THE UNION NEW AND SECOND HAND

Little Things That Count

Big things grow out of knowing how to do little things in the one best way. Every second saved on some little detail of clothes-making means a saving that can be applied to quality. In the clothes you men wear, as truly as in your watches and automobiles, scientific factory methods have given you more real worth and value than your fathers could buy. We dealers know that the makers of ClotheCraft Clothes were the first to put science into clothes building. For sixty-nine years they have kept true to one goal—building the best possible medium-priced clothes for men and young men. You can't appreciate the result without seeing it. Come in and try on "4110" Blue Serge Special at \$18.50, or the lighter weight "5130" at \$15.00.

"CASCARETS" FOR A GOLD BAD BREATH OR SICK HEADACHE

Best for liver and Bowels, for Biliousness, sour stomach and Constipation.

Get a 10-cent box now. Furred Tongue, Bad Colds, Indigestion, Sallow Skin and Miserable Headaches comes from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and fomented like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, everything that is horrible and nauseating. A Cascaret to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.
