

# HAMILTON DEPARTMENT.

The Town of Hamilton is located geographically in the center of Pembina County, on the Great Northern Railway. It is surrounded by the most fertile agricultural lands to be found in the famous Red River Valley. There never was known to be a crop failure, although the yields vary according to seasons. The farmers are industrious, prosperous, loyal and intelligent. The people of the town are wide-awake and ready to meet legitimate competition. Besides the Pembina County Fair being located here we have three grain elevators, with a storage capacity of 250,000 bushels, \$20,000 Town Hall and Opera House, besides every business enterprise being represented. Hamilton welcomes you.

## Delays are Dangerous

You may not always be as active as you are today, neither will your earning capacity be as great. Are you preparing now for future needs, by saving a part of your income every week.

Each day's delay widens the breach between yourself and ultimate success. We will gladly help you make the start today.

### Hamilton

The seats for the new town hall arrived last Saturday and all are in place, ready for the opening which will be held tonight, Friday.

Last Sunday afternoon Mr. Thos. Fuller was ordained to the eldership of the Presbyterian church of Hamilton.

J. A. Wright drove over to Cavalier Tuesday on business.

Mr. and Mrs. D. R. Beggs and Mr. and Mrs. Dapiel Kippen drove over to Emerson last Sunday and spent a few hours with friends.

The Glasston Presbyterian chicken and oyster supper held last Thursday was a great success. A good crowd was present and a good sum realized. A large number from Hamilton attended.

C. H. Asseltine returned from Bismarck last Thursday after several days visit at the home of his son, H. R. Asseltine. He reports things in that section of the state running along very nicely and a general rejoicing over the change in the state management. Mr. Asseltine left for his home at Carman, Man., on Tuesday.

Hallard Argue came up from the University last Friday in order to cast his vote on the right side, and help to dispell the gloom that has hovered over the fair state of North Dakota for the past few years. He reports all the Hamilton bunch at the U. doing fine. He returned to Grand Forks on Saturday.

J. M. Johnson of Glasston was in the city last Friday taking part in the election. Mr. Johnson resides in the south end of Hamilton township, so for this reason has to come to Hamilton to vote.

Wm. Scott of Tillsonburg, Ont., arrived in the city last Friday and spent a few days at the home of his brother in law, R. A. Thacker. Mr. Scott has been up in the Canadian Northwest at a place called Willowbunch visiting relatives and was on his way home to Ontario. He left for his home Monday.

E. A. Purdy is buying cream and paying the highest market price for delivery at Hamilton. Give him a trial and get your money right on the spot.

The Hamilton schools had a holiday last Friday on account of it being election day. It is needless to say that the day was enjoyed by all and the result of the election more than justifies the holiday.

A turkey raffle near town drew a big crowd of our boys last Friday evening. A good time was reported by all present and some of the boys are still eating turkey every day as a result of their luck.

Rev. and Mrs. Shallcross visited with Mr. and Mrs. W. C. Tellitt last Wednesday afternoon. During the afternoon Rev. Shallcross baptised three children.

The Civic Club met at the home of Mrs. L. J. Mahar on Monday and made arrangements for the grand opening of the new town hall which will take place tonight (Friday). A general invitation is extended to all. Supper will be served from 5 p. m. to 8 p. m., after which a grand free entertainment will be held in the hall.

L. J. Mahar is having a pipeless furnace placed in his residence.

Mr. and Mrs. W. A. See of Bathgate spent Sunday visiting at the home of Misses Grace and Mae See.

That the ladies of the Civic Club are patriotic goes without saying, as every member voted at the recall election, and the votes were not lost either. Not a single ladies ballot was spoiled. Some record we'll say.

I. J. Foster of Bathgate was a visitor in our city last Saturday and said that he had been so busy with auction sales that he had hardly had time to vote. He is right there when it comes to crying a sale.

Thos. Fuller drove over to Cavalier last Saturday.

H. E. Page was a visitor to Cavalier last Saturday. He had the extreme pleasure of taking over the election returns from Hamilton township and was happy in the thought that the majority was in favor of the recall and a safe and sane government, a condition that has never existed under the Non-partisan administration.

A special service will be held in the Presbyterian church next Sunday, Nov. 6, at 7:30 p. m. Subject, "What Can the Church Do to Prevent War." The International Conference on Limitation of Armaments is about to meet. Let us gather in the church and pray for God's blessing on the conference. All are welcome.—Rev. F. Shallcross, Pastor.

Jos. Faxman and Ross Page came over from Cavalier last Saturday.

Having opened a garage in Hamilton, I am prepared to do all kinds of repairing of automobiles and tractors. Work guaranteed. Charges \$1.00 per hour.

ALFRED J. STEIGER, Hamilton, N. D.

The junior foot ball team of the Hamilton schools went over to Cavalier last Friday and went down to defeat. On Saturday the Cavalier kids came over here and were handed a bunch at the hands of the Hamilton boys. All of which goes to show that a rooster can and does a great deal more on his own straw pile.

Misses Ethel Best and Mae Bruce spent the week-end visiting at the home of Miss Best at Bay Center.

Mr. and Mrs. J. H. Vandewater enjoyed a turkey dinner at the home of Mr. and Mrs. Fred Gannise of St. Thomas last Sunday.

Mr. Haakin Haugen of Grand Forks has spent the past ten days visiting at the home of Mr. and Mrs. E. K. Everson. Mr. Haugen is a brother of Mrs. Everson and has for some time past been connected with the immigration force and stationed at Portal.

Miss B. Park returned to Grafton last Saturday after spending several days at home caring for her mother, who had the misfortune of falling and sustaining a fractured rib. At this writing Mrs. Park is much improved.

Dr. H. H. Miller will be at the Hamilton Hotel on Nov. 9th, at 4 p. m. until Nov. 10th at 4 p. m., to examine eyes.

H. H. Fennell went over to Cavalier on Tuesday where he appeared before the County Board in regard to some town business.

C. Bluhm, who has been confined to the house for some time past, is a little improved at this writing and will doubtless be able to get out soon.

Editor W. R. Johnson of the Neche Printers Ink Weekly was in the city Tuesday evening.

Recall election day passed off very quietly at Hamilton, no excitement of any kind taking place and a noticeable feature of the day was the absence of any heated arguments in regard to any of the candidates or the measures which were before the voters. Some of the Nonpartisans who have made it a practice to be present at the time the votes were counted every year were noticeably absent this year—we failed to learn just why they failed to show up but suppose that they had taken to the tall timber. Hamilton village only registered 4 votes for the Nonpartisans, three men and one lady, and this out of 80 voters. Did the four lose their vote? We'll say they did.

F. C. Thacker was in town on Monday and informed us that on day last week he was plowing when the plow struck a stone and all the levers and everything else on the outfit did a shimmy act with the result that he was thrown up in the air about 'steen feet and when he landed he discovered that most of his pants had been torn off, so just to make a good job of it he bobbed the remains of them and endeavored to convince us that it was a new style which had recently come in vogue, but it seemed that he was unable to impress this on most of us, so later in the day he decided to do something that was more suitable to his style of beauty. We don't know if this had anything to do with the outcome of the election or not but we think that perhaps it did.

Peter Oskie was in town one day this week and expressed himself as more than pleased with the outcome of the recall election and said that both he and Mrs. Oskie had voted and only wished that they could have done so three or four times instead of only once. Some of his neighbors were Nonpartisans and it made him laugh to think that they had lost their vote this time but he is of the opinion that they will try and get on the right side of the fence from now on and try and be good. Well, one day last week he said that he went into his cellar and found that some of his choicest wine had exploded and plastered things up in great shape and that he and Mrs. Oskie had

had a few words in regard to the matter but a little thing like that never worries him for Mrs. Oskie is like a good many other ladies he has known in the past and her bark is much worse than her bite. In speaking of the events of the day, Mr. Oskie was of the opinion that the most noticeable event was the fact that A. C. Townley had to go to jail for 90 days, just like a blind pigger or some moonshine artist. Most of his Nonpartisan neighbors are still out their \$16 and he thinks

**Attend the opening of our new Town Hall this evening. Everybody is invited.**

that is the reason why they continue to stick. Peter said that he thinks that while times may be a little hard until we get another crop harvested, yet we are in for some good times in North Dakota and a return to a safe and sound policy in the state will tend to make things move along much better in the time to come and if he can only get a little something to take once in a while all will be well.
