DEAD WHITE MAN,
and I felt that for once in his life he was telling the truth.
"Twelve months ago, at a ranchman's hut, a few miles from Des Moines, I changed to come across a copy of the Atlanta, Ga., Constitution. It was like home to see an American paper, and I devoured its contents with great interest. What attracted my interest mostly was an article describing the miraculous cures of a Louisville physician. In fact, they read as much like miracles as old-time bible miracles. This article spoke of the cure of Mrs. J. A. Clark Jonesboro, Ga., of double curvature of the spine; Miss Mary Lewis, of Galveston, Texas, of consumption; Mrs. C. E. Ombler, of Shreveport, La., of a malignant lung growth and tumor; and of Miss Lydia Head, of Enos, Ky., of kidney and bronchial troubles. It mentioned the remarkable cures of fifty people.
"Now my wife, who is a Southern woman, happened to know Miss Head, and knew they were among the most respectable people of the state. Such was the impression made upon my wife and myself that we determined to start immediately to Louisville and see by the help of God if the great healer could help me. It was on the ninth day of December, 1895, that I reached the office of Dr. Rea, who is president of the Southern Medical and Surgical Institute, Louisville, Ky. I was nearer a dead man than a live one. I found the doctor busy, with about 50 people waiting to see him. He was also preparing to make a professional trip to Texas. As soon as I entered the presence of Dr. Rea he told me my exact condition and how I had been cured, better than could have been told him. I knew I was in the presence of a great man, and one who was master of his profession. I felt before he had given his opinion that I would get well. I felt that his work was God's work and God was with him. My blood had almost turned to water, my limbs were swelled to almost the size of my body, my cough was very severe, and my left lung badly affected. Dr. Rea gave his opinion that the chances were greater that I should get well than that I should not, and that by the help of God he would save me if he could. You can't imagine what life these words gave me, for I had been told the day before by two prominent physicians in Cincinnati that I could not get well. I was under Dr. Rea's treatment about six months and have just been dismissed by him as cured, tumors all gone, cured of Bright's disease, lungs cured, and feel like a new man.
"My wife has recently visited Iowa, and I learned some of the most remarkable cures. Mrs. Jane Smith, Bonaparte, Ia., cured by Dr. Rea of cancer of the stomach and of fungus cancer tumor of womb, after the best physicians in the state had pronounced her case incurable. Eugene Athey, a prominent business man of Hamilton, Ill., cured of kidney troubles, after being pronounced by the leading physician of the state as beyond all hope. Mrs. Rachel Erickson, Marshalltown, Ia., cured of abdominal dropsy, after all other means had failed. H. C. Emerson, Keokuk, Ia., catarrh of throat and bronchial trouble, and a slow, wasting form of consumption, after being an invalid for years. Miss Jennie Steele, Columbus Junction, Ia., cured of long-standing rheumatism. Miss Christie, of Kahoka, Mo., cured by electricity of tumor on the face, no scar left. Mrs. Mary Schroeder, Ft. Madison, Iowa, cured of blood and heart troubles of the most advanced stage. J. E. Burns, Milford, Ia., cured of deafness in 20 minutes; had been afflicted for five years. Chas. Wolf, Fairmont, Minn., cured in three months of nervous debility and lost vitality. V. A. Arnold, proprietor of West End hotel, Spirit Lake, Ia., cured of kidney troubles in 10 days. John Huff, Cedar Rapids, Ia., cured of chronic rheumatism. Miss Anna Higgins, Iowa City, Ia., cured of stomach troubles."
J. F. Brown, Litchfield, Minn., cured of chronic disease and stomach trouble. Andrew Nelson, Crow River, Minn., cured of nervous debility and chronic constipation.
Mrs. Gust Hammerback, Wheaton, Minn., cured of tumor on the thigh. Cured by Dr. Rea's famous injection plan, with no operation and without loss of blood.

DR. REA has no superior in diagnosing and treating diseases and deformities. He will give \$50 for any case that he cannot tell the disease and where located in five minutes.

All curable medical and surgical diseases, acute and chronic catarrh, and Special Diseases of the eye, ear, Nose and throat, Lung disease, early consumption, bronchitis, bronchial catarrh, constitutional catarrh, dyspepsia, sick headache, stomach and bowel troubles, rheumatism, neuralgia, sciatica, bright's disease, diabetes, kidney, liver, bladder, prostatic and female diseases, dizziness, nervousness, indigestion, obesity, interrupted nutrition, slow growth in children, and all wasting disease in adults. Many cases of deafness, Ringing in the ears, loss of eyesight, cataract, cross eyes, etc., that have been improperly treated or neglected, can be easily restored. Deformities, club feet, curvature of the spine, disease of the brain, paralysis, epilepsy, heart disease, dropsy, swelling of the limbs, stricture, open sores, pain in the bones, granular enlargements and all long-standing diseases properly treated. Young, middle-aged and old, single or married men and all who suffer from lost manhood, nervous debility, spermatorrhea, seminal losses, sexual decay, failing memory, weak eyes, stunted development, lack of energy, impoverished blood, impediments to marriage: also blood and skin diseases, syphilis, eruptions, hair falling, bone pains, swelling, sore throat, ulcers, effects of mercury, kidney bladder troubles, weak back, burning urine, passing urine too often, gonorrhoea, gleet, stricture, recent searching treatment, prompt relief and cure for lit.

Cancers, Tumors, Goller, Fistula Piles varicocele and enlarged glands with the subcutaneous injection method, absolutely without pain and the loss of a drop of blood, is one of his own discoveries, and is the most really scientific and certainly sure cure of the nineteenth century. No incurable cases taken. Consultation to those interested. \$1.00.

WAS IT A MIRACLE?

A South American Missionary is Saved in a Miraculous Way.

Reaches United States Just in Time to Save His Life.

You have all heard of Prof. E. R. Weycoff, the only missionary that ever went among the Aztec Indians of South America, who has returned alive. It was Prof. Weycoff who planted Christianity amid these fierce people, and made a minister out of Correll, the man eater and chief of the savages. "Eight years ago," said the professor, to a gathering of friends at the Allyn house, "I resigned my lucrative professorship and set sail for South America. My journey was a two-fold mission-first to carry the gospel to a people who had never heard it, and second, to regain my health, if possible, amid the arid hills of Southern atmosphere. My disease was consumption. I had been pronounced incurable by leading physicians of the East. Analysis by Dr. Agney, of Philadelphia, showed that I was in the early stage of Bright's disease. I also had a growth in my left side, which some physicians diagnosed as an enlargement of the spleen, some an ague case, and others a tumor. I was told that anyone of the troubles would prove fatal within a year, and that there was no cure for me in the known world. After a long sea voyage, then a railroad journey, and then nine days' wagon journey over the plains and up into the mountains, my wife and I reached Deswisaca. You have all heard me relate my experience among these people. In this connection I would say, by the treatment of the medicine man of the tribe, by the help of God and the climate, I largely recovered from my lung and kidney troubles. The tumor, however, continued to grow. Two years ago I took cold and relapsed back to my original condition. The medicine man gravely informed me that I was a

F. M. Cummings, East Grand Forks, cured of chronic epilepsy. His case had been pronounced incurable by other doctors.
Mike Curran, Minto, N. D., cured of chronic piles. Cured by Dr. Rea's famous Red Cross treatment.
Miss Martha Murphy, St. Cloud, Minn., says Dr. Rea saved her life by curing her of chronic ulcerated stomach.
E. Honeyman, Castleton, N. D., cured of chronic rheumatism.
A. Fullwiler, Round Lake, Minn., cured of chronic neuritis and Bright's disease. Cured in one month's treatment.
Alice M. Cady, Emerado, N. N., cured of consumption. Other doctors said that she would die and it would be useless for her to doctor.
Oscar Holstien, Fargo, N. D., cured of chronic catarrh of the head and eye troubles.
Mrs. Mary Stanley, Okaloosa, Ia., cured of catarrh of the head and eye troubles.
Dr. Rea's practice is distributed alike over the Southern and Western country. The sick come from everywhere to see him. They come nearly dead, and go away well. Miss Clara Nagle, now the wife of a prominent railroad official, Owensboro, Ky., cured of catarrhal consumption. Mrs. M. F. Rice, of Memphis, Mo., cured of ulcerated sore legs and blood poisoning. E. H. Ethersy, Little Rock, Ark., cured of total blindness. Miss Philip Trout, Mt. Vernon, Ind., cured of cancer of the face. H. D. Hess, Brinkley, Ark., operated on for cross eyes, and cured in three minutes. Mrs. E. B. Blockson, Terre Haute, Ind., cured of chronic female troubles; cured in six weeks. John McNamara, Marshalltown, Ia., cured of eczema of 40 years' standing; had tried 15 doctors. J. M. Boile, Chetopa, Kas., cured of nervous debility, bladder troubles and wasting vitality.
"I have seen him in a hundred cases examine men and women with all kinds of diseases [all strangers to him] and all each one his disease without asking questions. In the more malignant diseases, such as cancers, consumption and heart troubles, he is at his best."
