Red Cross

Pembina County, July 9th. Red Cross Workers, Ladies & Gentlemen:

Please remember the following items in connection with Pembina Countys Red Cross activities, they are:

Please be at Cavalier, North Dakota, on Saturday 17th, 1920 at 1:30 P. M. for a conference of Pembina County Red Cross Officials and members.

Pembina County did a wonderful work for the American Red Cross. Was within a fraction of one point of being the "Banner County of the State in Product."

There is still work to be accomplished. Executive Committee of the County has concluded to call a session with the idea of deciding what work shall be performed hereafter by the Red Cross in Pembina County, what disposition shall be made of the funds already accumulated in branch and chapter treasury. Therefore, it is important that each branch send at least one auto load of Red Cross members with one Branch Official delegated to work

Who are we?
Why, we are the "Yellow Kid Twins."
When you see us (and see us you must), you will be bound to remember that we mean good hardware.
We are going to be so interesting that you are going to look for us every week.
We shall work for the best hardware store in this town. That store is

GEO. L. PAXMAN'S
HAMILTON, NORTH DAKOTA

in conjunction with the Executive Committee.

The session will commence sharp at 1:30 P. M. At 2:30 P. M. an adjournment will be taken in order to take in the afternoon program of the Cavalier Chataqua. At 4:30 P. M. conference will resume and complete its work.

The future of the Red Cross in Pembina County will depend largely on the action of its members at such conference.

Yours for a successful meeting.
W. W. FELSON,
Sec. of Pembina County Chapter.
