Young women and misses are going to be proud of the Selz shoes they buy here this spring. The models are refined in appearance, distinguishing and aristocratic—in fact, very much advanced in style over anything offered for many years.

YOU see here one of our popular styles. A very "Frenchy" pattern that appeals to young women. Also the Mary Jane—or baby doll pump—which shows another extreme. The styles this year are probably the most charming that have ever been brought out. The very choicest models can be seen here and are priced in a range to suit all purses. Will you look into our windows?
