

## Market Day Here Aug. 4

### DETAILS ARE ALL COMPLETE

### India Dances And Band Music, Part Of Program

### FREE AUCTION SALE

### Dancing And All Other Features, Free To Public

(By F. S. Austin)  
Will you be in Devils Lake on Market Day, next Wednesday, August 4th—a week from today? It will be the "biggest day" in years for all Ramsey county. There'll be full plenty—just oceans and odds of fun and some more fun. It's your day and mine, so come on, let's boost for Market Day in Devils Lake. Sure! you can spend some money while you're here—but who don't spend a dollar or two when they are out for a good time—we all do.

### It's a Big Idea

That isn't the big idea. Here it is. It's just for one grand and glorious good old time with everybody in on it, in Market Day, August 4th, in Devils Lake. Now just get this: there will be band music on the streets beginning at ten in the morning. The famous Boy Scout band will play every one of their over sixty instruments; and sixty pieces of music if you like it. At eleven there'll be an open air Indian pow wow—it's all free, not a cent of cost. There'll be prizes for the best square dances, too, and for the big Indian dances. Athletics, broncho busting, relay horse racing, wrestling matches, boxing for boys and scores of other features—and don't forget, it's all free.

### Your Auction Sale

At 4:30 p.m. or thereabouts, auctioneering will begin. Bring or send anything you have to sell. It will be auctioned off to the highest bidder, without a cent of cost to you for the auctioneer, and there'll be good auctioneers for that purpose—bring cattle, horses, household goods, farm truck or what not. Bring anything you want to get a price for.

### Street Dancing Plans

At seven in the evening, the big time for old and young will get into swing—dancing on the street. It will be on the new pavement, maybe, if any of it is laid by that time, and if not, a long stretch of cement walk on Kelly avenue will serve the purpose. In the latter event, the sidewalk will be waxed. Listens good—will be good. Weimar's orchestra will furnish music for the dancing.

### The Spot—Kelly Avenue

Kelly avenue from the corner of Third street to Fourth will be roped off where the athletic events will be staged, including the Indian dances, and other attractions.

### Plans All Complete

Secretary Ziesch of the Commercial club will be in charge of the day. Harry Knoeshaw will direct athletic events and take the Indians under his protecting wing. Every detail of the big day has been worked out to a nicety by a special committee named for that purpose.

### Everybody is Invited

An invitation is extended to every man, woman and child in Ramsey county, to be in Devils Lake on Market Day, Wednesday next, August 4th. "Come on, all of us, and spend the day in merrymaking and fun," is the word passed out.

## Art Williams Is Injured By Wire

Art Williams of the Lake Fuel company, met with an accident while driving thru the woods between Devils Lake and Tokio Sunday night. A barbed wire, strung across an old trail, said to have been kept open for years, appeared suddenly in front of the car lights, but too quickly to permit topping until it had twisted around the turren and entangled itself in Mr. Williams' face. Several stitches were taken by a local surgeon.

## Bandits Flee Across Border

Chas. N. D.—Mashed men who blew the vault of the bank of Oberon and escaped in a Dodge car with \$20,000 of currency and Liberty bonds, are

## Per Aasmundstad Died July Third

The following notice of the death of Per Aasmundstad came to attention, in the World office today:  
"Former students and relatives of Per Aasmundstad, well known teacher and writer of reputation, of Gudbrandsdalen, Norway, will be surprised to learn of his death July 3d, at his home, South Aasmundstad.  
"Mr. Aasmundstad was a teacher in the public schools there, for over thirty years, and an inspiration to both friend and pupil. He has one son here, John E. Aasmundstad, farmer. He was a near relative of Dr. Evan Hyslin, formerly of this city."

## ACTUAL PAVING SOON TO BEGIN

### Pouring Of Concrete Is Scheduled To Start Tomorrow

The laying of the pavement on the streets of Devils Lake will actually begin tomorrow, if not today, according to Superintendent Hill, of the Haggart Construction company, contractors. Delay in shipments of cement from eastern points of manufacture is charged with the failure of the company to begin actual laying of the substance that will serve for streets, at an earlier date.  
During the past week, the Haggart concern has received consignments of a dozen cars of cement, providing nearly one third the gross amount to be used on the contract here which calls for over forty blocks of pavement.  
The same condition that has existed here, delaying the laying of concrete and top dressings—the lack of cement—has tied up similar jobs of smaller and larger degree, in all parts of the state; according to authentic news dispatches. In the case of local work, the contracting firm has declared it will go at the work on streets, where grading is completed, and continue so long as a supply of cement is available.

## EDWIN HOLTS GET A YEAR'S PEN SENTENCE

Mr. and Mrs. Edwin Holt of Voltaire, this state, were sentenced to one year in the state penitentiary on a charge of deserting their infant child, in district court chambers here Monday. Sentence was suspended, subject to recall at the discretion of Judge Buttz.

The Holts deserted their child, born February 17 at Minot, in the Colonial hotel March 1st, leaving a note, asking the Red Cross to care for it. Turned over to the police, the baby, a girl, was finally adopted by the Elmer Bourays, residing north of town. A week ago, the parents returned, seeking the child, and were promptly arrested.

Taken before Judge Buttz, the story of the Holts and their baby, became public property. Married a few months prior to desertion of the child, the couple was loathe to return to their home. The baby was abandoned—then the story came out of the finding of a dead infant in Devils Lake. Gossip pointed to the Holts in their little home community. Pressure was growing strong and talk of a murder charge was heard. Then it was the couple decided to "reclaim their child and show neighbors we did no murder our baby." Ignorance is believed to have led to the actions of the young people—25 years old.

In suspending sentence, Judge Buttz arranged for a formal signing over of all rights to the little girl that caused the "big" trouble, to Mr. and Mrs. Elmer Bouray, now its legally adopted parents—foster parents are happy, baby is happy, and Mrs. Holt are wiser but sadder.

## E. M. Cray At Forks Meeting

E. M. Cray, former editor of The World, was prominent at Grand Forks Friday when the state committee of 21 met there to complete plans for carrying the state election next fall. Before returning to Devils Lake, he

## Bumping The Bumps Is Late Amusement

Driving on the city streets in Devils Lake is one of the pleasures of summer tourists and citizens alike—makes 'em all imagine they're "bumping the bumps" in some metropolitan amusement park of the more metropolitan east. It is, of course, generally believed, the Haggart Construction company, which holds the contract for paving here, will lay the new streets over the rough and rugged routes. Were it not so, the contractors would surely level off the grades to an at least passable condition. In the meantime auto owners are paying a heavy toll to repair men for broken springs and wear and tear breakage—but why should the city commissioners insist on having a grader pulled over the rough spots. Why?—the populace wouldn't know the "streets" were being paved, and why interfere with a contract of nearly half a million dollars?

## RESOLUTE WINS DECIDING RACE OF SERIES

### RETAINING HONORS HELD SINCE YEAR '51

## WOULD RAISE FREIGHT RATE

### North Dakota's Share Would Make Big Amount

Bismarck, N. D.—Representatives of railroads operating in North Dakota conferred with the board of railroad commissioners this afternoon, asking an early hearing on a petition of the railroads for an increase in freight rates on freight moved from point to point within the state.  
The rate petition filed with the commission by the North Dakota carriers asks increases on intrastate freight rates of approximately 25 percent, it is understood.  
The railroads wanted a hearing on their petition early in August, so that the increase they expect to get in the state will take effect at the same time the increases on inter-state freight rates expected to be granted soon by the Interstate Commerce Commission become effective.

Railroad rates within the state now are fixed by a law, passed in the 1919 legislature as a part of the Nonpartisan league program. The railroads take the position that this law has been superseded by the Esch-Chinnis transportation act passed by the national congress providing for a fixed return for the railroads of the country upon the investment.  
This increase asked by the railroads at the present time are based upon a varying schedule, it is understood. Rates on grain, products manufactured from grain and lignite coal, will not be disturbed, it is said, while the railroads ask big increases on non-essential products.

## Howard Elliott In Automobile Tipover

Howard Elliott, driving the big Elliott Buick automobile, had the bad luck to run off a grade, east of the city Sunday, overturning the car completely. Elliott was pinned underneath, the others riding with him escaped without injury. Elliott, however, was badly bruised before being extricated. The party, which made the "dive" into nearly three feet of water, included, according to reports, Chester Timbos, Irvin Lee, Miss Catherine Anderson and Eugene McGarry.

## SCHOOLS OPEN SEPTEMBER 6

County and city schools are expected to open simultaneously according to announcements made this morning. The city schools will open Monday, September 6th. Secretary Parrshall's office announced for the city board of education this morning.

County Superintendent Haig, for the rural schools, stated he had advised township boards to begin fall terms on the same day—giving the township children as much school as possible before winter weather sets in.

## Otto Hagan Led Romanus Dewey and Two Others in Primary Race

Otto Hagan led Romanus Dewey and two others in the primary race for the nomination for registrar of deeds, according to the official census of votes made by the board here last week.

## NEW GOLF CLUB BUYS PROPERTY

### Buys Dingle Property On Lake Front Near City Park

The Devils Lake Town and Country club, newly organized golf and recreation body, has purchased the Dingle property on the shores of Devils Lake, six miles southwest of here. The first golf course to be laid out in this section of the state, will be platted, a new club home eventually erected and other improvements made along lines adopted by modern country clubs.  
For the time being, the Devils Lake Yacht & Boat club home, now situated in City park, will be used for headquarters, in all likelihood being moved to the newly acquired property which has a wide frontage on the lake shore.

## SIR THOMAS IS A GAME LOSER

### Challenger, Shamrock, In Grand Race To Win Cup Back

### IS THIRTEENTH WIN

### Lipton's Boat Is First Challenger To Win Real Chance

Sandy Hook, N. J. July 28.—The America's cup stays in America.  
This was decided shortly before sundown yesterday when the American defender, Resolute, captured the 1920 regatta three to two by defeating Sir Thomas Lipton's Shamrock IV, in the final race.

The defender outslid the Green Sloop decisively, boat for boat in the last contest of a tempestuous series—the closest and most hard fought in the history of the precious trophy—crossing the line at 7:52; 22 (unofficial time) only about 25 minutes before expiration of the six hours' time limit.

The last half of the race was a race of the defender against time, with the fate of the contest resting on the wind, for the challenger was about one mile astern when the American sloop flashed over the line.  
It was a thirty-mile windward and leeward race, this final contest of 1920, started in light airs after postponement at 15-minute intervals for two hours and a quarter.  
Official finishing times were: Resolute, 7:52:15; Shamrock IV, 8:05:20.  
At 8:05:34, Shamrock finished (unofficial time), after being led by the challenger two-thirds of the distance to the first mark, a windward leg, Resolute crossed her bows 10 miles from the start and breezed into a lead which she maintained and steadily increased to the finish line. By the time 22 miles of the course had been covered, the defender was a mile and a half in the lead, reaching back and forth on her way to the finish line. At one time toward the end she was two miles ahead of the Shamrock, but the challenger came up to win a mile at the finish.

The elapsed times were: Resolute, 5:35:15; Shamrock IV, 5:48:20.  
New York, July 27.—For the 13th successive time since the inauguration of international yachting contests a half century ago a British challenger has been defeated by a Yankee defender of the America's Cup, the perpetual trophy named from the schooner yacht America, which won the first race from Great Britain in 1851.  
Before Shamrock IV, twelve challengers strove in vain for the hundred guinea pewter mug which, since its founding as a world yachting prize, has been in the custody of the New York Yacht club.

Sir Thomas Lipton has failed in his fourth attempt to realize a cherished ambition, after trying since 1899, with four different Shamrocks, to return the precious cup to the Royal Ulster Yacht club of England.

Miss Grace Dye, who has been here visiting at the home of her parents, Mr. and Mrs. John Dye, returned to Madras, Oregon, where she has made her home.

## Montana May Get Another County

Plentywood, Mont.—Petitions praying for the creation of Rock county with Hinsdale as the county seat have been filed. The larger portion of the proposed county would be taken from the western part of Valley county.  
It is said that practically one hundred per cent of the residents of the territory have signed the petitions.

## Edmore Village May Incorporate

Edmore, N. D., (Special).—The voters of Edmore, will decide this week by ballot, whether or not, the village board shall be no more, and the municipality become a recognized town. Little apparent interest has been manifested to date, in the question. It is believed however that keen interest will be displayed on election day.

## Park Board Is Official Owner

The Devils Lake park board formerly took title to City park, heretofore known as Chautauqua, when the deed, making the transfer legal, went on record in the register of deeds office this week.  
The park board has already during the season, spent a considerable sum in cleaning up the grounds and making improvements, actually taking possession of the big natural park, early last spring. It has been announced that for the next several years, a comprehensive plan of improvements will be continued each year until Devils Lake will boast one of the finest parks in the Northwest.

## MINOT WILL LET 'ER BUCK

### "Magic City" Will Hold Stampede August 2-3-4

Minot, the "Magic City" of North Dakota, will stage a three day stampede, beginning Monday, August 2d, terminating, Wednesday, August 4th. Broncho busting, the real wild west kind, steer dogging, fancy bucking, breaking of "wild" horses and scores of other regular features of a genuine stampede are all scheduled to take place hourly for the entire three days, according to advertisements sent out over the state—one of which appears in today's issue of the World.  
The Flying "U" organization, of Glasgow, Montana, headed by Long George Francis, is staging the big event which promises to draw visitors from distances of hundreds of miles. Devils Lake and Ramsey county, generally, is expected to be represented at the "doings" by a goodly number of the sport loving public—for the first two days. August 4th, has its own attractions in Devils Lake—Market Day.

### Local Merchants Meeting Competition Of Mail Business

The mail order business attracts many buyers from all parts of the country—and much from Ramsey county. But:  
It—the mail order, isn't always a necessity if the farmer or other citizen will just give the local merchant the same chance and the same attention he gives "the big catalog."  
Before you send that next mail order, just consider a few items that enter into consideration, or should enter into consideration, before you pay. Then consider delays—at your local store, you see, you buy, you carry home your purchase. Then consider; and it is not an uncommon occurrence nowadays that you will not get everything ordered of the mail order house, but more than likely, a refund check for one or a half dozen articles. Then consider the often times substitutions made for goods ordered—or mayhaps back ordered.  
Deal with the merchant who advertises in your local newspaper, the paper that carries the news of the day—and the store news. The business firm that advertises consistently, is usually a good place to trade—and nine times out of ten, if you will follow the suggestions outlined in the second paragraph of this article, you will have saved a fair margin of profit, saved any disappointment, and part of the profits, he, the merchant may make will be paid back in taxes—to your ultimate benefit.

The Devils Lake World will not willingly or knowingly accept any advertisement that savors of fraud or misrepresentation in any possible manner.  
Trade with your home town merchant—he can't save you money or harm you, unless you, the buyer, give him the opportunity. Try him out on the next order you contemplate sending to your favorite catalog house—if he can't make good, send it in the mail.

### FOUR LAWS TO BE ON BALLOT AT ELECTIONS

The work of preparing petitions for four new measures to be initiated, is expected to be completed some time tomorrow, according to information given out yesterday. The petitions are being outlined by a special committee, under the auspices of the Republican, the Democrats and the Independent Voters' association whose representatives met here last week as members of the Committee of 21; W. H. Stutsman is chairman of the committee in charge of the petitions.  
The committee in charge of circulating petitions in Devils Lake and Ramsey county, has been busy all week and are reported as meeting with approval as the documents are submitted. Hundreds of voters have already signed.  
According to the present plans it is likely that four measures will be initiated. These are:

1. A law providing for an audit of the books of the Bank of North Dakota, industrial commission and other state enterprises by the state auditing board.
2. A law exempting cities, villages, counties, etc., from the necessity of depositing their funds in the Bank of North Dakota while still requiring that the state funds be kept there.
3. A law amending the present board of administration law so as to give back her proper powers to the state superintendent of public instruction.
4. An amendment to the present state printing law which would permit the publishing of private legal notices in other newspapers than the one designated as "official."

## A TRUST BANK WILL OPEN HERE

A charter has been granted for the organization of a trust company to be located in Devils Lake, state records show. The company is incorporated as the Devils Lake Trust Company.

## Prominent Business Men Have Incorporated Company

Mr. and Mrs. Joe Kramer, are proud parents of their first born child, a boy, born Saturday morning at Mercy hospital. Joe was busy announcing the news to his friends, numbered by the hundreds, during the entire day Saturday, and hasn't discontinued up to the present—and Joe is passing out cigars, good ones, "on the new subject."

# O'Connor For Next Governor

## IS UNANIMOUS CHOICE OF ALL

### Historical Society, Bismarck, N. D. Committee Nominated Meeting Last Week

### BIG PARTIES UNITE

### Sentiment For Democrat's Nominee Is Growing Rapidly

J. F. T. O'Connor, democratic nominee at the primaries, for the state governorship race in November, has been endorsed as the "republican" candidate for the same position—due to Langer's defeat at the republican primary. This action was taken at a meeting of members of the democratic and republican parties together with representatives of the Independent Voters association held in Grand Forks on Friday and Saturday. A complete state ticket received the committee endorsement. Harmony of all factions prevailed throughout the sessions. All efforts of both "regular" parties will be devoted to an attempt to elect state officers and legislators against Nonpartisan league candidates.

## MINOT WILL LET 'ER BUCK

### "Magic City" Will Hold Stampede August 2-3-4

The work of preparing petitions for four new measures to be initiated, is expected to be completed some time tomorrow, according to information given out yesterday. The petitions are being outlined by a special committee, under the auspices of the Republican, the Democrats and the Independent Voters' association whose representatives met here last week as members of the Committee of 21; W. H. Stutsman is chairman of the committee in charge of the petitions.  
The committee in charge of circulating petitions in Devils Lake and Ramsey county, has been busy all week and are reported as meeting with approval as the documents are submitted. Hundreds of voters have already signed.  
According to the present plans it is likely that four measures will be initiated. These are:

1. A law providing for an audit of the books of the Bank of North Dakota, industrial commission and other state enterprises by the state auditing board.
2. A law exempting cities, villages, counties, etc., from the necessity of depositing their funds in the Bank of North Dakota while still requiring that the state funds be kept there.
3. A law amending the present board of administration law so as to give back her proper powers to the state superintendent of public instruction.
4. An amendment to the present state printing law which would permit the publishing of private legal notices in other newspapers than the one designated as "official."

### THRESHING RIGS IN BIG DEMAND

Threshers are getting ready for annual operations, if recent purchases of new equipment at the Ramsey Implement company store, are any indication of conditions.  
During the past few days, the following farmers have purchased complete threshing rig, according to D. J. Rapp, proprietor of the implement house: John Thelin, Theodore Tweston and Oscar Hart. Verchure & Wolford Brothers, bought a new Minneapolis separator of the same firm, as did Henry Wright. Thus far in the season, Mr. Rapp stated, deliveries have been made out of stock here.

## New Basement Store In Town

A new basement bargain store will open in Devils Lake on Market Day, August 4th. The New York Cash store, has announced that on the occasion of Market Day, it will open its basement bargain department. A line of ladies' ready to wear, ladies' and children's shoes, dry goods—and the "largest toy department in the Lake Region," according to the management, will be found in the new department which is being rapidly put in shape for the formal opening.

## Bottling Works Has Small Fire

A small blaze in the roof of a small building on Fourth street, opposite the post office, occupied by the Devils Lake Bottling works, caused a man of the fire department late Monday afternoon. The fire was believed caused by a spark from a steam roller being used by the Haggart Construction company in street paving operations. The loss was estimated at less than \$100.

## Auditor Kramer, Jr. Arrived Saturday

Mr. and Mrs. Joe Kramer, are proud parents of their first born child, a boy, born Saturday morning at Mercy hospital. Joe was busy announcing the news to his friends, numbered by the hundreds, during the entire day Saturday, and hasn't discontinued up to the present—and Joe is passing out cigars, good ones, "on the new subject."
