SHOW WEDDING RESULTED IN A FIGHT BETWEEN THE BRIDE AND GROOM.

St. Joseph, Minn., Dec. 1.—The public wedding of David Cunningham of Topeka and Bertha Fowler of Joplin, Missouri, which was to have taken place as an added attraction to a show here, was called off, when the show manager found both occupying police cells. Friends of the pair had given a dinner in their honor and persuaded them to drink freely in response to toasts. As a result the bride decided not to marry and when the groom insisted he was thrown to the floor and hit over the head with a pitcher. When the groom recovered he beat the bride with his fists. The police arrested both and the public show wedding was called off.

BARNES COUNTY HAS A NEW PLAN WHICH WILL BE WORKED OUT SOON.

Valley City, N. D., Dec. 1.—The first free farm home bureau in the northwest, so far as known, was organized at a meeting of the One Hundred Dollar an Acre club of Barnes county, held at this city. The organization of this auxiliary to the club came as a result of the returns from the investigations on the subject of farm homes, by C. J. Lee, Otto Zetterberg and others.

The plan as outlined is to make a systematic campaign for farmers in Barnes county who will agree to furnish homes for men with families and to assure the work for the entire year. Each family is to be offered ten acres of land, a house and a milch cow without cost. In return, the farmer secures the services of the man at all times of the year when he is needed, paying him the usual wages, and the settler's families are given an opportunity to get a start toward wealth which they would not otherwise have.

The beet sugar industry was discussed at some length, E. J. Beale among others, giving his experience in raising them. He stated that last year he had raised about 1,000 bushels. It was decided at the next meeting of the club on December 9, to have a talk and discussion on the work of raising sugar beets. Jud Getchell, E. J. Beale and others will talk. Good roads will also be discussed by F. H. Getchell, Thos. Smith and others.

Irrigation along the bottom lands of the Sheyenne river came in for considerable discussion. The idea suggested is to use the river bottom lands for intensive gardening, sugar beet raising, etc. This will be taken up at length by Otto Zetterberg, at the meeting in January. Mr. Zetterberg was instructed to communicate with Congressman Hanna and others for information on the subject, and if possible to have a talk by a government expert.

MONEY IS DEMANDED FOR THE COST OF THE DISPATCH OF THE RUSSIA TROOPS.

Terenz, Persia, Dec. 1.—The National Council has rejected the Russian ultimatum by a big majority.

As a result of the decision the foreign minister has resigned his office.

The ultimatum called, first, for the instant dismissal of W. Morgan Shuster, American, who has occupied the post for months.

The second demand was that the Persian treasurer general also resign and a demand for a cash indemnity from Persia was made to cover the cost of the dispatch of Russian troops to that country.

It is thought that the action may mean war between the two countries.

MERCHANTS ARE CHANGING THE DECORATIONS IN THE STORE WINDOWS TODAY.

With the passing of the Thanksgiving holiday the merchants are all busy today taking the turkey decorations from their windows and in their place many fine photographs of the old and genuine Santa Claus will appear.

Many of the merchants have bought heavily for this season and they are not to be disappointed, as it is probable that this season will be the heaviest for shopping for several years past.

Many of the toys on display this year are new and attractive and there appears to be more mechanical effects than seen on previous occasions.

THE SHOW TO BE PUT ON BY THE COMMERCIAL CLUB IS FAST BEING ARRANGED.

Every effort will be put forth from now on to make the minstrel show that is to be given by the Commercial club the best event of its kind ever pulled off by the burnt cork artists of this city.

Talent that cannot be seen short of Lew Dockstader and his end men will be seen here when the boys get their stunts perfected so that they feel that they can produce it before the fun loving public.

At the minstrel, much new and up-to-date music will be introduced and from the interlocutor to the wide spread laughing faces of the wonderful end men, the comical side of local genius will be displayed as never before. A treat is in store for Devils Lake.

GOT OUT SPLENDID ISSUE.
The Devils Lake World has another feather in its cap as a result of the Lake Region's banquet, taking advantage of the occasion for the publication of a thirty-two page paper. It is filled from cover to cover with the very best kind of boosting stuff for the Lake Region counties and for the state in general and the publishers have just cause for being proud over it.—Grand Forks Times.

CHAIRMAN AMUNDSON OF THE BOARD IS CHARGED WITH PROCURING AN ABORTION.

MISS NELLIE ABRAHAMSON IS THE YOUNG LADY IN THE CASE—FATHER SUSPECTS.

Girl Was Sent to Minneapolis for Operation—Amundson is Prominent in Politics in Minot and Over the State Has Directed Attention to the Girl For the Past Four Months—Girls Absence Causes Suspicion.

Minot, N. D., Dec. 1.—A warrant was issued this morning for the arrest of Arne Amundson, chairman of the board of county commissioners of Ward county, charging him with assisting in procuring an abortion. The young lady in question who was operated on at Minneapolis is Miss Nellie Abrahamson, daughter of a prominent farmer residing near this city. She has been absent from home two weeks and her father's suspicion was aroused, which resulted in implicating Amundson.

Amundson's attentions have been directed towards the young lady for the past four months.

OVERWHELMED WITH CONGRATULATIONS BY CROWD OF MEN AND WOMEN.

Denver, Dec. 1.—Gertrude Gibson Patterson, accused of the murder of her husband, Charles A. Patterson, whom she shot to death while the couple were walking together in a suburb September 25, was declared not guilty by the jury in district court.

The verdict was announced at 4:34, more than four hours after the jury had agreed, the long wait carrying with it the agony of suspense for the woman on trial, resulting from the pavement of Judge Allen, who was attending the funeral of his colleague, Judge Carlton M. Bliss.

COURT TERM ADJOURNED UNTIL JANUARY HAS BEEN SUCCESSFUL—MUCH DISPOSED OF.

The session of court has been adjourned in order to give Judge Cowan the opportunity of commencing court in Townor county next week. The last session of the legislature passed a law providing the necessity of opening court on certain set dates and owing to this fact it was necessary to adjourn here before the entire calendar was disposed of. Court will convene again in January.

Many cases of both a civil and criminal nature were disposed of and the attorneys feel satisfied that the present term has been carried out in the best possible manner.

No prisoners were given penitentiary sentences.

MRS. MOLLIE RANKIN DIED IN MINNEAPOLIS—WILL BE BURIED HERE.

The sad news was received in Devils Lake this morning of the death of Mrs. Mollie Rankin, at Minneapolis. Mrs. Rankin was a highly respected resident of Devils Lake up to three years ago, being a pioneer resident. She left here for Granville, N. D., to reside with her daughter, Mrs. James Dowed, and then to Minneapolis, where she resided for a year, up to the time of her death, with her daughter, Mrs. Ostrander. Mr. and Mrs. Ostrander and daughter, Irene, will accompany the remains to this city and will arrive on No. 3 tomorrow morning. The funeral will probably take place Sunday.

MANY GOING AWAY TO SPEND THE HOLIDAYS IS CAUSE OF ENLARGED TRAINS.

Traffic on the railroads yesterday was exceptionally heavy. All trains carried extra coaches. The trains were crowded and a general holiday rush of travel was noticeable.

The Aneta branch train and the Brandon line train both had on an extra coach, as did a number of the main line trains.

It is probable that this extra travel will keep up from now until after the holidays, as at the present time of the year there are many going to visit others in different parts of the country.

SERVICES WILL BE HELD AT THE GERMAN LUTHERAN CHURCH EVERY SUNDAY.

The regular services of the German Lutheran church will be held every Sabbath in the future and that denomination, under the efficient leadership of their pastor, Rev. Kollmorgen, are contemplating extensive plans for improvement.

The first service will be held next Sunday morning at 10:30 in the basement of the public library, the trustees of that institution having kindly consented to their using it for that purpose. The service Sunday morning will be in English and the following week the service will be held in the evening. There is a cordial invitation extended to all to enjoy these services.

The trustees of the church last week completed a deal to purchase a building site at the corner of Seventh and Uline and will start making arrangements to build. The actual work will not be commenced until spring, but the plans will be gone over this winter and some excavating will be done. They expect to build one of the best edifices in the city.

Mrs. Curtin of Rolette is helping out temporarily in the New York store during the absence of Miss Agatha Hagen, who is visiting her parents in Wisconsin.

MRS. FOLK, WHO WAS MISS ROSIE BLACK, RETURNS FOR FAMILY BLESSING.

LEFT ON EVE OF HER WEDDING TO ANOTHER MAN—WILL MAKE HER HOME HERE.

The Man to Whom Mrs. Folk Was to Have Been Wedded, to the Satisfaction of Her Parents, Was Out and Down and Instead Has Married a Valley City Young Lady—Mother Refuses Forgiveness.

Ir. and Mrs. G. Folk, of Brunswick, this state, arrived in the city yesterday and will make their home on Eighth street. These young people were happily married recently at the home of friends in Canada and after the elopement and marriage have returned to this city to live.

The bride was formerly Miss Rosie Black, a young lady of this city. It will be remembered that an account of the elopement of this young couple appeared in The World a short time ago, and while the parents have been asked for their blessing and forgiveness, the mother of the young lady still refuses and so far as she is concerned they are still out of the family fold.

The man to whom Mrs. Folk was to have been married was united for life to a young lady at Valley City.

FIVE ARE BADLY INJURED WHEN TROLLEY CAR CROSSES TRACK TO HEAD OFF TRAIN.

Patterson, N. J., Dec. 1.—A trolley car with Thanksgiving celebrants was struck by an Erie theatre train at an early hour this morning and passengers of the car were thrown to the pavement.

Twenty-five were injured by the accident and five seriously injured and not expected to live.

The motorman tried to cross in front of the fast moving train. The locomotive was thrown in the ditch but none of the passengers of the train were injured.

NEW ONES THAT HAVE BEEN ESTABLISHED IN NORTH DAKOTA VERY RECENTLY.

The establishment of new postoffices in the state since the first of July has set a precedent for some time to come. The postoffice department has been kept busy appointing new postmasters for North Dakota.

Forty-one new offices have been established during the past five months in North Dakota and as many officials have been appointed. This is a great record for this state and sets a mark that has not been equalled in any of the states as old as this one.

POSTOFFICE AUTHORITIES HAVE RECEIVED NOTICE—EXAMINATIONS FEB. 3.

The postoffice authorities have received notice that a civil service examination will be held here Feb. 3. The examination will be competitive, under the rules of the United States civil service.

The winners in this examination will be given the opportunity of filling field positions outside of Washington, D. C., and a complete list of the requirements can be obtained, either at the office or from the secretary of the board of civil service examiners.

PAPERS IN THE EAST CAREY LONG STORIES ABOUT FUNCTION HELD HERE.

The banquet which was held Tuesday night means a great deal for Devils Lake. Much publicity was gained through the effort not only for this city but the entire Lake Region.

Each one of the Twin City papers as well as the Duluth Herald and every daily in the state had three and four column accounts of the banquet and in some instances ran pictures of the speakers.

In each account Devils Lake was highly praised for her entertaining qualities, her ambitious merchants and citizens, and her many good points were all brought out, and this, heralded east, west, north and south, will attract people to this city who were in the dark before, so far as the Lake Region was concerned.

NELS WENDELL ROBBED AND SHOT ON FARGO STREET—DESCRIPTION OF BANDIT.

The Chautauqua board met last night for the annual election of officers and the transaction of other business that usually comes up at this time of the year. Two new members were added to the board last night to take the places of men who withdrew from qualifying on account of other business.

The following officers were elected: Pres., J. M. Kelly; Vice Pres., C. O. Russell; Secy., W. E. Hoeking. The new directors were Messrs. Bell and Reid.

The report of the secretary was read and approved and it was found that where the association had made bonds that were due and arrangements were made to issue new bonds to cover this for another ten years. The Chautauqua last year was a success, both financially and socially and had a tendency to put the Chautauqua on its feet again.

DIGS UP THE BODIES IN MEMORIAL PARK CEMETERY AND TAKES SHROUDS.

AUTHORITIES ARE AT A LOSS TO KNOW HOW TO PROCEED WITH THE CASE.

Man is Being Held on Charge Although No Action Has Been Taken Against Him Thus Far—The Most Peculiar Crime That Has Ever Come to Notice in North Dakota is That of J. W. Knapp.

Grand Forks, N. D., Dec. 1.—J. W. Knapp, a resident of Thomas street in this city was arrested this morning on the most peculiar charge that has ever come to notice in North Dakota, that of disintering three corpses at the Memorial Park cemetery and robbing the bodies.

The officials here are at a loss to know how to proceed with the man who dug up the graves, as no case of similar nature is on record, and although Knapp is held no action has been taken. Burial shrouds that were taken from the bodies were found in the Knapp home.

THE TRUST BUSTERS.

We've smashed the Ice Trust up here flat,
We lawed 'em up and down
And got injunctions on 'em that
Will drive 'em out of town;
So we get Independent ice
By fightin' this trust game,
And justice reigns—although the price
Is purty much the same.

And Justice Ezry Emmer found
The milkmen here had made
A combination all around
In clear restraint of trade;
So then we lawed 'em and their ilk
And made th' fur to fly,
Till we got Independent milk—
But jest about as high!

And then, by jing! Hi Peters learns
The woodyards here last fall
Was all a-mergin' their concerns
Without no leave at all;
So we lawed them as best we could
The big part of a year,
Till we got Independent wood—
But jest about as dear!

And all the grocery stores, by jing!
Was operatin' by
A price agreement on each thing
A feller went to buy;
So we went at 'em spoke and hub,
And stopped that little game,
And we got Independent grub—
By payin' jest the same.

And we cleaned out the village board
By battlin' for reform;
We had our ammunition stored
And made about as firm
A fight as you would want to see
When we cleaned up the town,
But even now we've licked 'em wa
Can't get the taxes down.

It ain't so much the price we pay
Or how high taxes are;
It's principle, that's what we say,
We've hitched up to a star;
We want to show them Trust upstarts,
And show 'em, too, we will,
That revolutionary hearts
Is beatin' in us still!
—J. W. Foley in Saturday Evening Post.

THE PEACE DOVE.
The dove of peace o'er Tripoli
In awe a moment hung;
And then hurried on its way
Just one word crying: "Stung!"
—Baltimore Sun.

It paused a bit at China's gate,
It listened long and then
It heard the roar of guns within
And cackled: "Sold again!"
—Los Angeles Express.

It tarried for a little space
Above the G. O. P.,
Then flew away, compelled to say:
"This is no place for me."
—Record-Herald.

It dwelt for a brief season
In camp of democrats,
And now you know the reason
It screamed out hoarsely: "Rats!"
—Lisbon Free Press.

It hovered over Minot,
Looked at the Normal site;
Then spread its little wings in haste
And faintly said: "Good Night!"

Albert Glassnap, the former popcorn merchant who inhabited a wagon on our streets a short time ago, was back in the city yesterday for a short visit. He is now located at Spokane, Wash., and left this morning for Grand Forks, making a tour of his old haunts before returning to his new western home.

South Dakota bulletin No. 126 in its treatment of alkali land brings out the following: "Alkali is causing much trouble in the eastern part of the state by its accumulations at the surface which will kill crops. Early plowing and thorough cultivation are recommended to favor the downward passage of rain water and retard the evaporation which deposits the harmful salts at the surface. Mulching is also useful. These expedients afford only temporary relief, but since the salts are very soluble it necessarily follows that they may be easily carried away in solution."
