Our Ice Cream  
Is an Enemy to Hot Weather  
Keep Kool  
How refreshing a dish of ice cream or a nice flavored soft drink is these hot sultry days!  
OUR ICE CREAM excels all others in this respect. It has the cooling power, and OUR SOFT DRINKS — you will have to try them to convince yourself.  
We Manufacture Our Own  
Our process in making ice cream is a little out of the ordinary. In the first place — it's sanitary. Second place — it has cooling powers. Third place — we make it ourselves and we know what's in it, and that is why we make such a bold statement in recommending it.
