Tongue River

Mr. and Mrs. A. J. Rostemayer
were business visitors to Walhalla
on Monday afternoon.

Henry Webb of Cavalier visited
friends in this neighborhood on
Wednesday afternoon.

John Rader left on Wednesday for
the Canadian northwest and will
seek employment near Saskatoon.

Mr. and Mrs. S. W. Hodgson and
H. F. Graves drove to Neche on
Wednesday on a business mission.
Mrs. R. H. Simons was called to
Cavalier on Thursday by the illness
of her little grand son, Donald Sim-
ons, who is suffering from bron-
chitis.

Dr. Mulder removed a needle from
the knee of Miss Edna Rickbell a
few days ago which had been im-
bedded in the flesh for three months
and had caused little pain though it
had moved about six inches in that
time.

We understand that Miss Kath-
ryne Steiger has been re-engaged to
teach in the local school.

Mrs. E. M. Stewart who is in a
Grand Forks hospital recovering
from an operation is reported as do-
ing as well as can be expected.

The local sewing circle met at the
home of Mrs. H. F. Graves Thurs-
day afternoon. Six ladies were
present. A lunch and sale is being
planned to occur in the near future.

Miss Grace DeLong, state demon-
strator, spoke to an interested au-
dience of ladies at the R. H. Simons
home on Tuesday afternoon. Her
subject was "Meal Planning."

Mr. John Rickbell met with a pain-
ful accident on Wednesday last
which will put him on the idle list
for some time. While on his way
to Cavalier with a load of wheat,
one of the front wheels came off the
wagon, throwing him heavily to the
ground between the horses. Mr.
Gordon Well, near whose home the
accident occurred drove him to Cava-
lier for medical attention and he was
found to be suffering from a broken
shoulder bone and though it is pain-
ful, Mr. Rickbell considers himself
fortunate in not being more serious-
ly injured.

A farewell reception for Mr. and
Mrs. George Stafford occurred at the
home of Mr. and Mrs. L. A. Watson
on Tuesday evening. About twenty-
five persons were present. The hon-
or guests were presented with a
handsome Bible from the members
of the Bathgate Baptist church, and
a delicious lunch was served. The
Staffords were among the earliest
settlers in this neighborhood, coming
here in 1880 and taking up a home-
stead north of the river where they
resided until about twenty years
ago, when they moved to Cavalier.
They left via Bathgate on Wednes-
day for Winnipeg where they ex-
pect to reside permanently. Old
neighbors and friends here wish
them health and happiness in their
new home. Their daughter, Mrs. R.
Roach of Winnipeg, who had been
with them in Cavalier for a couple
of weeks, accompanied them.

Mr. and Mrs. George Stull and
son Myron drove over from Glass-
ton on Sunday and spent the day
with the Graves family.

Pure, Fresh Candy

When you walk up to the door and SHE answers the bell — it's lucky you have the candy. You'd be speechless otherwise. You hand it to her with, "Sweets to the sweet," (if you have the nerve) and she opens it. Gee! You're glad you bought it here 'cause you know it's fresh and pure!

It's pretty small, after you have won her with sweet food and sweeter words, to forget that she likes either after you're married. Stop in today and get a box of chocolates or bon bons. If there's sickness at your home—nerves or constipation, or that run down feeling, or heart trouble, take a package of Dr. Miles' Medicines along with the candy.
