

### Help That Bad Back!

Why be miserable with a "bad back"? It's time you found out what is wrong! Kidney weakness often causes much suffering from backache, lameness, rheumatic pains, headaches, dizziness and kidney irregularities. Neglected, it may lead to dropsy, gravel or Bright's disease, but if taken in time it is usually easily corrected by using Doan's Kidney Pills. Doan's have helped thousands.

**A North Dakota Case**

Mrs. H. H. Hart, Sweep, 15 S. Third St., Wahpeton, N. D., says: "About a year ago I began to suffer from kidney trouble. I had sharp pains through the small of my back which changed to a dull, aching ache. I swept the floor or exerted in any way I had to sit down and rest. Dull, aching pains would come over me as soon as I got up. I was advised to try Doan's Kidney Pills. I found the results excellent. So kept on using them until I was cured."

## PISO'S

## NORTH DAKOTA

Hazen—A runaway team cost the life of Matt Schrup, living 12 miles south of here.

Sawyer—A franchise has been granted for the installation of an electric lighting system here.

Devils Lake—The local Commercial club is now affiliated with the United States Chamber of Commerce.

Minot—Two new motor trucks have been received by the local fire department. They are valued at \$20,000.

Bismarck—This city will entertain the 1920 convention of the North Dakota Federation of Women's clubs.

Grenora—Special ceremonies were held accompanying the laying of the cornerstone of a new \$40,000 school building to be erected here.

Ray—Agents of an oil company are signing up leases for oil and gas boring privileges on all quarter sections available in a large district south of here.

Fargo—The agricultural college's short court enrollment this year hit the mark of 650 a few days ago, eclipsing all previous short course enrollments at the school.

Center—A regular term of the district court for this county was convened with but two cases—both civil actions—on the calendar awaiting disposition.

Bismarck—The special election called for Towner county to choose a successor to Senator A. S. Gibbens, deceased, has been changed to November 25.

Fargo—A conference of Jewish relief workers will be held here on November 9 to plan a campaign to be made for funds for their people in war-torn Europe.

Mylo—Yeggs blew off the vault door of the First State bank here one night recently, ransacked the safety deposit boxes and got away with some of the contents.

Mandan—Mrs. Albert Peters, wife of the manager of the state game farm south of town, was killed by the overturning of the Ford automobile which she was driving.

Minot—Members of the Minot city commission have returned from a trip through the east inspecting municipal sewage-disposal plants to secure pointers for the establishment of a plant to be built here.

Bismarck—The project engineer of the state highway commission announces the recent completion of one highway project each in Bowman, Stark and Pierce counties, and two in Foster county.

Velva—Local citizens have taken to drinking from the city's regular water supply with full confidence again since receipt of reports on a test by Dr. E. F. Ladd indicating that the water is pure.

Fargo—The purchase by the city commission of a \$7,500 four-wheel tractor for the aerial fire truck, to be delivered within 120 days, will replace the last of the horses used by the local fire department.

Fargo—President E. G. Quamme of the federal land bank serving this section has announced that North Dakota is the first state in the district to be fully chartered under the provisions of the land bank law. There are 160 farm loan associations in the state, and heretofore any farmer desiring the privileges of a loan had to be resident in the local district of one of these associations. Under the new state charter plan privileges of the bank are available to farmers in all parts of the state.

Bismarck—The first official bulletin has been issued from the department of State Immigration Commissioner John H. Worst. The bulletin calls attention, among other things, to the disparity of land values between this state and some of the better settled farming states, such as Iowa and Illinois, in which Dr. Worst declares farming lands are being sold at \$200 to \$300 per acre, which have no more productive value than land that can be bought in North Dakota at from \$20 to \$100 an acre.

Fargo—The accidental slipping of gears in a large car parked near the Y. M. C. A. in this city is alleged to have been responsible for the death of Frank Burnam of Fort Dodge, Iowa, who was caught and forced through a plate glass window on the radiator of the car as it suddenly dashed forward at high speed after having been cranked by Cannon Jones, a son of the owner. Mr. Burnam was internally injured and suffered repeated hemorrhages from which he died a day or two after the accident.

Portland—Lieutenant J. E. Fladeland of this city, who is giving aerial exhibitions in the state since his discharge from military service, is believed to have found a new form of air sports in the chasing of large game birds. While exhibiting with a passenger at Devils Lake a few days ago Lieutenant Fladeland afforded amusement for his companion and onlookers by chasing and scattering a large flock of pelicans. The use of the airplane in hunting wild ducks and geese is a development which has not yet been tried.

Pembina—This county has this year beaten all records for the amount of fall plowing completed before freezing up.

Mandan—Trustees have been named for the Mandan hospital recently taken over by the Methodist conference of this state.

Velva—The kick of a car which he was cranking sent S. Larson back to the hospital, from which he had been discharged but a few days previously after a severe illness from blood poisoning. The cranking accident resulted in the breaking of both bones of his right arm.

## COURT HOLDS FARGO BANK IS SOLVENT

Bismarck—In a decision handed down last Friday the state supreme court declared the Scandinavian-American bank of Fargo to be solvent; that postdated checks are negotiable instruments and therefore proper collateral; that the state banking board has no power to appoint a bank receiver; and that the board cannot determine a bank insolvent and cause it to be closed without the knowledge and consent of the state examiner. The opinion was written by Justice Bronson, Justices Robinson and Grace concurring. It is stated that the Scandinavian-American bank will be reopened in a few days.

Langdon—The Red Cross will provide for the expense of a school nurse for Cavalier county.

Calvin—Plans are being made here for the installation of an electric lighting plant.

Valley City—Barnes county boys' and girls' clubs held their annual Achievement day celebration October 25.

Williston—Knights of Columbus are considering the erection of a substantial three-story fraternity home here.

Dickinson—The state normal school here will organize night school classes to be operated during the winter months.

Ellendale—Four gunmen have been convicted here of the wholesale robbery of farm hands perpetrated near Oakes early this fall.

Hillsboro—Major B. W. Boyd of this city has been discharged from the Walter Reed hospital at Washington and has returned home.

Portal—Plans are being laid for the construction of a state and federal-aided road through Burke county next spring at a cost of \$18,000.

Fargo—The annual meeting of the state board of nurses' examiners will be held here at the Y. M. C. A. auditorium November 19 and 20.

Mandan—W. W. Trivillian, of Jamestown, a railroad brakeman, was instantly killed in the yards here when caught between two engines.

Steele—C. W. Jokela, a farmer near here, was caught by the drive wheel of a tractor he was running, pulled from the machine and instantly killed.

Sentinel Butte—Public schools of this city were the first in Golden Valley county to report a 100 percent enrollment in the Junior Red Cross drive.

Minot—Local Knights of Pythias celebrated the paying off of the mortgage on their home by a celebration in which the cancelled document was burned.

Bismarck—The third annual convention of Odd Fellows of this district brought together a larger attendance than either of the preceding conventions.

Carrington—Mrs. G. W. McClusky of this city was elected president of the North Dakota Federation of Women's clubs at its annual meeting recently held here.

Fargo—The installation of a sub-way under the Northern Pacific railway tracks at Tenth street has been agreed upon between the railway administration and the city commission.

Devils Lake—The purchase of a local creamery by a company capitalized at \$125,000 is believed to promise this city one of the largest creamery and cold storage plants in the northwest.

Devils Lake—Rat poison was the material used by a transient would-be suicide in an attempt upon his life here one day last week. The patient is in a hospital here with a chance to recover.

Cando—C. P. Peterson of Bisbee and Paul Higgins, residing north of this city, will be opposing candidates to succeed Senator A. S. Gibbens at the special election called for that purpose.

Columbus—Herbert Smith, first volunteer in the nation's war service from this city, was drowned when he fell overboard from a tug in New York harbor on his way home a few days ago. He was in the navy.

Bismarck—State Insurance Commissioner S. A. Olesnes is quoted as favoring the repeal of withdrawal privileges now allowed to farmers in connection with the operation of the state hail insurance law.

Mandan—Albert N. Brooks, an aged transient who recently confessed to the murder of his wife in Ohio many years ago, is dead following the illness which had overtaken him here prior to his confession of the deed.

Bismarck—Public school teachers of this city have entered formal demands for a flat increase of salaries amounting to \$100 a year. Unless the demand is complied with in a reasonable time it is announced that a strike will result.

Fargo—Unofficial announcement was made by A. C. Townley at a public rally here last week that Grand Forks would be designated by the state industrial commission as the location for the first big state-owned mill and elevator enterprise, to be built at a cost, it is said, of approximately \$1,500,000.

Grand Forks—The state university gave a three-day program on "Citizenship and Reconstruction" October 23 to 25, the general purpose being to commemorate the war services of returned students, alumni and faculty men.

Valley City—Announcement comes from the west, of the death of Miss Lura Perrine, for many years a member of the faculty of the state normal school here. Miss Perrine has been engaged with the institution for more than a quarter of a century, and was well known to thousands of North Dakota school workers.

## TOO SHORT TO DO UP AND STILL FALLING

A little "Danderine" stops your hair coming out and doubles its beauty.

To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of delightful "Danderine" at any drug or toilet counter for a few cents, pour a little in your hand and rub it into the scalp. After several applications the hair usually stops coming out and you can't find any dandruff. Help your hair to grow strong, thick and long and become soft, glossy and twice as beautiful and abundant.—Adv.

**A Matter of Address.**  
Considerably out of patience, he was endeavoring to play golf at the Muncie Country club and in his first attempt at a drive sliced the ball miserably. The words he used, although spoken in an undertone, were sufficient to make the caddy look up appreciatively, accustomed as the boy was to the use of eloquence by players under such circumstances.

A short distance away was the player's wife who inquired ever so gently: "Did you say anything to me, Fred?" "No, I was just addressing the ball," he replied.

"I am afraid if the ball goes to that address it will melt," she remarked, still gently.

### "KILL-JOYS"

Constipation, Headache, Colds, Biliousness ended with "Cascarets"

Nothing takes the joy out of life quicker than a disordered liver or waste-clogged bowels. Don't stay sick, bilious, headachy, constipated. Remove the liver and bowel poison which is keeping your head dizzy, your tongue coated, your breath bad and stomach sour. Why not spend a few cents for a box of Cascarets and enjoy the nicest, gentlest laxative-cathartic you ever experienced? Cascarets never gripe, sicken or inconvenience one like Salts, Oil, Calomel or harsh pills. They work while you sleep.—Adv.

One doesn't often look for humor in a church, but the other Sunday a considerable portion of a congregation nearly burst into laughter. The mirth was occasioned by a little boy, who was being brought to service for the first time. When the choir entered in its surplices, he whispered decidedly audibly:

"Daddy, are they all going to have their hair cut?"

## Middle Aged Women

Are Here Told the Best Remedy for Their Troubles.

Freemont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. GODDEN, 925 Napoleon St., Fremont, Ohio.

North Haven, Conn.—"Lydia E. Pinkham's Vegetable Compound restored my health after everything else had failed when passing through change of life. There is nothing like it to overcome the trying symptoms."—Mrs. FLORENCE ISLELLA, Box 197, North Haven, Conn.
