GOVERNMENT WILL NOT NEGOTIATE SAYS HINES

MILLIONS OF STORED EGGS SEIZED BY FEDERAL OFFICERS

Raids At Chattanooga And Jacksonville Unearths Much Hen Fruit, Canned Goods and Sugar.

(By The Associated Press.)
Chattanooga, Tenn., August 13.—Eighty-four thousand dozen eggs held in store here by the Atlantic Ice and Coal Corporation for account of Morris & Co., of Chicago, were seized today by the United States District attorney. Seizure was made under libel proceedings in the federal court which charged the eggs were unlawfully stored for the purpose of an unreasonable increase in prices.

Another Seizure at Jacksonville, Fla. (By The Associated Press.)
Jacksonville, Fla., August 13.—More than a million eggs, 10,000 cases of canned goods and 27,500 pounds of sugar were seized here today in a raid on wholesale food warehouses and cold storage plants by federal officers.

DECLARES COAL DEALERS TRIED FORCE SALES

Spent Large Sum in Newspaper Advertising in "Effort Make People Believe Shortage Impending."

(By The Associated Press.)
Washington, August 13.—Representative Huddleston, democrat of Alabama, charged in the house today that the National Coal association has spent \$50,000 for advertising space in 400 newspapers in an "effort to make the people buy coal at exorbitant prices through the belief of an impending shortage."
"There is no coal shortage, and no labor shortage, but there is a shortage in common honesty of the coal operators," he said.

BOLSHEVIK ABANDON VINNITRA

Anti-Bolshevik Forces Have Occupied Railway Center of Lutsk Southeast of Kiev.

London, August 13.—The city of Vinnitza in the Ukraine, 125 miles southwest of Kiev has been abandoned by the bolshevik, according to a wireless from Moscow. In Volhynia anti-bolshevik forces have occupied the railway center of Lutsk southeast of Kiev.

Louisville Women To War on Profiteering

Louisville, Ky., Aug. 13.—Steps to prevent profiteering in Louisville through the cooperation of local housewives will be taken by the Consumers' League of this city, according to a statement of Miss Adele Brandeis, a member of the organization. She asserts prices of necessities are unreasonably high, particularly food, and declares that extra "peace time" charges apparently are being added to war time prices.
Prices will go down, Miss Brandeis said, only when the women work together to that end. One remedy she suggests is a public market. Another is community stores.

Brewers Believe There Is Revulsion Against Prohibition

(By The Associated Press.)
Atlantic City, August 13.—Believing that a revulsion of feeling against prohibition can be concentrated for a repeal of the liquor statutes, brewers of the nation have called a conference here for September 28. The meeting will last a week.

MATERIAL AID BEING SENT TO KOLCHAK

American Government Sends Rifles and Ammunition To Retreating Army.

(By The Associated Press.)
Washington, August 13.—Material aid for Admiral Kolchak's retreating army in Siberia is being rushed to Vladivostok by the American government. It was said officially today that 45,000 rifles and several million rounds of ammunition already had been sent from San Francisco, and that additional equipment would go forward this week on an army transport.

Under War Time Prohibition No Value To Whiskey in Market

(By The Associated Press.)
Louisville, Ky., Aug. 13.—Under war-time prohibition whiskey is not property, or at least has no marketable value, and hence cannot be included in a schedule of assets submitted to a referee in bankruptcy according to the plea submitted for a bankrupt Louisville saloonkeeper, by counsel who asserts that such liquor can only be held by a person for his own use.
The plea is regarded as extremely novel and one which might add considerably to the war-time prohibition legal tangle.

Extensive Oil Fields Found In Durang, Mex.

Galveston, Tex., Aug. 13.—G. Meade Fiero, Mexican consul here, has received official advice of the discovery of "extensive oil fields" in Durango, Lower California and the Isthmus of Tehuantepec, Mexico.

Ukes Take Fortress At Dubno From Bolshevik

(By The Associated Press.)
Vienna, August 13.—The fortress at Dubno in southeast Volhynia has been captured from the bolshevik forces by the Ukrainian army, according to Ukrainian official reports received here today.

ATTEMPT MADE HOLD UP BANK IN NATIONAL CAPITOL

Failing in Attempt Man Attempts Kill Himself—Thought Washington Best Place For Holdup.

(By The Associated Press.)
Washington, August 13.—A holdup man, entering the banking room of the Munsey Trust company in the heart of the uptown business section today, pointed two pistols at a teller demanding \$150 and then, after firing one shot at a clerk, turned the pistol on himself. He shot himself in the jaw, and was taken to a hospital.
When he demanded the money, the teller first made a show of counting bills, then dropped behind the counter as the robber fired a bullet which pierced the coat of a clerk nearby. The bullet intended by the robber for himself went through his jaw and then shattered a plate glass window.
The man told the police that he picked up Washington because he understood there was plenty of money in the capitol, and that a holdup was easy. The hospital physician said he would probably recover. He said he had previously been in a Detroit hospital suffering from and electric shock.

The man told the police his name was John E. Fetzer of 116 East street, Defiance, Ohio, and that his uncle, Charles R. Zetzer at the same address, could tell why he couldn't get ahead. The man is a mechanic and 34 years old. He came here today from New York.

Serious Food Crisis In Moscow

(By The Associated Press.)
Stockholm, August 13.—A serious food crisis has occurred in Moscow, and there is general discontent there with the Soviet government, a dispatch from Helsingford to the Svenska Dagblad says. In view of the situation, it added, the soviet government is thinking of leaving Moscow for Tula.

Japan Says May Be Compelled Take Measures

(By The Associated Press.)
Tokyo, July 5.—(Correspondence of the Associated Press)—Premier Hara recently told a political party delegation that "Should the disturbances in China continue, Japan may be compelled to adopt suitable measures for the safeguarding of Japanese interests."

It was reported on July 23 that France, Great Britain, Italy, Japan and the United States made friendly representations to the Chinese government urging the settlement of the long-standing quarrel between North and South China and strongly advising against the resumption of armed hostilities.

Rumanian Movement Undertaken In Effort Stamp Out Bolshevism—Will Be Withdrawn When Stable Government Established.

(By The Associated Press.)
Bucharest, Tuesday, August 12.—The Rumanian army has entered Budapest in what is believed to be in compliance with the wishes of the allies, Premier Bratianu, of Rumania, said today in a statement given to the Associated Press. He said the movement was undertaken in an effort to stamp out bolshevism, and there was not the slightest disposition on the part of Rumania to take territory beyond that considered essential to Rumania's achievement for rational unity.

"Our troops will be held within the frontiers fixed by the Rumanian treaty of alliance with the allies," Premier Bratianu said, "whenever there is established in Hungary a stable government that will afford protection to the Rumanian frontier, and give an effectual guarantee that the armistice or treaty terms will be observed."

MILLION ASKED TO HELP REDUCE HIGH LIVING COST

Senator McKeller, of Tennessee, Declares It The Only Remedy For "The Most Outrageous Piece of Profiteering Than Can Be Imagined."

(By The Associated Press.)
Washington, August 13.—Federal regulation of cold storage of food was urged in the senate today by Senator McKeller, democrat of Tennessee, as a certain means of reducing the cost of living, and as the only remedy for "the most outrageous piece of profiteering that can be imagined."
The meat packers were charged by the Tennessee senator with using cold storage facilities to fix food prices. "Some men," said McKeller, "are making 66, 2-3 per cent profit on eggs alone. The only possible way in which these can be manipulated is through the medium of cold storage. Put a limit on the time in which goods can be held and packers will be compelled to sell."

Boston and Chicago Shopmen Still Holding Out—Strike Called Off In Atlanta, Ga., District.

(By The Associated Press.)
Chicago, August 13.—Railway officials reported today continued improvement in the railway shop strike situation in practically every section of the country with the exception of Boston and Chicago.

In Chicago, several hundred boiler makers employed by the Chicago, Milwaukee & St. Paul, voted to return to work.
Officers of the Chicago district council of the Federated Railway Shopmen, who called the country wide strike, received word today from Director General Hines that the government would not negotiate with the local body. Representatives of striking shopmen from every section of the country arrived here today to attend a mass meeting tomorrow at which will be decided what action will be taken in regard to President Wilson's demand that the men return to work immediately.

Strike Called Off In Atlanta District

(By The Associated Press.)
Chicago, August 13.—Calling off of the Federated Railway Shopmen's strike in the Atlanta, Ga., district caused railroad officials today to predict that the entire rail system of the country would be operating at normal within a week.

Reports from various parts of the country showed that striking shopmen are returning to work. In the Chicago district, however, there is no break in the ranks of the strikers.

CONGRESS HAS RIGHT DECIDE AS TO KICK

Entirely Within Its Province To Define What Is Intoxicating Liquor.

(By The Associated Press.)
Washington, Aug. 13.—To secure uniform and efficient administration and enforce the prohibition law, congress clearly has the right to define what is intoxicating liquor, the senate judiciary committee held in a formal report filed today on the amended house prohibition enforcement law. In support of its contention the subcommittee appended an elaborate brief which, it is understood, was prepared by counsel for the anti-saloon league of America, citing many court decision and precedents.

MILLION ASKED TO HELP REDUCE HIGH LIVING COST

Congress Considers Measures Designed To Curb Profiteering and Hoarding.

(By The Associated Press.)
Washington, August 13.—Appropriations, aggregating nearly one million dollars with which to help carry out the president's suggestions to reduce the high cost of living, were asked of congress today by the commerce and labor departments.

While senators debated on the high cost of living today, congress committees gave further consideration of measures designed to curb profiteering and hoarding.
Amendments to extend the food control act to most of the necessities of life and imposing severe penalties upon those gouging the public, were taken up by the house agricultural committee, while the senate interstate commerce subcommittee has been organized and decided upon proceeding with in hand in measures for regulation of corporations doing an interstate business in necessities.
Additional funds for the fight which is being waged against the high cost of living by the executive department, is asked of congress, the request coming from the commerce department and the department of labor.
