CITY NEWS IN BRIEF

(Crowded out of last week's issue.)

Florence Chester, an old offender, was arrested Tuesday, charged with being drunk and disorderly.
Sheriff A. P. Scofield left Monday for St. Paul where he will be engaged on official business for the week.
Dr. A. O. Fonkalsrud, superintendent of the Trinity Hospital association, spent Sunday in Fargo with his family.

Mrs. Carl Danielson went to Williston today for a week's visit with Miss Lena Crow, a former Minot lady now residing there.

Lela King, colored, was arrested charged with assault on a white woman in southwest Minot Monday. She was released on \$25 bonds.

George Pritchett and T. L. Simons, two of the advance agents for general prosperity from the Foxholm district were in the city Tuesday.

Mrs. Mae B. West accompanied by her daughter, Wyma, left Wednesday for Pelican Rapids, Minnesota, where they will remain with relatives for a few weeks visit.

The state supreme court has decided that Karl Kozitsky is to remain as head of the state land department supplanting W. J. Prater, who claimed that he was illegally ousted.

Mrs. Jeanette King, stenographer, returned from Rugby Wednesday where she had been engaged for three days in transcribing a deposition for Attorney C. W. Hookway of Granville.

O. J. Kauffman a registered accountant from Velva has taken desk room in the offices of Attorney H. L. Halvorson in the Jacobson block. Mr. Kauffman is making a specialty of income tax reports.

C. C. Spillane returned Wednesday from Madelia, Minn., where he spent three weeks with his wife who is ill in a hospital at that place. She is recovering slowly, but will be unable to travel for some time.

C. A. Brugge, pioneer Burlington merchant is entertaining a Mr. Nygard of Aberdeen, S. D., who arrived Monday for a ten days' visit. These gentlemen have been chums for years. This is Mr. Nygard's first visit to Burlington.

John Renz, who owns a fine farm just north of the city, has been awarded sufficient trees of various kinds from the government nursery at Mandan, to plant an acre. Six other farmers of Ward county are to get trees free from this nursery. A representative from the farm visited the Renz farm yesterday.

Dr. Livingston of the Union Dental parlors is opening offices at Devils Lake. The Doctor accompanied by Mrs. Livingston and their children left for Devils Lake Monday where they are making arrangements for the opening of their new offices. It is Dr. Livingston's purpose to open a chain of dental offices thruout the state.

Carl Danielson and James Milloy, president and secretary of the Minot Association, returned from Rydel Monday. They were held up for two days on account of impassable roads due to the excessive rains. They made a trip to the reservation and made arrangements for a band of Indians to participate in the big Pageant, July 21 and 22.

Rev. T. A. Stockdal, Makoti, and Rev. H. L. Anderson, Douglas, the committee in charge of the Lutheran League celebration at Rice Lake on the Fourth were in the city today. Both gentlemen were highly elated over the success of the event as it proved the greatest celebration which the Lutheran societies of northwestern North Dakota have ever held.

Evanson Tells First Fish Story

Ed Evanson, veteran hardware salesman, tells a pretty fair one regarding the fishing at the Canadian lakes. He says that the fish are so plentiful at Crooked lake, just a few miles beyond Fish Lake that the surface of the lake is kept in a constant state of agitation by the multitude of the finny members underneath. On account of a superstition held by the Indians on whose reservation the lake is situated, they do not fish in this lake and will not approach closer than several feet from its banks. But when a tourist catches any fish there they are all too ready to take a portion. Evanson said that while conversing with the Indian agent there one day an old squaw drove up in a buckboard, the horse coming at a stiff trot with an old buck some 86 years of age trotting along behind the rig as nonchalantly as the walking at a comfortable pace. The squaw, instead of sitting in the seat of the buckboard sat back of the seat on the floor as the unaware of the purpose for which seats were built. She may have had other reasons but Ed gives this version with the qualification that the old girl was rather heavily built.

Swede Township

LaMoure county remains on the map by virtue of the 100 per cent efficiency of the league organization in "good old Swede township." Say what you will, the electorate of that township know how to make their votes count. The result recalls to mind a quotation from the Scriptures: "They were all with one accord in one place together." Thus the tally sheet for Swede precinct shows 122 votes for Frazier and not a blooming one for McCumber or McIlarg. Nestos didn't get a pleasant look. And so on down the line. One or two county candidates made slight inroads, but on the national and state tickets the unanimity was something fierce.—La Moure Chronicle.

SMILE

Joke with him who jostles you,
Smile on him who hurries you,
Laugh at him, who pushes you,
It doesn't cost a cent!
Don't be carrying round that chip,
Wink your eye and curve your lip,
And from life's sunshine take a sip,
It doesn't cost a cent!
Don't be always first to rile,
Your neighbor—give him just a smile,
It will cheer the dullest, while
It doesn't cost a cent!
—The Forge.

A Cheerful Giver
A colored revival was in full blast, and one old fellow was exhorting his people to contribute generously.
"Look what the Lawd's done for you-all, bredren!" he shouted. "Give Him a portion of all you has. Give Him a tenth. A tenth belong to de Lawd!"
"Amen!" yelled a perspiring member of the congregation, overcome by emotion. "Glory to de Lawd! Give Him mo'. Give Him a twentieth!"

Early Potatoes are Hollow
Many of the early potatoes have hollow spots in the interior, due to the rapid growth, it is claimed.
