were busy Sunday, exchanging the cylinder and the device into the well so even the pump tools could not reach them.

While taking the tools back to his neighbor, George's Ford stuck in the mud, making him late for the meeting of the representatives of the Garske Implement Co., but still George kept a smiling.

Editor's Note: Why shouldn't George smile with The World. He's president of The World Publishing Co.

George Laird' quite believes in the saying: Smile and the world smiles with you. Last week George's pump broke, and while trying to repair it,

the cylinder and the device into the well so even the pump tools could not reach them. While taking the tools back to his neighbor, George's Ford stuck in the mud, making him late for the meeting of the representatives of the Garske Implement Co., but still George kept a smiling.

Editor's Note: Why shouldn't George smile with The World. He's president of The World Publishing Co.

FOURTH STREET

# Victory Fund Drive Passes Twenty Thousand Mark!

(Paid Advertisement)

Campaign Headquarters of the League announces that the first twenty thousand dollars of the one hundred fifty thousand necessary to finance the League thru the Recall Campaign and to pay outstanding indebtedness, has been contributed by loyal workers in this and other states.

We must have funds if we are to defeat the enemy in the coming election. With State Bond sales being boosted in the East, we need only "hold the line" a little longer to win. But we cannot win UNLESS OUR FRIENDS REALIZE THAT THE LEAGUE IS ONLY ABLE TO FUNCTION IF THEY ARE WILLING TO SACRIFICE IN ORDER THAT IT MAY DO SO.

Every League member in North Dakota should contribute as liberally as possible to the campaign fund in order that the State Committee may be enabled to properly direct the financial affairs of the Organization.

REMEMBER, we have won thru four years of battle; the struggle is worth a little more effort. Lets all fight just a little harder in order that the final victory may be achieved just a little sooner.

Actions, not intentions are what count; use this blank without delay:
