

Missouri has a poor house terror which is said to rival that of Tewksbury in Massachusetts, and a general overhauling of similar institutions in the State is advocated.

The great trouble with all these schemes to worry England is the fact abundantly proven of the breaking out of a veritable epidemic of "informing." There has been inaugurated on the part of the conspirators in both countries a very general scramble to save their necks.

Meteorologists recognize three areas productive of cyclones: The largest, lying west of the Mississippi, embraces Iowa, Missouri, Kansas, and Nebraska.

The outlook for winter wheat is a little better as the season advances but the yield will be far short of the crop of last year. The Ohio commissioner of Agriculture says that State is apparently worse off than any other State.

The butter market, according to a Vermont paper, has never been so demoralized as it is this spring. Tons upon tons of old butter which cost an average of 33 cents per pound have been thrown on the market, recently, after being held all winter for high prices.

It is believed that the number of immigrants this year will be 100,000 less than during 1882, owing to better times abroad and increased remuneration for labor.

The Times in an editorial says: The Irish convention at Philadelphia began with a clap-trap of folly and malignity, and closed after the same fashion.

The selection of Mr. E. N. Johnson as president Friday at Fergus Falls, was made soon after Boyington, who was offered the place at the Soren Listoe was removed, declined a permanent appointment.

The following patents were lately issued: F. H. Balts, Milwaukee, hay carrier. Daniel Bullock, Fort Atkinson, Wis., vehicle top.

The receipts into the national treasury for the month just closed were \$26,164,510, and for the corresponding month of last year \$24,468,580.

The receipts into the national treasury for the month just closed were \$26,164,510, and for the corresponding month of last year \$24,468,580. The total decrease of revenues for April, 1883, compared with April of 1882, was \$8,304,070.

Saturday afternoon a horrible accident occurred in the elevator-shaft of the Nevada block, San Francisco, resulting in the instant death of a lady. The elevator was ascending with the lady, a gentleman and the elevator-boy.

The steamer Grappler, plying between Puget Sound and Alaska, was burning on the 3d inst., and sixty lives are reported lost. The steamer burned four miles off Seymour Narrows.
