

# MAIDEN, WIFE AND MOTHER FOR WOMEN AT ALL AGES.

## ZOA-PHORA PRONOUNCED "WOMAN'S BEST FRIEND" BY THOUSANDS OF WOMEN WHO HAVE USED IT SUCCESSFULLY.

In the history of medicine and remedies there is not found a parallel for the wonderful record of Zoa-Phora in cures of obstinate cases of female weakness. This is shown by proof positive in the words of the grateful women all over the land who rise and as with one voice praise Zoa-Phora for its great work. They pronounce it with one accord "Woman's Friend" and who can gainsay the testimony of those cured? The strongest endorsement a medicine can have is the praise of a woman lifted from the slough of despond and a sickness worse than death to health and strength to home and happiness. Zoa-Phora is a remedy that goes at once to the seat of the trouble, corrects the disorder, maintains a healthy vigor to the weakened and diseased organs, aiding them and strengthening them to perform their mental functions and gives tone to the general system of purifying and enriching the blood. It corrects irregularity and suppression. With the use of Zoa-Phora there is no suffering with terrible pain in back and headache. It relieves and cures. It is one of the most marvelous of modern remedies, serves as a steady hand to guide the frail and sickly girl to and through the trying period. It proves through the trying times of childbirth a "woman's friend" in the truest sense of the word, buoying and strengthening and building up when all physicians and all other remedies fail, and as she passes from the period of motherhood Zoa-Phora is still her friend and mainstay—bringing her through the third dangerous change in woman's life, safe and soundly healthy. Women by the thousands testify to the wonderful effect of Zoa-Phora on their general health as well as to the marvelous power in correcting displacements and permanently strengthening when weak.

ing with sick headache and irregularities when I saw your advertisement in the Press. I sent for a bottle which you sent me promptly and I took the medicine. I have taken six bottles and I know it has done me good. I give all praise to Zoa-Phora. I give permission to use this letter to any suffering woman."

In a letter received January 5th, 1906, from Lillian Lee Barnes, Cravens, Ky., she writes: "I have tried your wonderful medicine and I think it has done me more good. I never did try anything in my life as good as Zoa-Phora. I am

### 17 YEARS OLD.

and I suffered ever since I was 14 years old with cramps and bearing down pain, and this Zoa-Phora has done me more good than anything I have ever taken in my life. I have not suffered much recently and I feel like a new person. I have taken one bottle and a half and it has done me lots of good. God bless you and your wonderful medicine and hope every woman will try it."

Mrs. Dena Lincoln, Adrian, Mich., writes: "I can recommend Zoa-Phora as being the medicine to take for women as it has done a great deal for me. No one knows what

### I HAVE SUFFERED.

only myself. I always had to go to bed and could not sit up a minute. I was also troubled with sick-headache, neuralgia, and was so nervous at times that I could not bear to hear one walk on the floor. I was completely discouraged and thought I could not stand it very long, but I saw your paper "The Woman's Friend" and wrote to the doctor for a bottle. I took that and then got another bottle, and have now taken 13 bottles and find that there is nothing like Zoa-Phora. Owing to my stomach being so weak, I was compelled to begin the medicine by taking a quarter of a teaspoonful at a dose, and then gradually increased it until I could take a tablespoonful, hence did not gain so rapidly at first, but I find it an excellent tonic and shall continue its use until I am entirely cured. I shall be glad to write anybody who wishes to write me about the results I have obtained from your medicine, and shall always praise it wherever I am, as it is well worth the money to anyone suffering from female diseases."

### WOMAN'S HAPPINESS.

and usefulness through life depend on her health in girlhood. Many girls do not realize this fact, but every mother knows it, and should therefore watch the progress of her daughters and see that they have not only the instruction which their inexperience requires, but also the aid of the right remedy. At the critical times every girl needs some remedy which will tone up and strengthen her nervous system. Zoa-Phora will do this every time. Mothers do not let your daughters say, as so many have said to us again and again, almost in the same words: "If my mother had known and taught me the facts contained in your book, 'Dr. Pengelly's Advice to Women,' instead of leaving me to learn them by bitter experience, how much better it would be for me."

"If mother had known of Zoa-Phora and had used it to correct my ailments when they first began, how much of suffering I would have escaped. However, I am glad I can still

### FIND RELIEF IN ZOA-PHORA.

Zoa-Phora not only gives relief, but its action is such as to produce a lasting, strength-building and nerve-producing effect which will be beneficial to the young women throughout life. Thousands of mothers who have given Zoa-Phora to their daughters cannot say enough in its praise.

Miss Annie May Martin, of Crown City, Ohio, says in her letter of March 11th, 1906: "I take the greatest pleasure in answering your letter. You wanted to know how I am getting along since taking your medicine. It is a wonderful remedy. I have not taken the whole bottle yet, but I

### FEEL LIKE A NEW GIRL.

I am going to get another bottle of Zoa-Phora in a few days and I think by the time it is gone I will be well again. Before using your medicine, I had a hacking cough and after taking the first dose I could feel my cough had loosened. I was bed-fast, but I am now up and around and can do house work well. I thank you for your wonderful medicine."

Mary Loney, of China Grove, Miss., writes in her letter of March 15th, 1906: "I am so glad that I commenced taking Zoa-Phora. It is the best medicine I have ever taken. It has done more for me than all the others put together. I was troubled with nervousness, headache, kidney trouble, and other trouble peculiar to women. I have taken two bottles and they have made me feel like a new woman—better than I have felt for five years. I wish you great success in the future. I am going to continue the use of Zoa-Phora until I am a well woman, and recommend it to my friends as long as I live."

Miss Lillian Brott, 313 W. Broadway, Grand Rapids, Mich., on January 15th, 1906, says: "I was suffer-

### NO PAIN NOW.

"I feel better now than I have in four years, and I know it was Zoa-Phora that cured me, because I know that nobody can suffer any more than I did, for I suffered death over and over. I would not be without Zoa-Phora, for it is indeed 'Woman's Friend.' I will say that whoever does not believe that Zoa-Phora is not a good medicine for woman to take, don't know what they are talking about, and if anyone doesn't believe this statement, let them please write to me and I will certainly tell them the same. If they will send addressed stamped envelope, I will answer anyone that wants to write and find out if it is so. You can use my name in any way that will help you with your medicine and I will be glad to hear what it has done for me. Hoping that you and your wonderful remedy may prove successful for years to come, I remain,

### IF EVERY YOUNG LADY

would consider the fact that she cannot cure her sickness by numerous local applications and other applications and preparations, she would quickly regain her health and happiness, have bright eyes, a clear complexion and a fine figure. The best way to cure painful female sickness, inflammation, headaches and neuralgia, resulting from female trouble is to apply a remedy directly to the nervous system. This is a very simple procedure and the remedy is un-failing if you are careful to get the right one."

Susan Wood, Theological Seminary, Va., says in her letter of Feb. 1st, 1905: "I got your medicine and it has done me a great deal of good. I have been taking medicine for the last twelve years and this is the first that has ever given me any relief."

Annie K. Atkinson, Grand Valley, Pa., writes on March 12th, 1906: "Yours of the 8th received. In reply must say that your remedy Zoa-Phora is a wonderful medicine in female trouble. I used the two bottles and now am entirely well. One bottle stopped weakness which had troubled

me for some months. I thank you for your kindness in helping me. You can use this letter if it is of any use to you."

In a letter received from Miss Nora Palmer, Liongier, Ind., she says: "I have taken Zoa-Phora for

Mrs. Albert R. Muskrige, 2724 S. Elm street, Muncie, Ind., says in a letter received from her: "I can truly say that Zoa-Phora is a good medicine for suffering women and young girls."

Mrs. Jake Hoffmen, R. F. D. No. 2 Saguaw, E. S. Mich., writes: "Dear Doctor—I think that there is nothing like Zoa-Phora, for it did help me better than any medicine. I feel about like when I was 14 years old and don't have

any more. I used to be troubled with irregularities, but since taking Zoa-Phora have been regular. I can never forget Zoa-Phora and will tell all my friends what it has done for me."

Mrs. Laura J. Jones, Monongahela, Pa., says: "Dear Doctor—The doctors said I had consumption and I was certainly very much run down and in very poor health. I finally decided to try Zoa-Phora, and I am very glad I did so, because it has helped me wonderfully. No one would think to look at me now that I ever looked like a consumptive."

"I shall praise your medicine continually, and will be glad to recommend it whenever I have opportunity."

Mrs. J. E. Connor

"Dear Friends—I feel it my duty to inform you what Zoa-Phora has done for me. Ten years ago I was married. I had always been delicate and was all run down, and people said I could not live, but my husband sent for one bottle of Zoa-Phora which cured me. Two years later I was troubled again, but one bottle of Zoa-Phora cured me. Four years ago I had a great misfortune and came near dying, but one bottle cured me again. Since then I have kept it always in the house and would not be without it at any price. Yours respectfully,  
MRS. J. E. CONNOR, Mason, Mich.

# Zoa-Phora

NO ALCOHOL. NO NARCOTICS. NO POISON.

Zoa-Phora Does Not Now and Never Did Contain Poisonous Drugs Nor Any that Will Cause this Drug Habit.

### MADE FOR WOMEN.

No Higher or Better Proof of the Merit of a Medicine Can Be Given Than Found Here.

When Dr. Pengelly first compounded Zoa-Phora, he was very careful in his selection of the ingredients to be used. Having in mind at all times the best good of his patients, he determined to use no drug that would be in any way injurious to woman's delicate organism. His years of experience in treating all forms of womanly weakness and disease, enabled him to determine just the remedies needed. Can you wonder, therefore, that Zoa-Phora is so successful?

No narcotics nor any drug that will cause what is commonly known as the "drug habit," are used in compounding Zoa-Phora. Formerly a small amount of alcohol was used in its preparation, but now even that has been eliminated, leaving the valuable medicinal ingredients in the preparation just as they have always been.

The medicines used in making Zoa-Phora are recognized by the medical profession everywhere as the best known remedies for the diseases and ailments of women. The United States Dispensary and other medical books of equal prominence, say, in regard to them, as follows: "Regulates the menstrual function," "employed by physicians in the treatment of uterine diseases," "has met with favor in the treatment of periodical sick-headache," "recommended in de-

bilitated conditions, attended with loss of appetite," "has extraordinary power to control capillary circulation and remove congestion," "recommended for nervous, hysterical women, with irregular spasmodic pains during childbirth," "this is one of the most useful remedies we have for the prevention of premature labor in child birth, or irregular after-pains," "especially adapted for females who are afflicted," etc., etc. Many other statements of recommendation for these remedies appear in the most reliable physicians' books.

Is not this proof sufficient to convince you that Zoa-Phora is the most dependable and absolutely genuine medicine for woman's use that can be found? When you add to the statements of these eminent medical authorities, the experience of Dr. Pengelly in his more than 20 years' use of Zoa-Phora in private practice, and again add the testimony of the multitudes of women in every state in the Union who voluntarily write words of praise for this wonderful "woman's friend," the proof positive of the superior merit of Zoa-Phora is indisputable. No better, stronger or more satisfactory evidence could possibly be produced, and none from any higher authority, regarding a medicine exists anywhere.

You need not send away for Zoa-Phora. Your druggist will supply you with the medicine already prepared and compounded in just the right proportions, put up in sealed, sterilized, one dollar bottles. Each package contains full and complete instructions and directions for using the medicine, also a copy of "Dr. Pengelly's Advice to Women," a booklet containing a lot of interesting and instructive information for women, which will enable you to treat yourself in the privacy of your own home, and you need not tell your troubles to anyone.

## ABOUT TESTIMONIAL LETTERS

Every letter printed in any of the Zoa-Phora Company's advertising matter is guaranteed to be absolutely genuine. We print none other. Neither do we print any letter from any woman except by her authority.

# EVERY WOMAN MAY BE HEALTHY NEW LIFE AND HEALTH FOR WOMEN.

Zoa-Phora Makes Women Feel Young, Strong and Healthy and Gives Them the Glow and Bloom of Youth and Beauty.

Zoa-Phora certainly does do wonders for women. Every woman who has tried it says so, and there are multiplied thousands of them. From all parts and corners of the land come their words of praise and joy and gratitude. Zoa-Phora has been successful for twenty years in bringing life and health to women in relieving pain and suffering and filling homes with joy and happiness. Their genuine letters of thanksgiving and rejoicing prove it conclusively.

Zoa-Phora cures all forms of female diseases, irregularities, piles, kidney, bladder and liver disease and all the troubles that drag down the life of women and make their lives a burden and a misery. You will rejoice as others now rejoice in perfect health and happiness if you use Zoa-Phora.

### CHRONIC WEAKNESS.

May attack women at almost any age and is so common that they fail to give it the attention it deserves. Because it is not a violent and painful disease, one which threatens danger, they neglect it and permit it to run month after month and year after year.

Perhaps there are no cases on record of women who have died from its direct effects, but it is none the less disastrous in its effects. It ruins the complexion, undermines the whole system, often produces sterility, weakness of the genital organs, brings on ulcerations, prolapsus, and a whole train of those complaints known as female weakness, and in fact

### ENDANGERS YOUR LIFE.

Zoa-Phora and our Antiseptic Vitalizing Cream will cure the very worst case of chronic weakness known, and what is better still the cure will be permanent, because Zoa-Phora strikes the seat of the disease, and after a thorough treatment will leave the organs in a perfect condition of health.

If you have noticed the slightest evidence of trouble, do not delay. Procure a bottle of Zoa-Phora at once and begin taking according to directions. Then write to "Consultation Department," Zoa-Phora Co., Kalamazoo, Mich., giving the doctor full description of your symptoms and ask for his advice.

Persistent treatment, taking Zoa-Phora regularly, according to directions, will positively and permanently cure the most obstinate case of female weakness.

Mary M. Chingerman, R. No. 2, Bowling Green, Ind., in her letter of Feb. 12th, 1906, writes: "I am very thankful for the medicine you sent me. It has done me lots of good and I feel a great deal better than I have for a long time. I felt so much tired out at times, I had female troubles—but couldn't just say that I was sick. Since using Zoa-Phora, all those tired and disagreeable feelings have left me and I feel strong as I ever did. I cannot praise your medicine high enough for what it has done for me. I fully believe that Zoa-Phora will do just what you claim for it. I have used the second bottle and think I am well, but I don't intend to be without it in the house. I will recommend the medicine to others."

Mrs. Emma Davis, R. R. No. 13, Anderson, Ind., says: "Dear Doctor—I wish to tell you that Zoa-Phora has been a wonderful blessing to me. I have been a sufferer for the last four years, and have taken treatment from local physicians, but received no benefit. Finally, I saw your advertisement in our paper, and wrote you at once for a bottle from which I derived some benefit and then procured the remedy here. My health has now been restored, and I can do all my housework, and I owe it all to Zoa-Phora. I can never thank you enough for the benefit derived, and shall take pleasure in recommending it to all my friends."

### WOMAN'S TROUBLES ARE NOW OVER.

Zoa-Phora Has Put an End to Her Pain and Suffering.

For women, young and old, Zoa-Phora is the blessing of the age. It cures women's ills, irregularities, piles, liver, kidney and bladder troubles, and makes childbirth easy. No woman need suffer longer; what Zoa-Phora has done for thousands it will do for you.

In a letter received from Mrs. Frank

Gutick, 306 Robinson St., Jackson, Mich., she writes: "About a month ago I wrote to you for a bottle of Zoa-Phora, which you sent to me at once. By your later advice I procured two more bottles at once here in Jackson and after having taken the three dollar bottles, I can say it is the finest medicine I ever used for woman's ills. I had the weakness so badly that I had fainting spells from half an hour to two hours. I have had only one since I began the use of Zoa-Phora and none at all since I have finished the first bottle. I believe your medicine has saved my life, for I was gradually getting worse all the time; and our doctor told my husband that there was no help for me and that I would not live long. It is evident that he was mistaken as there was but one remedy that would cure me, and that remedy was Zoa-Phora. I am now feeling well and working hard cleaning house and I feel like shouting.

THANK GOD FOR ZOA-PHORA. I shall recommend the medicine wherever I have opportunity, and if you think my name will help any poor woman, you may use it."

Mrs. W. Graham, 426 Maple St., Cadillac, Mich., in a letter, says: "I have been troubled for the last five years and have suffered so much that I began to think there was nothing that would help me, and I had tried several medicines without doing me any good. When I read of Zoa-Phora in the newspaper and it told what it had done for others, I thought I would try it and it has helped me so much that I feel like

### A NEW WOMAN.

and cannot praise your wonderful medicine enough for what it has done for me."

Mrs. P. O. Daggert, Adrian, Mich., 128 Hunt street, writes: "I fully endorse all the testimonials I have read or heard of that have been given for your wonderful medicine. It is

### WEAK AND WORN OUT.

Mrs. Mary Kister, of Oak Glen, Ill., writes: "I have taken Zoa-Phora during February and March and can now say that the results are very gratifying. I have suffered for a long time with irregularities, and can truly say that Zoa-Phora has done great things for me in the way of relieving pain. I now feel strong and healthy. Whereas, before I took this medicine I was continually feeling weak and worn out. I will gladly recommend your medicine whenever I can, and will answer any inquiries that come to me."

### ALL DISAPPEARED.

Mrs. Martin Pitsch of North Dorr, Mich., writes: "Your medicine has done me lots of good. I have not felt as well before in five years as I have during the past winter, and I attribute my good health to the use of Zoa-Phora. I took the medicine last fall just before my child was born, and it was the means of making a very easy confinement for me. Then I continued taking it after baby came, and it quickly restored me to health again. I am sure that it is the very best remedy that a woman can take at such times, and I will be glad to recommend your remedy whenever I have the opportunity. I was also troubled with female weakness before I began taking your medicine, and that trouble has now all disappeared."

### NERVOUSNESS PERIODICAL.

Mrs. Della Aldrich, of Lowell, Mich., writes: "I have taken two bottles of Zoa-Phora, and I feel a great deal better than I have for a long time."

"I followed your special advice which you so kindly gave me, and took the medicine according to directions."

"I want everyone to know how much Zoa-Phora has done for me, and for that reason I wish you to print my testimonial in your advertising matter. I will gladly answer any inquiries that come to me."

"For a long time I did not feel as if I could work, but by the use of Zoa-Phora I do not have any more pain and am now all right in every way. Zoa-Phora is truly 'Women's Friend.'"

Whether Sick or Ailing, Invalid or Only Weak and Tired Out, Decide Now. Begin the Zoa-Phora Treatment at Once. Delay Won't Help You, but Zoa-Phora Will RELIABLE DRUGGISTS EVERYWHERE SELL ZOA-PHORA IN ONE DOLLAR BOTTLES.
