### LOCAL NEWS

Alex. McLean left Sunday for Winnipeg, where he went to look after some business matters.

J. A. Gadberry and P. C. Robinson, of Overland township were business visitors in the city Monday.

C. C. Honey of Edmore was a visitor in the city Saturday. After transacting business here he left the same evening on number one for Minot.

Miss Helen Dennison recently returned from Barton this state where she has been spending a short time visiting.

Miss Tena Honett was in the city Saturday, enroute to her home in Webster, where she will spend her vacation.

Miss Jennie Graham arrived the first of the week from Ohio, where she has been spending the winter with a brother, and will spend some time visiting her uncle and aunt, Mr. and Mrs. J. A. Gail and family. Miss Graham formerly lived with her parents at Hampden, but last year they moved to western Canada and after a visit here she will go there.

Attorney Wm. Anderson returned home from Minot the later part of the week. Mr. Anderson was looking after some important legal matters at the Magic City.

Miss Ann Foley of Bartlett, passed through the city the later part of the week, enroute home from Great Falls, Mont. Miss Foley is holding down a homestead near Great Falls, and has recently been sick and comes home for a short visit with her parents, Mr. and Mrs. Maurice Foley, well known residents of Bartlett.

Mr. and Mrs. C. D. Kennedy and family of Overland township are the guests of friends and relatives in the city. Mr. Kennedy recently sold out his 1600 acres of land in the northern part of the county and is taking life easy for a time. He has not just decided what he will do, but is thinking to looking over Oregon, with a view to moving there.

The seniors of the city high school rendered a literary program Friday afternoon of last week. It consisted of readings by Miss Myrtle Kennedy and Miss Helen Horn and also a debate on the question of the income tax. Arthur Powell, Joe Noonan and Roscoe Baker taking the affirmative, Fred Mann, Thos. Huesgen and Romanus Downey taking the negative. The affirmative being in favor of the income tax were victorious.

There was a very pleasant surprise party at the home of Mr. and Mrs. Wm. Anderson on Sixth street last Friday afternoon, when a number of friends of Miss Kathleen gave her a birthday party. There were a number of her little friends present and a most enjoyable time was had. A six o'clock dinner was served, after which the many little guests departed to their homes.

States Attorney F. T. Cuthbert was called to St. Paul by Sheriff McLean to appear before the governor of Minnesota to secure extradition papers for one Wilcox, who is wanted in this county for removing mortgaged property from the state. It seems that Wilcox lived in Noonan township and gave the Farmers Bank of Cray a mortgage on several head of horses, which he later moved to Bagley, Minnesota. A warrant was sworn out for his arrest and the sheriff went to Bagley after him but the man refused to return to the state, and it was necessary to get out extradition papers. Sheriff McLean and Attorney Cuthbert returned yesterday bringing Wilcox who is in jail here waiting for a hearing.

### TWO BAD FIRES IN NORTH DAK.

Harvey, N. D., March 31—The first serious fire here in recent years, oc-

curred this morning when the Chicago Department store owned by Julius Sgutt, was destroyed. The total loss is \$75,000.  
The building was of two story brick structure valued at \$20,000.  
The firemen confined the fire to the Sgutt building only after a desperate three hours' fight. It is supposed that Mr. Sgutt will reorganize in business and erect a new building at once.

### ROTTEN BERRIES IN COFFEE

Two shipments of coffee from New York City were seized recently on the recommendation of the U. S. Department of Agriculture, the charge being that they contained an excessive number of rotten or decomposed berries. Both seizures were made on March 4, 114, at Petersburg, Virginia. The cases have not yet come up before the courts, but they will be tried in due course, when it will be determined whether the charges are justifiable. This statement holds true of all the seizures noted in this article.

Fourteen sacks of coffee, each containing 50 pounds, had been shipped by Potter, Sloane, O'Donohue, New York City, N. Y. The product was called "Red Rock Coffee." Fifteen cases and 25 packages each containing one pound, had been sent by the same shipper. This product was called "Dixie Brand Coffee." Both adulteration and misbranding were charged. Officials making the seizures maintained that the mixtures had been coated or glazed in such a manner as to conceal their inferiority.

A shipment of coffee was seized on March 5, at Philadelphia, it being charged that the coffee was misbranded. The shipper was Despres & Co., of New York City, and there were 19 sacks seized. It is charged that the coffee consists largely of "Santos" brand, although it was represented to be "Maraicao" coffee, which is a better and more expensive brand.

Two shipments of dried apples were seized during the latter part of February on the recommendation of the Department. One seizure consisted of 10 bags that had been shipped by E. C. Sheppard, Stuart, Virginia, to Washington, District of Columbia. The other consisted of 33 sacks that had been shipped by Isaac Rosenbaum & Sons, Louisville, Kentucky, to Evansville, Indiana. It is charged that the goods in both instances are adulterated in that they consist in whole or in part of a filthy vegetable substance.

Other recent seizures of "vegetable substances" charged with being filthy, were made in New York City and Galveston, Texas. In the first in-

stance the seizure consisted of 237 boxes of dates (each containing 80 pounds.) These were shipped by Birdsong & Co., Philadelphia, Pennsylvania, and were labeled "Camel Brand—Finest Selected Persian Dates." The other consisted of 20 cases of "Big R Brand Tomato Pulp," which were shipped by Roberts Brothers, Baltimore, Maryland.

Another recent seizure was made at East Hammond, Indiana, and consisted of 2 cases and one bottle of "Napoleon Brand—French Style Cognac." This so-called "Cognac" had been shipped by Gluecklich and Company, Chicago, Illinois. It is charged to have been adulterated and misbranded, in that about 80 per cent neutral spirits had been mixed with and substituted for cognac in such manner as to injuriously affect the quality of the goods.
