

SCENE OF HAPPY.

A deep sigh of sorrow broke from the lips of little Freddie. "I wish," he said, plaintively, "I wish I was Billy Smith."

They're All Doing It. New Congressman—What can I do for you, sir?

GOOD WHEN HE WAS YOUNG.

Miss Imple—So you don't believe that the good die young?

The Humorist. Along life's way he sadly pokes And very seldom laughs.

A Reminder. "I'm thinking of going on a tour on the Rhine this summer, and I should like advice about the best things to buy there."

Speakin' Personal. "What kind of fellow is that man Holloway?" asked the traveling salesman of the corner groceryman.

Wayside Communings. Adam Zaxfax—Ever been in Nebraska?

THE STRANGE PART.

"The doctors didn't know what was the matter with him."

Quite Futile. He never does deceive his friends And here's the reason why.

Contrary Fate. "What do you think? After that naughty Miss Prig had sent word to some visitors she was not at home, they walked in anyway and found her."

Not Always to the Swift. "So he bent you in the chest?"

ON SAFE GROUND.

Whenever, on one of his rare holidays, Captain Goldby went to the city, he took some young relative with him as a special treat.

A True Sport. "Why do you live with your husband if you quarrel all the time?"

TURNING THE TABLES.

The fish are smaller than they were When father pulled the line with vigor.

A Wretch, indeed. He sees life through a faulty prism.

An Exaggerated Comparison. "What makes you think that man is necessarily a great statesman?"

Propriety. "I do not think, Augustus, that the resort recommended to you is a proper place for me to take our dear Angelina."

Too Lazy. "Do you believe that a big fish really swallowed Jonah?"

NOT BRAINY.

Fred—The best capital a man can have is brains.

No Wonder. A life upon the rolling deep He thought would be just fine;

Fun in a Pullman. "Were you not scared when the masked highwayman came through the sleeping car and demanded your money at the point of a revolver?"

Cruelty. "These are the children of my brain," said the man with the bundle of poems.

Flying Men Fall

victims to stomach, liver and kidney troubles just like other people, with like results in loss of appetite, backache, nervousness, headache and tired, listless, run down feeling. But there is no need to feel like that as T. D. Peebles, Henry, Tenn., proved. "Six bottles of Electric Bitters did more to give me strength and good appetite than all other stomach remedies I used."

The Trials of a Traveler "I am a traveling salesman," writes E. E. Youngs, E. Berkshire, Vt., "and was often troubled with constipation and indigestion till I began to use Dr. King's New Life Pills, which I have found an excellent remedy." For all stomach, liver and kidney troubles they are unequalled. Only 25 cents at City Pharmacy.

Indian Killed on Track.

Near Rochelle, Ill., an Indian went to sleep on a railroad track and was killed by the fast express. He paid for his carelessness with his life. Often its that way when people neglect coughs and colds. Don't risk your life when prompt use of Dr. King's New Discovery will cure them and so prevent a dangerous throat or lung trouble. "It completely cured me, in a short time of a terrible cough that followed an attack of grip," writes J. R. Watts, Floydada, Tex., and "I regained 15 pounds in weight that I had lost." Quick, safe, reliable and guaranteed 50c and \$1. Trial bottle free at City Pharmacy.

Makes the Nation Gasp.

The awful list of injuries on a Fourth of July staggers humanity. Set over against it, however, is the wonderful healing by Bucklen's Arnica Salve, of thousands, who suffered from burns, cuts, bruises, bullet wounds or explosions. Its quick healer of boils, ulcers, sczema, sore lips or piles. 25c at the City Pharmacy.

Deduction.

A director of one of the great transcontinental railroads was showing his three-year-old daughter the pictures in a work on natural history. Pointing to a picture of a sebra, he asked the baby to tell him what it represented. Baby answered, "Colty." Pointing to a picture of a tiger in the same way, she answered "Kitty." Then a lion, and she answered "Doggy." Elated with her seemingly quick perceptions he then turned to the picture of a chimpanzee and said: "Baby, what is this?" "Papa."—Woman's Journal.

Extreme Forbearance.

Newspaper birds, we rather think, are few and far between. Who've never knocked the poetry in any magazine.

The Best Way Out.

"I've tried for ten years to please my wife," said the married man, "and I've never yet succeeded." "Impossible!" exclaimed his friend. "No, I don't think it is," said the married man. "I'm going to show
