LOOK AT A CHILD'S TONGUE WHEN CROSS, FEVERISH AND SICK

Take no chances! Moves poisons from liver and bowels at once.

Mothers can rest easy after giving "California Syrup of Figs", because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative". Children love it, and it cannot cause injury. No difference what ails your little one—if full of cold, or sore throat, diarrhoea, stomach-ache, bad breath, remember a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs", then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.

"BIRTH OF A NATION" WAS GREAT SHOW

Last Thursday, Friday and Saturday that great film, "The Birth of a Nation" was shown at the Grand opera house in this city. There was a matinee each afternoon and an evening show. People from every part of the Lake Region came here to see this great picture, and we believe that none went away disappointed. Truly it was a great picture, and splendid orchestra accompanying it put on the finishing touches. At each show the opera house was filled to its capacity and hundreds of people were turned away, but we believe that before the last show Saturday evening that all who came to see it had the opportunity. This great picture is the last word in the moving picture world, and the scenes were beyond description. The whole company left here early Sunday morning for New Rockford where they had a \$1,000 guarantee to show there Sunday afternoon and evening.

This film cost a mint of money, but the crowds it is drawing and has drawn has returned all the money to the proprietors and before they are through with it it will net them a small fortune.

COULD NOT GET A JOB

Decatur, Ill, Jan. 12.—Out of work and thinking to find employment at his trade while serving in the United States Marine Corps, John Haley aged 22 years, today applied for enlistment with Uncle Sam's sea soldiers.

"I am a coffin trimmer by occupation," he told Sergeant Frank E. English, in charge of the local recruiting office of the Marine Corps. "I would enlist if I thought I could work at my trade in the service. Marines are always fighting somewhere and they have need of the skilled services of an artist like me. Do you think I would better myself by enlisting? Have you anything to offer a skilled coffin trimmer? Come on, show me something." The sergeant showed him the door.
