Lawrence Hanson, who has been holding a position as bookkeeper with a hardware firm at Sidney, Mont., has resigned his position and arrived home last week Thursday for a few days visit. He left Tuesday for Fessenden to accept a position with a firm in that city.

Word was received here Monday that Charles Huntsley of Maza, who was at his old home in Illinois, passed away on Sunday, August 29. He had been afflicted with consumption for the past couple of years and had been at a Woodmen sanatorium for some time trying to regain his health prior to going to his old home in Illinois. The deceased had lived in this state for about twelve years and was well and favorably known by many Churchs Ferry people. He leaves a wife and three children to mourn his death. The family left here on No. 30 Monday to attend the funeral.

Elling Nelson Answers Last Call—Elling Nelson was born in Bergen, Norway on February 22, 1836, and died at the home of his daughter, Mrs. C. O. Nelson of Perth, Sunday, August 29, at the age of 84 years, 6 months and 7 days. He left Norway at the age of 17 years and came to Madison, Wis., the western frontier where he with his family experienced the life of the early pioneer. In 1902 he and Mrs. Nelson came to North Dakota and for a number of years were residents of Churchs Ferry. Mrs. Nelson died in 1912, since which time the aged father has been making his home with his daughter, Mrs. C. O. Nelson. The deceased was a highly respected citizen and a man who placed honor and good citizenship above everything else. The funeral services were held from the M. E. church at Churchs Ferry and were conducted by Rev. O. E. Tourtellotte and interment was made in the Churchs Ferry cemetery. There are left to mourn his death, two sons and four daughters. The sons are Norman of Churchs Ferry and Stanton of Perth, and the daughters are Mesdames C. H. Ness, Big Sandy, Mont., C. W. Johnson, Minneapolis, Minn., Ira Burgess, Webster, N. D., and C. O. Nelson, Perth, N. Dak.

STARKWEATHER

(From The Times)

Mr. and Mrs. P. K. Cesander returned Friday from Battle Lake,

Minn., where they had been for some time visiting with friends and relatives.

Mrs. Lunde and daughter of Warwick, who were visiting at the Nels Pierson home north of town, returned to their home Saturday. Mrs. Lund is a sister of Mrs. Pierson.

H. J. Barlow, of Baldwin, Wis., was here last week to attend the funeral of a relative at Churchs Ferry. He also visited in this community with friends and relatives.

Jerry McCarthy, a former well known farmer in this community, came in from St. Paul, Oregon, where he is now living to look after the threshing operations on his farm near here.

Luther J. Welch, a former well known farmer north of town, who moved to Stanley, Wis., last fall, came in Wednesday evening to renew old acquaintances and to look after his farming interests.

Miss Hattie Anderson, daughter of Mr. and Mrs. John Anderson and a former teacher in the local schools, left Wednesday afternoon for American Falls, Idaho, where she will teach during the coming year.

Friends here will be interested to know that Mrs. Clara M. Finley, wife of W. W. Finley, former publisher of The Times, has again entered the newspaper field at Grenora, where she has become the publisher of The Gleaner. Mrs. Finley has a large circle of friends in this community who will wish her well in her new venture.

The threshing in this part of the state has reached that stage where it is possible to tell something about what the yield will be. Those who threshed thus far have all reported uniformly good yields. L. D. Maurer reports that the poorest piece of wheat on his farm went about seventeen bushels to the acre. John Graff, of the Smith and Graff threshing rig, reports some wonderful yields on the Severin Sather farm. Mr. Sather had twenty acres of wheat which went twenty-five bushels to the acre and thirty acres which went twenty bushels to the acre. Mr. Graff also states that the wheat on the Peter Karlas and Peder Sather farms averaged about sixteen bushels. The oats which have been threshed so far have gone better than was anticipated. It seems that it would be very conservative to estimate the average wheat yield of this community at fifteen bushels.
