**Bathgate.**  
 County Commissioner Joseph Morin was in town Monday on business matters.  
 Ed Corey has taken a position for the summer with William James and will sell machinery.  
 Revival meetings are in progress in the M. E. church here and will be continued all this week.

Billy James and F. W. Reynolds each received a car load of machinery and are ready for the spring trade.  
 A jolly party of Yeomen and Yeomen went to Welford Thursday evening and organized a lodge there.  
 Annie McIntosh is back home from the normal school at Moorhead, where she had been attending during the winter months.

Carl Dick and M. Bush were in from McArthur Siding Monday. They expect a number of their German friends from Manitoba this spring to locate here. The Germans are as a rule good farmers.  
 I. J. Chevalier and John Delaney returned from Bismarck Sunday, glad to get home after a siege in the legislature. Mr. C. has made a good member and the voters of this district are well satisfied with his work.

It is rumored on good authority that Tom Dobbing and Joseph Bennett will form a partnership before long to do a general machinery and horse business. They will make a good pair to draw to. We wish the new firm success.  
 The remains of Mrs. John Montgomery of Larimore arrived on the train Thursday of last week and was laid to rest in the cemetery here. Mrs. Montgomery used to reside on the Wylie farm northeast from here, and was the grandmother of the Wylie boys who are favorably known in this locality. She had arrived at the ripe old age of 91 years.

Owing to expiration of former contract we are compelled to ask our subscribers who want the Minneapolis Farmers' twice-a-week Tribune as a premium to send 20 cents extra. That is \$2.20 for both PIONEER EXPRESS and Tribune. The premium is well worth the money. The N. Y. Tribune or The Farmer or the 32 page premiums are sent free for \$2 in advance.

**Tongue River.**  
 Mrs. Swires has been confined to her bed for several days with lagrippe.  
 John Mountain, who was quite ill last week, is once more able to be about.  
 Mr. and Mrs. John Conrad had departed for their new home in Montana.  
 Miss Naomi Kearcher has returned from Ontario, where she spent the winter.

J. Anderson's horse slipped on the icy road some time ago, and was badly injured.  
 Mrs. Stafford, of Walhalla, has been for some time visiting her sister, Mrs. D. Watson.  
 Rev. J. Stewart has had a serious attack of lagrippe, but we are glad to state, is recovering.

Notwithstanding the bad condition of the roads, quite a number from the locality have attended the revival services which are being held in Cavalier.  
 We are sorry to learn that Mrs. Wm. Shuttleworth, formerly of this place, is lying very ill with congestion of the lungs, at her home near Bathgate.  
 Headache often results from a disordered condition of the stomach and constipation of the bowels. A dose or cure of Chamberlain's Stomach and Liver Tablets will correct these disorders and two the headache. Sold by R. Shaw, druggist.

**Welford.**  
 E. R. Langton and family returned last week from a short visit with relatives at Crookston.  
 A Yeoman lodge was organized here last Thursday evening, with eighteen charter members. Several more are going to join in the near future.  
 Mr. and Mrs. Harry Gill were called to Mugford last Thursday to be present at the funeral of Mrs. Gill's mother, who died very suddenly, Wednesday. The funeral took place on Friday to the Drayton cemetery.  
 Wm. Quinnell is contemplating the erection of a new hall to replace the one used at present. It is to be about 30 by 36 feet. It will be a much needed improvement and will be appreciated by all.

**Getting Thin**

s all right, if you are too fat; and all wrong, if too thin already.

Fat, enough for your habit, is healthy; a little more, or less, is of great harm. Too fat, consult a doctor; too thin, persistently so, no matter what cause, take Scott's Emulsion of Cod Liver Oil.

There are many causes of getting too thin; they all come under these two heads: over-work and under-digestion.

Stop over-work, if you can; but, whether you can or not, take Scott's Emulsion of Cod Liver Oil, to balance yourself with your work. You can't live on it—true—but, by it, you can. There's a limit, however; you'll pay for it.

Scott's Emulsion of Cod Liver Oil is the readiest cure for "can't eat," unless it comes of your doing no work—you can't be well and strong, without some sort of activity.

The genuine has its picture on it, like no other. If you have not tried it, send for a sample, its agreeable taste will surprise you.
