A great deal will be forgiven the man who is thoughtful enough to sprinkle ashes on a sleety sidewalk.

Prospect, O., Jan. 25. Prospects and especially the farmers of the vicinity do not in any way regret that the flood is over and the high water has dropped to the normal depth of the great flood that terrified the people in the vicinity during the winter of 1904 when the Gast department store was submerged.

Other than causing the plowing mills to shut down a part of last week and compelling some of the residents of the south and west end to move to the second story, Prospect suffered but little from the flood.

A fine set of pupil furniture as been installed at the Reformed church in memory of the late Mrs. Eliza Fanum, who had long been a member of the congregation.

Mrs. W. A. Wells, of Carlington, is a guest of her sister, Mrs. W. R. Laner, of Prospect.

Proposed French Piano Tax. The monster which French lawgivers intend to attack is ubiquitous. Its name is "piano," and the minister of finance seriously thinks of proposing a tax on those instruments not used in a professional capacity--and they are in France about 500,000 pianos, and a tax of, say, 10s. would bring in the respectable sum of \$250,000.

Progressing Finely. Lovett--I suppose a fellow ought to have a good deal of money saved up before he thinks of marrying?

Marryat--Nonsense! I didn't have a cent when I married and I'm getting along fine now.

Lovett--That so? Installation plan?

Marryat--Yes, and we've only been married and keeping house for a year and I've got the engagement ring all paid for now.

GUARDIAN WILL BE NAMED FOR TRAYER

He Makes no Objection to the Plan.

The Old Gentleman is Too Free with the Little Money He has in the Bank.

After hearing the testimony of several witnesses yesterday in the matter of Whitfield S. Kimble's application for the appointment of a guardian for Edward Trayer of Caledonia, Probate Judge Foster decided to appoint a guardian for the old gentleman.

Trayer has no special objection to a guardian. He was not present at the hearing but over the phone advised the court that if it was deemed advisable he would not resign.

Trayer owns a small tract of ground near Caledonia and has about \$700 in the bank. His disposition is to be easy with money and as he drinks considerably, unscrupulous friends have been cultivating his liking for fiery stuff to the end that they profit while the old man is in his cups. He will probably be allowed to choose his own guardian, since he is disposed to act so nicely about the matter.

JUST A PRACTICE GAME FOR MARION High School Boys Defeat Galion's Team.

The Contest was Too One Sided to be Interesting to the Spectators.

Marion, 42; Galion 15. is the tale of the monkeys which Marion high school basket ball team made out of Galion high in apparently a farce game played in the Y. M. C. A. gymnasium, Friday night.

The local team played rings around the visitors and if they ever did think they could play basket ball, their thoughts were certainly curtailed, when Marion got through last night.

Quite a goodly sized crowd attended the game, and was compelled to be satisfied with witnessing only a fairly interesting practice game on Marion's part. The line-ups: MARION--42--Sells, R. F.; Strelitz, L. F.; Grills, C.; Ross, R. G. Mouser, L. G. GALION--15--Meuser, R. F.; Marsh, L. F.; Orr, C.; Boyer, R. G.; Allen, L. G.

Summary of Score--Field baskets, Meuser 1; Boyer, 1; Sells, 6; Strelitz 5; Grills 5; Ross 1; Mouser 2. Baskets on fouls: Orr, 10; Meuser, 1; Sells, 3; Strelitz 1. Referee, C. M. Douthitt. Time of halves, fifteen and twenty minutes.

CALEDONIA NEWS

Caledonia, O., Jan. 25.--Last Wednesday night a drove of cattle owned by Emerson Seckel, residing six miles west of Caledonia, stampeded and breaking out of the corral ran several miles before they could be surrounded and brought back.
