Our Gain Is Your Gain

Owing to conditions resulting from a poor crop in South Dakota even the wholesaler suffered. The well known wholesale firm of Charles Kaufman & Bros., Chicago, makers of fine clothing, received cancelations from the dealers throughout South Dakota, leaving them with an immense stock of suits and overcoats on hand, which they had to dispose of. It was an opportunity of a lifetime for the dealer and I took advantage of it securing a large portion of the goods of this well known concern at SEVENTY CENTS ON THE DOLLAR. It is this immense stock which I am offering at this sale giving the people of Devils Lake and vicinity the benefit of the extraordinary purchase.

Under similar conditions I have secured a large consignment of fine furnishings from the Great Western Mfg. Co., Minneapolis, consisting of sweater coats, overshirts, underwear, hosiery, sheeplined coats, etc. Because of the great reduction which I secured it is possible to put this entire furnishing stock on sale at a saving of THIRTY PER-CENT.

The goods comprising this entire lot are of the very newest designs and patterns, the latest fall styles. The quality is unsurpassed and you could do no better than to take advantage of this special bargain to fit yourself out with clothing necessities.
