

THIS MAN DREADED
TO SEE NIGHT COME

Was So Restless He Couldn't Sleep
and Daylight Was Always
Welcome.

"With the exception of a little milk
toast, which comprised my diet for
more than eight weeks, I could not eat
anything," said Capt. Geo. W. Womble,
residing at 105 Jennings St.,
Knoxville, Tenn., a highly respected
citizen of that city.

"I am now able," continued Captain
Womble, "after taking two bottles
of Tanlac, to eat practically any-
thing. I had a bad form of stomach
and intestinal trouble for a long time
and for months my condition had been
such that I suffered agony. I got
so I could not eat the simplest food.
I tried doctor after doctor and all
kinds of medicine but nothing that
was prescribed for me seemed to do
me any good. I had a terrible pain
in my breast just over my heart and
for weeks I got no relief.

"I finally got so nervous that I
actually dreaded to see night come
as I could not sleep and was always
so restless that I would rejoice to see
daylight come. I was also consti-
pated all of the time. In fact, life
seemed a burden and I was so miser-
able that I was almost on the verge
of despair. Several of my neighbors
told me about Tanlac and advised me
to try it.

"I am personally acquainted with
Mr. Dan M. Chambliss, of the firm
of Kuhlman & Chambliss, and when
I told him of my condition and how
I suffered he advised me to begin
taking Tanlac without delay and that
it had relieved hundreds of the best
people in Knoxville. I have now tak-
en two bottles of Tanlac and am giv-
ing you this testimonial in the hope
that it may induce others to take
it. Since taking this medicine I ac-
tually feel like I had been made all
over again with the youth, energy,
and ambition of a sixteen year old
boy."

Quartz containing gold is still being
found around San Jose, the story goes,
and blow torches and dynamite black-
smith shop are being utilized to dis-
cover the quantity and quality of the
pieces found. A theory is being cir-
culated by those who pretend to know
that during the glacial period volumes
of this quartz passed over, leaving
these scattered fragments on the sur-
face while passing over. However, no
body has been doing any digging.

George Caviness of Minneapolis has
been engaged by the girls' work com-
mittee and educational committee of
the Y. W. C. A. to serve as play-ground
director in Detroit for six weeks begin-
ning June 15.
