## See How Easy Your Boy Can Handle This Plow

LOOK at the picture shown below, taken from an actual photograph. The child seated on an Emerson Foot-Lift Plow has raised with an easy touch of her foot a 200-pound man. That is the test and proof of Emerson control. It is all done with the feet. In or out of the hardest soil there is no plow in the world like an Emerson. Think how easy this plow is for your Boy to handle. Come in with your boy, to see the

### Emerson Foot-Lift Gang

See how by carrying the load on large wheels—the wheels nearest the team—you save 100 pounds draft when plowing 6 inches deep, or deeper. Note the 200-mile magazine wheel boxes and axles which absolutely insure durability.

All the Emerson good points can't be explained in this space, but it will be worth money to you to know them. Also ask about the other famous Emerson Foot-Lift Implements—triple gang plow mowers, cultivators, etc. Come in this week sure.
