## THE PIONEER EXPRESS.

Published Every Friday Morning  
R. H. Young, Publisher.

TERMS, \$2.00 PER YEAR.  
Entered at the postoffice at Pembina, Dakota, as second-class matter.

## AROUND TOWN.

DAILY mail to Hamilton commencing Oct. 1.

The Board of county commissioners will meet next Thursday, Sept. 20.

The branch office of the Custom House is to be at the post office and not on Rollette street, as was stated last week.

DR. PERLEY'S professional card will be found elsewhere. He will be in town at stated times to practise the healing art.

SOME of our stalwart young men are getting up a gymnasium and those who desire to aid the movement can leave their names at W. C. Feldman's.

AN exchange refers to this weather as Indian summer. Not much Indian summer about it. It is the genuine article imported direct from the Tropics.

CLOUDS of insects, said to be black ants, were noticed yesterday, moving at a height of two or three hundred feet. Had they chosen to land they might have caused a sensation.

NOW is the time to subscribe for the PIONEER EXPRESS that you may keep posted, not only in the general news of the day, but on the growth, prosperity and current local news of the Banner county.

THE types last week made Wight's new building on Stutsman street 10 feet by 50 instead of 18x50. No wonder. The type setters got dazed and the proof reader got pur-blind over the almost interminable list.

THE Red River has got to be a tame unimportant stream these days. It is many years since the water was so low, being in general from four to six feet in the middle. The ferry at this point has hard wiggling.

THERE are now nine prisoners in the jail, where they must still remain until the November term of the court. It is a very bad state of things, but it seems that Judge Hudson is utterly unable to keep up with his work in this district.

COUNTY AUDITOR BIRD requests us to give notice to whom it may interest that the county commissioners will devote the first day of their October meeting—Monday 1—to the consideration of the school law. It would be well for any who have views to express on the subject to be present at that meeting.

MR. J. V. McINTYRE, of this town, and Miss Sadie S. Hubbel, daughter of J. G. Hubbel, Esq., of Grosbeak, N. Y., were united in matrimonial bonds on Thursday last week after which happy event followed by showers of congratulations from hosts of friends the newly married couple started on a leisurely bridal trip hitherward. They are expected to arrive at their new home early next week. May they find much joy now and many succeeding happy days.

Chas. Full intends having an auction sale of his household furniture at his residence, Cavileer street, on Monday next at two o'clock. This will be a good chance to secure a handsome piano on reasonable terms, as one will then be offered.

CHAPLAIN COLLIER'S many friends in this town will regret to learn that he and his good lady are to remove to Fort Totten. The chaplain's occasional public addresses in this town have always been much appreciated while the genial qualities of himself and Mrs. Collier have won the regard of all. May their years be crowned with increasing happiness and prosperity.

MR. A. Berg represented the Fargo Republic in town this week.....Mr. G. F. Winter and family expect to move to Hamilton soon. Mr. Winter is contracting his business to a basis that will admit of more leisure for the proprietor.....Mr. Hugh O'Donnell returned this morning from a three months trip through the Turtle Mountains and Souris river country. The object of his trip was to search for coal. He says he was successful but is not yet prepared to make full developments.

## Church Notes.

Rev. R. J. Creswell will preach at the Carlisle schoolhouse Sunday, Sept. 16th, at 8 o'clock p. m., and in the schoolhouse south of Bovesmont Sunday, Sept. 30, in the evening.

## Best County Paper in Dakota.

The Pembina Pioneer-Express is the most complete county paper in Dakota. Besides publishing the local news of Pembina, it contains, every week, batches of interesting items from thirteen different towns in the county.

## Coming—Rare Musical Treat.

Donovan's Original Tennesseans are to give one of their musical entertainments in this place on Saturday evening Sept. 29. Judging from the high reputation, the Tennesseans have maintained since their organization in 1873, and the unlimited praise accorded them by eminent musical critics and the public press wherever they have been it is not too much to predict that it will prove the best concert of vocal music ever given here. Their program embraces a large variety and wide range of singing, which cannot fail to please all.

## Markets.

We had hoped to be able to quote current prices on wheat and other grains this week, but we find that buyers are not quite in shape to open a steady market. The elevator is not yet ready for the reception of wheat. Mr. Howe is expected in a few days to make arrangements for buying at the elevator.

The new roller machinery for the Pembina mill has been delayed so that Mr. Trull is not yet in shape to buy. No. 1 hard would be worth to-day 85 cents, according to St. Paul quotations. An improvement is expected before long. With the mill turning out 150 barrels of flour a day and the elevator running we may confidently expect good prices to rule during the season.

## Fort Pembina.

We have at last succeeded in getting a first class tailor, one having come from St. Paul last Saturday.

First Lieut. Geo. F. Cook left Monday for Fort Snelling, Minn., to assist Capt. Blunt in the coming competitive rifle match to be held there.

Average temperature for the week ending Sept. 11th, 56 degrees. The warmest day was Tuesday when 86 degrees in the shade was reached. Rain fell on the 6th 8-100 inches.

Post chaplain Rev. Collier and lady returned to the Fort last Saturday after a two months absence in the east and the usual service was held Sunday night. The Chaplain has received an order for his removal to Fort Totten, D. T. We are sure that in his new field of labor he will have the best wishes of this Post which holds him in high esteem.
