

R. W. Du Vall's Condition Serious

R. W. Du Vall, who submitted to an operation at St. Joseph's hospital recently for a deep abscess above and at the rear of one of his eyes, has been in a precarious condition and for several days it was feared that he might not recover. While he does not suffer much pain, his fever continues high due to the poison in his

system. He is reported a little better at this writing with a chance for recovery, tho it will be some time before he can be said to be out of danger. His son, Bruce, is enroute here from California.

PROF. C. J. BUDLONG, Manchester, N. H.

"I am in good health for the first time in thirty years and I give Tanlac the entire credit," said Professor C. J. Budlong, well-known and highly respected citizen of Manchester, N. H., living at 42 School street.

"From the time I was a boy I couldn't sit down and eat a meal without being in misery afterwards from indigestion. During all these years I was affected with rheumatism, too. It was all over my body, but especially bad in my feet and legs and at times I couldn't get from my bed to my chair without help. I was almost a nervous wreck from all these years of suffering and could not half do my work. I hoped for nothing more than temporary benefit from Tanlac, as I believed it impossible for any medicine to give me entire relief, but this is exactly what Tanlac has done.

"For the first time since I can remember I eat anything I want and digest it without trouble. I haven't an ache or a pain and have put on eighteen pounds in weight. I just feel good all over and enjoy life as I never did before. Having put Tanlac to the test I do not hesitate to say that it is the greatest medicine of the age for stomach trouble and rheumatism."

Tanlac is sold in Minot by Taylor Drug Co., and by leading druggists everywhere.—Adv.
