

CELINA INVITES YOU

FIRST STYLE SHOW WEEK

Opens Wednesday, March 22nd

IN CELINA

Under the auspices of the CELINA BUSINESS ASSOCIATION

THIS is the greatest display of Spring Goods ever brought together for your inspection. The merchants of Celina have prepared a wonderful treat for you; a chance to see all the different lines of wearing apparel—Spring Millinery, Dry Goods, Ladies' Ready-to-wear, Spring Shoe styles, Men's Clothing, Hats and Furnishings and Jewelry; also the Spring showings of Carpets and Rugs, Furniture and Wall Paper. The merchants have co-operated to make this a Grand Display Week, beginning Wednesday, March 22nd.

You're invited to come and inspect the new goods. Come and go, wherever you like. Stop in all of the stores and look around—you'll not be asked or expected to buy because you look. Its merely an exposition, to show the new Spring Goods.

This is an opportunity to see all the new things. The Celina stores are now at their best—showing the latest styles and materials for Spring wear—and the newest articles for the beautification and comfort of your home. The stores cordially invite you.
