

## A Distinctive Reason

What is the chief reason for the superiority of Royal Baking Powder?

There are several good reasons, but there is one which distinguishes Royal from other baking powders.

This reason, which every woman should know, is that Royal Baking Powder is made from cream of tartar, which comes from grapes. This means a healthful fruit origin. It means natural food as distinguished from mineral substitutes used in other baking powders.

There is no alum nor phosphate in Royal Baking Powder.

John W. Maher, a brother of Harry Maher, has rented the new garage recently erected by Roberts & Dixon, and has already taken charge and the same is opened to the public. Mr. Maher is a first class mechanic and will put in a full line of accessories and will aim to give the public value received for their money. This is one of the largest and best auto garages in this section of the state and is a credit to Devils Lake.

A deal was closed this week whereby E. M. Cray sold his section farm in Overland township to Ellis Briggs, one of the Briggs Brothers, who are thrifty farmers in Overland township. The farm consisted of 640 acres and is a well improved farm. The purchase price was \$23,000.00, approximately \$36 per acre. While the price is considered a fairly good one, Mr. Briggs gets a splendid farm, which is well worth the money paid for it.

Tuesday evening the members of the Commercial Club board held a meeting in the club rooms, the principal thing taken up was the matter of the continuation of the club, and lay plans whereby means might be had to meet the cost of conducting the same. Our Commercial Club is one of the best assets the city has got and we hope and predict that all interested in the continuation of the same will come to the front and do their part toward supporting it.

North Dakota is about to have a real National Park in Sully's Hill park. The mammoth steel fence has been completed about the park, which covers several hundred acres and arrangements have been made for deer, elk and buffalo, which will be placed in the park in the spring. Later on buildings will be erected and a caretaker placed in charge, and we hope that it will be only a few years before one of the finest parks in the country will be tributary to Devils Lake. This will be quite a drawing card for tourists in the future.

Mr. and Mrs. C. C. Honey and Mr. and Mrs. C. E. Courier of Edmore, Mr. and Mrs. C. E. Burgess of this city, and Mr. and Mrs. Geo. Wilson of Rugby formed a jolly party at the Chautauqua Sunday. Mr. and Mrs. Wilson were formerly residents of Edmore, where Mr. Wilson was engaged as agent for the Great Northern. He is now agent for the company at Rugby.

Local nimrods report very poor success the past week on both ducks and chickens. The latter have been very scarce and hard to get since the opening day, but with the number of ducks in the country it is rather surprising that so few are brought in. Most of the hunters await a change in the weather in hopes that the flight will be better.

"The Choice" is a new book by Mrs. Montayne Perry which will appear in To-day's Magazine this year. The author is one of the most popular magazine writers and "The Choice" is her masterpiece. This book will sell for \$1.25 after it has appeared in To-day's. For further particulars see our big magazine club offer, open to all new or old subscribers to The World.

The executive board of the city federation of Women's Clubs held a meeting Monday evening with Mrs. Eugene Fenelon, who has been selected as secretary to succeed Mrs. S. M. Sterrett, who has moved to Williston. Plans were laid for the coming year work and also for the time of the annual banquet, which will take place some time this month.

Farmers of the vicinity report plowing progressing favorably and that quite an acreage is being turned over, but many complaints are heard of the dryness of the soil, which will stand only a couple of days' plowing before having to be re-sharpened. Undoubtedly a good rain would do much good now that most of the threshing is out of the way.

James Calder a former well known citizen of this city, but now living near Bainville, Montana, was a visitor in the city the first of the week. He and his brother Ira, were on their way home from Osnabrook where they had been called to attend the funeral of a brother-in-law. Ira went right thru home but James stopped off and spent a day renewing acquaintances.

Strayed:—From the Joe Stewart pasture near Sweetwater Lake, some time this fall: Two Colts; one grey horse colt, heavy build, 1 1-2 years old. One black mare colt, chunky build, wart on left hip, 1 1-2 years old. \$10 reward will be paid for information leading to their recovery. Address, W. J. IRVIN, Devils Lake, N. D. (2tp)

The Presbyterian congregation at Grafton are looking forward to the completion of their new church which will be dedicated this fall if it is possible to get it completed before the cold weather sets in. The building is very similar in appearance to the one erected by the Presbyterian congregation of this city, and the plans for it were drawn by a Devils Lake architect, J. A. Shannon.

The back-yard farmers of the city have been very busy since the start of the last cold spell, getting in their potatoes and garden truck which their plots have produced. Many of the gardens have produced some fine specimens of the vegetable family this year, which is very encouraging to those who have spent their spare hours tending them during the growing season.

To help out the farmers and the boys and girls who are needed on the farm this fall, President Ladd has postponed the opening of the work at the Agricultural College for the courses in Farm Husbandry, Power Machinery, Home Maker's and the Draughtman and Builders until Oct. 23, instead of opening Oct. 9, as scheduled in the catalog and circulars. This will enable the farmers to finish the fall work, and all the boys and girls will be able to begin the school work together.

The full twenty-two weeks will be offered, but the Christmas vacation will be cut out. Students in these courses should plan to remain thru the full school year until March 24. Circulars and full information will be furnished to all who desire to take this work.

Mr. Emet Whalen and Miss Dollie Dritsch, both of York, N. D., were married Wednesday, Oct. 4. Rev. Torbet of the Devils Lake Presbyterian church officiating. The young people will make their home on a farm near York.

A good crop of potatoes has been raised around Hoople and the buds are being shipped from that point in large quantities. Nels Folsom who handles the bulk of the crop raised in that locality reports that buyers from Chicago and Kansas City say that the Hoople grown Early Ohio's are the best they have seen this year and are offering fancy prices for them. Al Hoople, whose farm adjoins the village limits estimates that his crop will average better than 150 bushels per acre. He has refused an offer of \$100 for some of his land.—Grafton News-Times.

The Presbytery of Minnawaukan will meet in Devils Lake Monday evening, Oct. 9th, and on Tuesday evening at 6:30 the ladies of the congregation will serve a banquet in the dining hall of the Presbyterian church, at which time there will be carried out the following program, Supt. No Talking Machine Manufacturer Dares to Make this Test

No talking machine manufacturer dares to invite a public comparison between a great artist's voice and the reproduction of that voice by a talking machine. No talking machine could sustain such a test.

## The New Edison

has been tested in this manner before two hundred thousand people. Great artists such as Marie Rappold, Anna Case, Alice Verlet, Christine Miller, Marie Kaiser, Elizabeth Spencer, Helen Clark, Arthur Middleton, Thomas Chalmers, and numerous others, have matched their voices against Mr. Edison's Re-Creation thereof and two hundred thousand music lovers have confessed their inability to distinguish the real voices from Edison's Re-Creation of them.

### Not a Talking Machine

The New Edison is not a talking machine. It does not re-produce music. It literally re-creates music. It is the world's most wonderful musical instrument.

### Come to Our Store

We want to give you an Edison Musicale. There will be no obligation on your part. It will be a pleasure to us to demonstrate this wonderful new invention which Mr. Edison has licensed us to sell.
