Mrs. J. E. Griyat, J., and small son, left for their home in Dayton, O., after visiting five weeks with Mrs. Carl Grimm's parents, Mr. and Mrs. Carl Aurland.

Born to Mr. and Mrs. Harry Stahl a handsome little baby daughter. The little Miss made her appearance at the Stahl home today. All concerned are doing nicely.

D. W. Bowker, former police commissioner, arrived from Cascade, Mont., where he is now operating a hotel, and is spending a few days visiting old time friends and relatives.

Walton W. Lynch, station agent for the G. N., at Ross, N. D. was united in marriage to Miss Olive Cavanaugh, daughter of Mr. and Mrs. G. W. Cavanaugh at Ross, Nov. 21.

J. W. Ingesson, of Gratton, president of the Ingesson Hydraulic Electric Power Co., was the first person convicted under the N. D. Bls. Sky law, charged with selling stock without permission.

Mrs. Nellie A. Wilser of the Wilser Co. arrived Wednesday and will spend a few days at the Minot store getting the stock arranged for the splendid business which always precedes the holiday season.

James Morgan, a stranger, applied for admission into the county jail, desiring a place to sleep and something to eat. It is believed the man is insane. He will be given a hearing by the insanity board.

Mrs. John McKenna, wife of a Williston express agent, accidentally shot herself in the abdomen with a rifle which overturned while she was taking a coat from a closet. Her husband was away on a hunting trip at the time.

Henry Bitter, prominent Carpio farmer, was in the city Monday having some dental work done. Henry is very loud in his praise of the new Soo service, the schedule now affording people from the west about four hours in which to do their shopping and return home the same day.

Charlie W. More left for his home at Los Angeles, Calif., Saturday morning after closing up some business matters here which necessitated his return to North Dakota. Messrs. Moore and Christensen who owned the Berthold-Moore Motor Co., sold their Berthold business to O. B. Gorder of Berthold.

A. M. Christensen of the Valer-Christensen Co., returned Saturday from Champaign, Illinois where he was called two weeks ago by the death of his father, an aged and respected citizen of that city. Mr. Christensen had been an invalid for the past three years and his death was not wholly unexpected.

Mr. and Mrs. W. E. Borene entertained the employees of the M. G. Olson Co. store at a six o'clock dinner at their beautiful home on Seventh Street S. W. Sunday evening. In addition to Mr. and Mrs. Borene those present were: J. Hofto, Sam Cannon, Paul Sitz, Max Diamond, Herman Fisher and Will Johnson.

Supt. and Mrs. L. A. White are rejoicing over the arrival of a bright little son born today. It is said that Supt. White is already laying plans to have his son elected president. However with three sisters to look after the young fellow may have some preconceived ideas with reference to woman suffrage and coach one of them for the honor instead.

Mrs. J. R. Cross, a former resident of the city arrived Thursday to remain until after the holidays. She has taken apartments in the Ringo block. Her son, George C. Cross, well known young man about town will be married tonight to Miss Smithers of Kalspell, Mont., a charming young girl and will immediately begin keeping in apartments in the Grams Flats on the North side.

Mr. Cross is employed by the Great Northern as switchman, having but recently been transferred to Minot from the Kalspell division.

A party of hunters from South Dakota passed through the city Monday enroute home from a trip to the Cadian northwest. They went to a point about 100 miles beyond Edmonton, and here found big game in plentiful supply. Two enormous moose were among the results of their efforts. The skins, carcasses and immense antlers almost filled the big motor truck in which they traveled. The members of the party were L. J. Dunn, Glen Knowlton, Geo. Holland and Carlisle Smith, all residing at Clear-Lake, S. D.

Wm. Lemke, former attorney general, and Harry Dunbar, retiring chief inspector of the state license department, announce that they are going to Mexico where they are interested in a 68,000 acre tract. A lease is held on another tract of about 400,000 acres. The company holds a claim against the Mexican government for about 3,000 cattle driven off the ranch during the revolution. Wm. Langer is a member of the company. With this big Mexican tract and Townley's sisal tract in Cuba our nonpartisan friends appear to have profited better during the past five years than most of the rank and file.

Lucile La Fleur Breaks Leg
Miss Lucile La Fleur, daughter of Mr. and Mrs. Nap La Fleur, suffered a fracture of the right thigh bone, the first of the week while coasting down a hill near Fourth St. S. E. Her sled ran into a post. She is recovering in St. Joseph's hospital.

MICKIE SAYS

DO YOU REMEMBER THE OLD-FASHIONED MERCHANT WHO REFUSED TO ADVERTISE AN' THEN GOT MADDER'N A HOOT OWL BECUZ TH' EDITOR SOLD TH' SPACE TO A LIVE NEIGHBORING TOWN MERCHANT?

LIVED YEARS ON BREAD AND MILK

For More Than Decade Malady of Alabama Woman Was Continually Sapping Her Strength

Mrs. H. P. Barrett, of Republic, suburb of Birmingham, Ala., gives the facts of her remarkable experience with Tanlac as follows:

"During the past fourteen years I have spent more than one thousand dollars trying to get rid of a complaint that was gradually sapping my strength, but until I got hold of Tanlac nothing helped me. For the past four years I have lived almost entirely on milk and bread, and finally even that went against me.

"Before I had finished the first bottle of Tanlac I got so I could eat anything, and I certainly bless the day I first got this medicine for I believe it has added years to my life. The people in my neighborhood were so surprised at the change in me that fourteen of them by actual count are now taking Tanlac."

Tanlac is sold in Minot by the Taylor Drug Co., and by leading druggists everywhere.
