BAD COLDS OR GRIPPE I
A FEW HOURS

Relief comes instantly. A dose taken every two hours until three doses are taken will end gripe misery and break up a severe cold in the throat, the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose, running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffling. Ease your throbbing head. Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, causes no inconvenience. Be sure you get the genuine.

STRAIGHTEN YOU UP

TONIGHT! CLEAN YOUR BOWELS

SOUR STOMACH.

Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels, or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse your stomach; remove the sour, fermenting food; take the excess bile from your liver and carry out all the constipated waste matter and poison in the bowels. Then you will feel great.

A Cascaret tonight straightens you out by morning. They work while you sleep. A 10-cent box from any drug store means a clear head, sweet stomach and clean healthy liver and bowel action for months. Children love Cascarets because they never gripe or sicken.

FALLING HAIR MEANS DANDRUFF IS ACTIVE

SAVE YOUR HAIR! GET A 25C BOTTLE OF DANDERINE RIGHT NOW.

Thin, brittle, colorless and scraggy hair, is mute evidence of a neglected scalp; of dandruff—that awful scurf.

There is nothing so destructive to the hair as dandruff. It robs the hair

"THAT PRINTER OF UDELLS" AT THE GRAND, NOVEMBER 6th.

of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness, but what will please you most will be after just a few weeks' use, when you will actually see a lot of

fine, downy hair—now hair—growing all over the scalp.

The Height of Luxury, Comfort AND CONVENIENCE

When you think of a home, a house you would like to call your own, these are pleasing thoughts, and proper. Several matters are to be considered in acquiring such a house. Price is perhaps first—but consider also quality. When you buy for the house you should buy for the future. If you are not able to completely furnish your home, select the articles of furniture of a quality and construction that will last and be NEW when you add other articles to your home. This has been our idea of furniture buying and we believe our prices are more consistent with quality than the average furniture house affords. Your visit to our store is appreciated by us, and you profit as well whether you buy or not. You will see something, learn something that will help you in selecting good furniture.
