppers and visitors Saturday. Nell Irwin and family attended the Memorial day exercises at Center Monday. Sam Reed has leased the E. R. Walker farm from his father for the next five years and takes possession Nov. 1st. Mr. Reed Sr. will dispose of a number of his horses and will go into the dairy and coal mining business. He is offering some good brood mares at a bargain. E. E. Diehl visited over Sunday at the home of A. W. Templeman, Mr. Templeman is a breeder of mules and has some very fine young mules on his ranch and a large number of them too. Leonard Price spent Memorial day with his wife and baby of Velva. Peter Alm leased an 80 tract of land of Eugene Stubbins of Norwich. 40 acres is back seeding. Mr. Alm plowed and put the 40 into flax and will cut hay on the raw land. This tract is in Newman township. A Travis and wife were Minot visitors Saturday. Perry Johnson of near Sawyer on the Mouse river bottom sold a flat of timber to E. E. Diehl the first of the week and Mr. Diehl and his hired man are trying their hand in making fence posts. Paul Klipple and a number of laborers began work Tuesday morning on a large basement or cellar on Mr. Klipple's farm where he will erect two story modern house with furnace and bath. He will also erect a new horse barn when his house is partially finished. At this time he has not yet let his contract. Walter Klipple went to Sawyer for the summer to operate a "fast line." Ole Wallace is wearing a very long face at present. Last Friday he went to Minot and into a clothing store, purchased a brand new suit of overalls and discarded his old one with several dollars in the pockets and a bunch of keys which are quite badly needed by him just at this time. From all indications it looks as the some locksmith will secure a job. Floyd Cline and Hank Louis attended a dance in the Douglas neighborhood last Saturday night. Wm. Klipple, Steward Reed, A. Travis and Elmer P. Williams are all engaged in hauling their surplus, 1920 \$2.14 wheat to Minot this week and are receiving from \$1.42 to \$1.48 for it. All seeding is now done in Willis.

Corn plowing is now the order of the day. Bruce Klipple began plowing on May 31 and has forty acres of a fine stand, nice clean land, as we ever gazed an eye over. This corn was planted May 15. Mr. Klipple expects to have roasting ears for his threshing crew early this fall. We also have a nice field of corn joining his, only a wire fence between. Our corn being some ten days later so will have sweet corn for quite an extended period this fall.

Cecil Walker was over last week and took a look at the wrecked plane on the Fred Sassa farm. Emer P. Williams passes his neighbors and friends up with dignity, all on account of that nine pound baby girl which came to gladden his home Tuesday, May 17, he has promised the writer a nice box of Havana cigars, but at the present time we have not seen them. Elmer's word is as good as gold when it comes to his neighbors. He is getting along nicely and her mother from Northwood, Minn., is visiting at the Williams home.

Adolph Newman sure has a big heart. Besides smoking his own meat, he smoked for a number of his neighbors, the writer being one, but he may take toll. Adolph Newman and family, Fred and Elmer Newman, R. S. Seney and wife and Frank E. Chastourn were visitors at the E. E. Diehl home Memorial day and attended the services at Center school in the afternoon.

Fred Sassa sure has a good way now to get around over the country as he has a new Ford car and an aeroplane on his farm. Not many men have such advantages as Fred now has.

Everett Cline of Minot attended the Memorial day exercises in Willis township and spent the balance of the day visiting his mother in Freedom township.

Lawrence Olsson was operated upon at the Hospital at Northfield, Minn., Saturday, May 28, for appendicitis. No report as to how he is getting along has yet been received. Elmer P. Williams started hauling 1000 bushels of wheat to Logan, but on account of hotel and hiring farm accommodations he quit after making one trip with two teams.

Joe Gadow returned from Eagle Bend, Minn., some three weeks ago where he had been attending his sister's funeral. Mr. Gadow reported the crops in this state looking much better and further advanced in N. D. He was at Eagle Bend two weeks and saw no rain, but he said when his train reached Velva, the water in the streets were deep enough to swim in. Hurrah for old North Dakota.

Spacht delivered the Memorial address at Garrison Monday. The ball game between Sawyer and Granville Tuesday was a tie score, 2 to 2. Granville quit at the seventh inning. Katherine Daniels who has been teaching in the Manfred school returned Wednesday having closed a successful term of school. John Diehl went to Minot Thursday to see his wife who has been at the Minot hospital for the past six weeks. She is able to be up and will soon be able to return home. Julius Erickson, Richard Klipple and J. F. Booth are painting this week and buildings are now looking fine in some parts of town. Mill Wenner and family visited relatives in Velva the first of the week. Mrs. Hennie Johnson entertained her scholars of the 3rd and 4th grades at a picnic supper last Thursday. Williams.

Rev. C. L. Clifford Addressed Gardena Class

Rev. C. L. Clifford delivered the Commencement address at Gardena Thursday night. Norman Swearingen, a Minot Normal graduate is superintendent of the Gardena schools. This was the first class graduating from the new high school building, and four students completed the course. While in Gardena, Mr. Clifford met C. S. Fairfield, a banker who knew Mr. Clifford's two brothers in Chicago a quarter of a century ago. In fact Mr. Fairfield and the Clifford brothers were members of a singing club and Mr. Fairfield showed Mr. Clifford a picture of the club in which all three appeared.
