Mrs. A. Otto, 718 First St., Devils Lake, says: "While I don't have as much trouble from my kidneys now as I used to, I keep Doan's Kidney Pills on hand as a household remedy. I used to suffer dreadfully with my back. There was a dull, constant ache through my kidneys and when I bent over or lifted, my back pained some thing fierce. Doan's Kidney Pills have regulated my kidneys and have relieved these attacks of pain. I am just as glad to recommend them today as ever before. I don't know of a better kidney medicine."

NEW YORK LIFE SEEN IN FILMS AT THE GRAND

"On With The Dance," Is Picture Attracting Attention

Many-sided New York was re-produced accurately in a motion picture studio during the filming of "On With The Dance," the new photoplay featuring Mae Murray and David Powell at the Grand, Monday and Tuesday during the latter part of the week. This is George Fitzmaurice's first personally produced cinema. It is peculiarly a story of New York in both its lighter and more sombre moods. To drive the story home, Mr. Fitzmaurice incorporated scenes from every phase of life in the big city.

In the studio he built a Fifth Avenue modiste's shop, crowded with gorgeous creations, gaily dressed customers, and pretty models. The Stock Exchange, a tough dance hall on the Bowery, a cheap prize fight, luxur-

ious apartments, Battery Park, and of course the famous myriad-lighted skyline all are there.

In the cast with Miss Murray such famous players as David Powell, Alma Tell, Robert Schable, John Milner, Ida Waterman, and Zola Talma all appear. The scenario was by Ouida Bergere and it is a Paramount Artcraft picture.

Archie Miller, proprietor of the Grand where the play appears, said this morning, "It's one play for everybody—a real one."
