**County News**

Born, to Mr. and Mrs. Jos. Eid of Neche, April 10th, a son.

Born, to Mr. and Mrs. M. Gillis of Midland township, on April 4th, a daughter.

Mrs. E. H. Beckstead of Cavalier went to Grand Forks last week to undergo an operation for gall stones.

Louis Capitan and J. F. Derby were elected aldermen at Bathgate. No other officers were elected this year.

Mr. and Mrs. W. J. Graber left for their home at Rose town, Mont. after visiting friends at Hensel.

Mrs. D. J. Laxdal has returned to her home at Cavalier from a Grand Forks hospital accompanied by a nurse.

E. H. Mentzer formally of Cavalier and later of Fargo will again teach the Cavalier band to toot and make cigars to boot.

Many friends will sympathize with Mr. and Mrs. Ray Sharp in the loss of their infant which died a week ago Saturday.

The following teachers will remain in St. Thomas schools next year: Misses Marion Sawyer, Lillian Davidson and Supt. Mustain.

Julius Puppe, living near Hensel is building a barn 34x72, with a cement wall nine feet high, balance of lumber, takes 20,000 feet of lumber.

Cavalier city officers: D. J. Laxdal, mayor; K. G. Adams, treasurer; E. F. Hamilton, justice; W. H. Otten, police magistrate; Aldermen: T. G. Thompson, Thos. Brown and A. R. Porter.

St. Thomas chose the following city officers without opposition: C. Ganssle, Mayor; E. T. Thompson, treasurer; C. Pemberton, city justice; Jas. G. Ball, police magistrate; Aldermen: A. M. O'Connor, Jas. Whelan, Fred Sutterlin.

Editor Wood of the Hamilton Independent says that he knows that sugar can be made from maple (?) trees in this country because he lives alongside Mr. Vanderwater's grove. The reader can guess the rest. But you can't make sugar from the H. P. wood that grows in Hamilton though.

A bond election is to be held at Neche for an issue of \$2,000, with which to build an addition to the school house. Kid population is increasing at Neche, but neither Fadden or Giv'n are responsible though the latter in this week's issue of the Chronotype argues that it is a good cause. But it takes a batchelor to tell the proper manner in which to bring up other people's kids.

Miss Zula Rowe, of the musical faculty of Wesley College, in company with Miss Ethel Halvorson of Bowman, electionist, and Miss Floy Jackson, formerly of Bathgate, pianist, who are also

on the musical staff, are giving concerts at different places in the western part of the state. Miss Rowe is a daughter of Mr. and Mrs. J. H. Rowe of this village, and is an accomplished vocal soloist.—Independent.

**Alfalfa Important.**

One ton of alfalfa hay has the same feeding value as 60 bushels of oats. Alfalfa can be expected to average at least two tons per acre. This is the equivalent of 120 bushels of oats. There is no land that will average 120 bushels of oats—in fact it takes good land and good handling to average 60 bushels of oats to the acre. The alfalfa requires less work and less expense to handle than a grain crop. And the alfalfa will improve the soil while the oat crop will reduce its productive power. To get this value from alfalfa it must be fed on the farm. It needs to be kept in mind that the alfalfa is a roughage.

The securing of a stand of alfalfa requires that the conditions necessary to the alfalfa be supplied. These are organic matter in soil, best supplied by manure; good deep compact seed bed, best furnished when land is manured; plowed deep for corn and the corn clean cultivated. Alfalfa needs bacteria. If these are not in the soil introduce them by getting soil from a field growing alfalfa successfully. Alfalfa likes sunshine so plant it alone. A nurse crop hurts it. Sow it about June 1st. The different strains of alfalfa differ much in hardness. Select seed adapted to the locality to be grown. Start with a small piece first. There is no crop that will produce so much food per acre and it is also one of the surest crops grown after it is well established.—N. D. Agricultural College

**Coughs and Consumption.**  
Coughs and colds, when neglected, always lead to serious trouble of the lungs. The wisest thing to do when you have a cold that troubles you is to get a bottle of Dr. King's New Discovery. You will get relief from the first dose, and finally the cough will disappear. O. H. Brown, of Muscadine, Ala., writes: "My wife was down in bed with an obstinate cough and I honestly believe had it not been for Dr. King's New Discovery, she would not be living to-day." Known for forty-three years as the best remedy for coughs and colds. Price 50c and \$1.00. Recommended by the City Pharmacy.
