Spring Time Is Here

The Time of Gaiety And Automobile Driving

LET'S ORGANIZE NEIGHBORHOOD PARTIES TO BOOST THE WORLD.

Here's The Plan

ANNOUNCE a social time in your neighborhood, arrange for a good time, a program, dancing and lots of fun. **Then:** Ask everyone to come and find out how many are subscribers to The World. Get everybody to sign up and have a **World Social Club** in every community.

THEN: Elect a correspondent for the township, make it for a couple townships if you like—some one to write items from the neighborhood for The World every week. The World management will furnish stationery, stamped and addressed envelopes and a subscription for the person doing this work—

AND: When the roads are so that a car can be used, some of The World force, will be glad to attend any of the meetings arranged. If you wish to have us with you, be sure to write or phone a few days in advance.

"A WORLD SOCIAL CLUB IN EVERY TOWNSHIP."

Who will be the first to send in a list of the first club?

Subscribers and their families are all eligible to club membership.
