A woman in Hudson City, N. J., whose child had been flogged in school, went to the school-house the other day and cowthat will not work both ways."

A cable disputch says: The trial of the Fenian prisoners for high treason will commence on the 9th of April next, in Dub-

A New York disputch says: JAMES F. CUMMINGS, an ex-rebel commissary has been arrested on a charge of having used the power of the so-called Confederate Covernment to take from a resident of Tennessee property valued at six hundred thousand dollars, and fraudulently convert It to his own use. He is now in Ludlow street inil.

The Orange Furnace Company, near Jackson, Ohio, has failed. Liabilities, \$80,000; posets, \$60,000. Cause of the failure-outside speculations of James Watson, its business manager, with the funds of the company. So says the Jackson Standard.

The extent of the failure of Rosinson & Ooden in New York was exaggerated. The belief is now that the losses will not exceed \$250,000, instead of \$2,000,000 as first reported.

A statue of HENRY CLAY is to be inaugurated in the court-house at Louisville on the 12th of April. ROBERT C. WINTEROP will deliver the address. MILLARD FILL-MORE and A. H. STEPHENS are expected to be present.

Parties who have recently conversed with ALEXANDER H. STEPHENS, say he advises that the wisest course for the South is to remain quiet, and wait the issue of events. Robison, Rea & Co.'s machine works, South Pittsburgh, Pennsylvania, were burned yesterday. Loss \$75,000; fully in-

sured Springfield, Mass., was caught by a shaft on Wednesday, and whirled round at the rate of eighty revolutions a minute, until

he was literally beaten to pieces. The Demogratic Executive Committee, on Saturday evening, nominated Judge James Cloak and Dress Manufactory SAFFIN for Mayor of Cincinnati, in place of

The return issued by the Proor Law Board in London, for December, shows that at the close of the year 1866 the nur aber of paupers in receipt of relief in Eng land and Wales exceeded 900,000.

A large bald eagle, meas uring eight feet four inches, was shot day 'oefore yesterday,' by J. M. WILLIAMS, while hunting qualls. about seventeen miles back of Covington.

BY TELEGRAPH.

Washington News and Gossin,

WASHINGTON, March 24 .- The Senate has on hand a large amount of executive busion hand a large amount of executive business. Yesterday the President nominated thirty postmasters for the interior owns. The navel offices at Boston, New York and Philadelphia and the post-office at Clucinnatl are the most important offices remaining unfilled.

The Secretary of State has received interesting from the Counsel at Operation.

The Secretary of State has received information from the Consul at Queenstown, Ireland, that the cholera has prevailed in that section to some extent all winter. At Whetgaile, a small village on Queenstown harbon, eight cases had occurred during the previous week. The dispatch was dated February 14.

Advices from North Alabama, state that the inhabitants living a distance from the railroad are dying off of starvation, and unless relief reaches them, the whole range of counties on the Sand Mountain section will be depopulated. The recent floods destroy-

be depopulated. The recent floods destroybe depopulated. The recent moora destroy-ed over 3,000 bushels of corn and a large amount of food, sent by the relief associa-tion to the sufferers.

Thad, Stevens glories and chuckles over

such news. General Sickles issues an order to-day, taking command of North and South Caroina under the Military Reconstruction Bill. He authorizes all civil officers to continue the discharge of their duties; but gives notice that in case of neglect or refusal of such officers to protect life and property and punish crime, provost courts or military commissions will be organized to perform the same.

form the same.

The President returned the supplemenhided both the male and female teachers in the most severe manner. "It's a poor rule Saturday, with his veto. The document presents no new features, being merely a repetition of previous objections to the principle of the original law establishing military governments for the Southern States. The House immediately passed the bill over his neto—114 to 25. The Senate did the same—40 to 7.

If Congress shall adjourn on Tucaday or Wedersalay next as is now almost certain.

Wednesday next, as is now almost certain, the President will issue, on the day of ad-journment, a proclamation calling an extra session of the Senate for executive business.

session of the Senate for executive business, and especially to consider the nomination for official positions.

In the House, to-day, a spirited debate took place on the question. That Stevens intimated that an adjournment till fall would be an abandonment of the impeachment of the President...

Mr. Blaine, of Maine, replied that the impeachment matter was all monserse. It is

peachment matter was all nonsense. It is

not stated.

The rebel General Dick Taylor, who came from New Orleans to see the President on the subject of reconstruction, had an interview with the President to-night on that question. He was informed that the lisw would undoubtedly be at once enforced.

Died.

The registration of voters in the First Ward of Washington is complete for the present, and foots up: Colored voters, 1,146; white voters, 638.

Two white girls, Many Glover and Martha Long, cloped from East Baton Rouge, Louisiana, the other day, in male's clothing, with a couple of negroes—Peters Edsand Ben, Lyons. They were arrested in New Orleans. Many Glover, on examination, protested that shes "love Paters as she does her life." The other girl had a child by her sooty charmer in August last. An election has been held for State Senator at Newbern. North Carolina. The negroes voted on the occasion for the first time, and the elsetion resulted in an almost unanimous vote for Major John Hughest before known. The suffering is very great. Houses, furniture, provisions and people have been washed away. The number of persons drowned is said to be over fifty.

The Houston Ielegraph says: "The man who shall attempt to murder citizens of the substant lattempt to murder citizens of

Mass, are not only equal, but far superior to the common watches of England, Switzerland, and

ande any decisive Improvements over them, we every respect, to the most expensive apacimens of foreign chronometrical art.

II -We claim that our Watches are cheaper more accurate, less complex, more durable, better minuted for American use, and more easily kept in order and repaired than any other watche

1V .- The reasons why our Watches possess these dvantages over their European rivals are chiefly First. Because the principle of the division of abor is carried out in our workshops to its exremost limits, not in human industry only, but in nachinery as well. Every watch passes through undreds of hands and bundreds of machines

Second. Because we premptly adopt every new vention to perfect our machinery, and every roffered improvement in the structure or watches Third Because in each of the very numerous inute, and often microscopic parts of which a eatch is made up, we attain, by mechanical powr, nearly adsolute mathematical precisiowand uni ormity which it is utterly impossible to achieve by magnal labor. Wheels, pinions, escapement balances, springs, and screws-exact counte-parts n weight, eircumference, and dimensions-arturned out by millions by the unerring because unwerving, Iron handso: machinery. Hence, every ratch of any one style is a true copy of its model

is attainable by hand, and because in Wal han stone is machinery exclusively employed in the manufacture of this intricate and delicate mesh

alry; because no similar uniformity and precision

ustsided, or replace any part that may be last of lestroyed. VII-In addition to these mechanical advantages. or Watches are simpler in structure, and theretors tronger, and less likely to be injured than the ma-

VIII.-We began our exper ment in 1863 in the ice of a formidable prejudice against Americas ratches. Our system was new and untried. We ave steadily increased our facilities, until nov we employ over 700 artis a.s. and sell 70 000 watche a year. Nearly a quarter of a million of our watches are in use to-day in every State or the Union, as well as in the Mexican and British Provinces ancolonies. Their universal popularity is the best proof of their merit that we can produce. They save won their way in spite of every opposition and o immemorial prejudices. Hundreds of deal ers all over the country have expressed their pref rence for our products after a long and practical xperience with foreign watches.

Rare Chance for a Splendid Bargain

CITY HOTEL.

THIs appular House has recently been re mod-eled and thoroughly refliced and removated, and to now opened to the public order new aus-piess. It is conveniently located to the business syrious of the city and is near the railroad depot. No pains will be sparred to make it the first-class house of Hamilton. Opinilosses run to and from alternius. Good stabling on the precesses. 1276tr
