**Baby Mine!**  
 Every mother feels an indescribable dread of the pain and danger attendant upon the most critical period of her life. Becoming a mother should be a source of joy to all, but the suffering and danger of the ordeal make its anticipation one of misery.

**MOTHER'S FRIEND**  
 is the remedy which relieves women of the great pain and suffering incident to maternity; this hour which is dreaded as woman's severest trial is not only made painless, but all the danger is removed by its use. Those who use this remedy are no longer despondent or gloomy; nervousness, nausea and other distressing conditions are avoided, the system is made ready for the coming event and the serious accidents so common to the critical hour are obviated by the use of Mother's Friend. It is a blessing to woman.

babe left Tuesday evening for Michigan City to visit Dr. and Mrs. H. H. Healy on their return to their home in Bellevue, Minnesota. They were accompanied by Mrs. J. D. Wallace, who will spend some time visiting her daughter Mrs. H. H. Healy.

**Carlisle.**

Considerable wheat will be cut this week if the weather will permit.

Quite a large amount of hay has been put up in this vicinity this year.

Miss Maud Spencer of Winnipeg is visiting with Mrs. Andrew Argue.

McClennon Bros. are fitting up their threshing outfit, and getting ready to handle the golden grain.

J. D. McCaffrey is again on the sick list, but under the care of Dr. Harris, we expect to soon see him around again.

Chas. Carl is getting a new Advance threshing outfit this season, and expects to do a good share of the threshing business.

The people of this vicinity sympathize with our neighbors of the south who suffered so severely by the recent hailstorm. Farmers who have escaped the hail this season have great reason to be thankful, and could help their unfortunate neighbors in many ways, and never feel any inconvenience in so doing. Many farmers could give a load of oats and other farm produce. Acts of this kind would be kindly remembered, and the giver would never lose thereby.

**Jolietto.**

The death of Stephen Brotherson last Friday is much regretted by his old neighbors. He was an old and highly esteemed resident. The funeral occurred on Sunday at Bowsmont.

**Remarkable Rescue.**

Mrs. Michael Curtin, Plainfield, Ill., makes the statement, that she caught cold, which settled on her lungs, she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles, found herself sound and well; now does her own housework, and is as well as she ever was.—Trial bottles of this great discovery at T. R. Shaw's drug store. Only 50c and \$1.00, every bottle guaranteed.
