"I SHOP AT HOME"

Because my interests are there.
 Because the community that is good enough for me to live in is good enough for me to buy in.
 Because I believe in transacting business with my friends.
 Because I want to see the goods.
 Because I want to get what I buy when I pay for it.
 Because every dollar I spend at home works for the welfare of the home town.
 Because the man I buy from stands back of the goods.
 Because I sell what I produced at home.
 Because the man I buy from pays part of the town, county and state taxes.
 Because the man I buy from gives value received always.
 Because the man I buy from helps support my schools, church, and my home.
 Because when ill luck or misfortune or bereavement comes the man I buy from is here with kindly greeting, his words of cheer and his pocketbook, if need be.—Exchange.
