We had the pleasure of seeing the first part of an interesting ball game Friday evening between the married and single men of Edmore. The score was piling up so fast that the score keeper had difficulty in recording the names of the men who crossed the home plate to say nothing of keeping track of the errors. The last innings we saw the married men run in nine scores, making the score at the end of the fourth inning 13 to 13. There was a good crowd present and the rooting was amusing.
