## What About Your Car--- Needs "Fixing Up" Some?

Better have it done now, so it will be all ready for you as soon as the weather gets good. Nothing is more annoying than to want to use your machine and to find that you have to hold up your trips until the car is repaired. And we can't promise you anything like the same service then that we can now. We'll be too rushed to promise anything.

Suppose you either bring the car down or have us send for it right away.

We have an engine cleaner of our own construction adopted to our service.

## Clean Your Engine Without Taking It Out of the Car.

Leave your Storage Batteries with us for the winter, we will take care of them and keep them fully charged, best equipment in the Northwest to care for them.

We also make a paste to keep your Auto Springs lubricated, let us take off your springs and clean them up and apply this paste between each leaf for you.
