

OAKLAND

Sensible Six
\$1230

F. O. B. Devils Lake, Freight and War Tax Paid

This is the most startling message the new year brings.

Think it over! You can now buy the Oakland Sensible Six at a lower price than is charged you for any other six cylinder car.

Oakland Six---\$1230

No other line offers such a combination—high grade six-cylinder cars at lowest prices. On the dollar for dollar basis, compare the Oakland at \$1230 with any car of any make, size and equipment and you will see it is the fairest priced car there is on the market today.

The Oakland Sensible Six weighs 2130 pounds. The engine develops 44 h. p. This gives the Oakland more power per pound weight than is to be had in any other car. Try to pass one on the hill if you want to learn how powerful it is. At the same time it is economical in operation. Owners average 25 miles to the gallon of gasoline.

A Resident Known to All Our Readers Relates an Experience.

Readers of the World have been told again and again of the merits of that reliable, time-proved kidney remedy—Doan's Kidney Pills. The experiences told are not those of unknown persons, living far away. The cases are Devils Lake cases, told by Devils Lake people.

Iver Ruston, deputy sheriff, 206 Farrington Ave., says: "I have used Doan's Kidney Pills at different times and have found them a worth while remedy. I had trouble from my kidneys and a constant, dull pain in my back. Doan's Kidney Pills have never failed to rid me of the pains and corrected the other kidney disorder. I consider Doan's the best of all kidney medicines."
