Lime Burners Nearly Pounded Out a Ninth Inning Victory—Mansfield Won by 7 to 6 Score.

(By Phil Wolfe.)
Mansfield, Aug. 28.—To one Delos D. Drake, the Tiger's big center fielder, belongs the credit for winning the first game between Mansfield and Marion at League park on Tuesday afternoon in the series which will decide which of the two teams is to occupy sixth place in the league standing. With one man out and the score a tie in the final inning of the game, and Spears on first base, Drake smashed out a big to right field which would have been a home run under ordinary circumstances, but which unfortunately only counted for three sacks. "Red" Farrell, the speedy right fielder of the Lime Burners, made a great attempt to get under the drive and burst up all the unfortunate weeds which happened to get in his way but he lacked a number of feet of getting within reach of it.

The Mansfield Tigers had the game well in hand until the final inning of the game, when Edfelt began to weaken and this combined with some poor playing allowed Marion to score three runs and tie up the score. The Lime Burners were exceedingly fortunate in being able to tie up the game but nevertheless they did it, and came within an ace of winning out as the bases were full when the final out was made. With the first game of the important series decided, the Tigers will make a strong bid for the remaining four which are to be played at League park this season and thus secure a firm grip on sixth place.

"Stork" Edfelt, the elongated twirler, was selected by Manager McVey to do the flinging in the initial contest. The big twirler started out well, striking out Mylett. He passed Quinn and then Blake's double registered the second out of him in the next three innings, but the Lime Burners were unable to score. Then the tall gent began to mow them down in order in the next three innings. He began to show signs of weakening in the eighth, when Wilmot opened with a triple and registered on Quinn's Texas leaguer to right. Blake's scratch single, a passed ball, and Reynolds' error allowed Quinn to score also.

The Cuyahoga Falls boy showed still greater signs of weakening in the final inning, and when Dithridge opened with a double and Daubert followed with a single, Manager McVey used the derrick. Bucholz was sent in. Drake had allowed Daubert's single to go through him to the fence, and Dithridge scored, while Daubert flew to center, Daubert scoring on the out. Reynolds blew Smith's grounder, and Blough, who was sent to bat for Wilmot, was given a free ride. Mylett singled to right, filling the bases. Then Quinn grounded to Lawrence, who fumbled the ball long enough to allow Smith to score with the tying run. Quinn was thrown out at first, and Lawrence also threw out Blake, when a single would have scored both men who were on the bricks.

Ten hits for a total of seventeen bases was what the Tigers found big Al Wilmot for in the eighth round in the center of the diamond. The majority of those hits came at just the right time too. He was lucky to get away with having fewer scores made off his delivery. Spears opened on him with an infield hit in the first and went to second on Drake's out. A wild pitch placed him on third. Tibbitts was given a walk and trifled second, but Spears was caught napping at third on the play.

During the next three innings, however, there began to be a serious amount of runs. King opened the second with a double and Edan's error was given a free ride. Reynolds' intentional advance to the next base resulted in an RBI, and Edfelt hit to first and Lawrence scored. Spears came across with the other run on Edan's single. Spears scored the third with a triplet, and

Newark has played a phenomenal game on the home grounds thus far this season. Out of 54 games played the team has won 43.
Bill Smink is the worst hated mortal in Lancaster. The 300 or so rooters who saw that double affair have it doped out that the roly poly arbitrator robbed the Lanks of the final game by his decision in the ninth, when Locke tried to steal home. A hundred half crazed fans surrounded him when he left the grounds, and escorted him all the way to the hotel applying all manner of uncomplimentary epithets to William.
Elston of Lancaster is hitting .322. Pearce of Newark is clouting the ball .301 and Schwartz of Akron has an even .300.
Were it not for a bad leg and internal troubles, Bill Schwartz who was with Cleveland once, most likely would get back to the majors.
Harry Ostidiek, Youngstown catcher has the physical ability of a major league catcher, but his hitting this year has fallen away off, and for that reason he probably will stick in the O. & P.—or else go to the bushes.
President Morton has once again given Marion the cold shoulder. At New Castle, August 10th Drumm refused to play more than one game because two amateur clubs kept the diamond until after time to start the game. The game was forfeited to Marion 9 to 0 by the umpire but President Morton refused to give Marion one little favor and declares the game must be played as a postponed game.
Youngstown fans are clamoring for ginger like is on tap at Newark. If Marion would come out of that deep sleep it might help some here. Pepper wins many games during a season that would easily go to the other fellows without it.

BANNON TO RESUME WORK AS UMPIRE.

Bill Bannon was released by Manager Wright Monday. Light hitting and Semvitus conspired to work the cards against Bill, whose fielding and sticking won more than one game for Youngstown.
President Morton asked Manager Wright Monday to let Bill out to allow him to return to the umpire staff, where he is badly needed.
President Morton presumed that since Bill was on the bench that he was to be let out any way and in this he was right. Bannon will ever hold a warm spot in local fan's heart for his good work for a time. As a fielder Bill has few if any peers in the O. and P. A live player all the time, big Bill was a handy man to have around.

Stealing of Bicycles Seems to be the Popular Rage in City at the Present Time.

A bicycle belonging to C. L. Murphy was stolen on West Center street last night and the police have been unable to find any trace of the missing property.
About a half dozen wheels have been stolen in the past week and the police are working hard to apprehend the offenders. Several months ago a gang was operating here and the police effected several captures which broke up the crowd. It is believed that it is a different bunch that is doing the work now and the authorities are determined to bring the guilty ones to justice.
Mr. Murphy has offered a reward for the return of his property.
Through the efforts of Mayor Scherff, Emmett B. Mason, of Edwards street, was released from the workhouse at Columbus yesterday. Mason served a term of ninety days for assaulting, beating and threatening to kill his wife. He owns property on Owens street which is in a very bad condition and the health authorities requested that he be released in order that he might clean up his property.
During the time that Mason was incarcerated, his wife eloped with a former sweetheart. He is not sorry that his wife has departed and says that he believes he will get along better without her.

Officer Osear Duncan, appointed temporarily to the police force by Mayor Scherff, handed in his resignation to acting Chief Bond today.

Mr. Duncan will go to Newark where he has accepted a position. No appointment will be made to fill the vacancy until the next meeting of the Safety board.
The police believe that the entry found at the rear of the Long barn Monday night was taken from a hardware or racket store at Big Springs. If the property was taken from that place the local authorities will return it.

Charles Eckridges, a common drunk, was arrested last night by Officer Duncan. The mayor collected a five dollar fine from the offender this morning.

The police have a boy's wheel at the city pound for which they are unable to find an owner. The wheel was picked up on the streets several weeks ago.

The Southern division of the Hocking Valley road suffered a bad freight wreck at Dundas, Tuesday. The wreck was heavily loaded and was passing over a trestle near the station when a section of the trestle gave way, hurling several cars to the ground. Fire quickly broke out and three cars of merchandise were completely consumed. The trestle was not damaged to any extent and fortunately no one was injured.

M. A. Kenney, master mechanic of the Hocking Valley, was a visitor in the local yards today.

The Pennsylvania road has issued a series of special rates for the Columbus home coming week.

In the suit of Henry Seiter against the Marion Manufacturing company and others, answered and cross petitions were filed Wednesday by the Farmers' Bank company and Fred Diebold. Both are filed through attorney Charles H. Conley. The bank company claims judgment for \$3,629.44 and Diebold for \$340.45.

Fred S. Titus brought suit against Earl R. Wilson in the court of common pleas, Wednesday, asking for judgment for \$175.65. Through his attorney, Charles H. Conley, Titus claims that Wilson owes this amount on material furnished.

S.S.S. NATURE'S TONIC

Every one should take a tonic in the Spring; their systems require it. The blood has become thick and sluggish with the accumulations left in the system from the inactive, indoor life and from the heavy, rich foods of the Winter season. The blood, being in this unnatural and disordered condition, is unable to furnish the body with the increased amount of nourishment necessary for the more energetic life of Spring and Summer, and the system suffers from debility, weakness, nervousness, indigestion, loss of appetite, and many other unpleasant symptoms of a disordered blood circulation. When the system is in this run-down and disordered condition it is not safe to take unknown concoctions, sarsaparillas, compounds, etc., because they usually contain potent and some other equally strong and harmful mineral ingredients, which act unfavorably and often dangerously on the depleted, weakened system at a time when it needs gentle and natural stimulation to throw off the impurities and recuperate its lost energy. S. S. S. is appropriately called Nature's tonic. It is made entirely of roots, herbs and barks from the great storehouse of forest and field, selected for their purifying and health-restoring qualities, and as it does not contain the slightest trace of mineral in any form it is perfectly safe for young or old. S. S. S. acts directly on the blood, ridding it of all impurities and poisons, and restoring the lost properties of rich, nutritive strength so that it is able to supply the system with the healthful, invigorating energy needed to pass the trying season of the year. Its action is the most pleasant, prompt and satisfactory of all tonics, and those who feel the need of such a medicine will do well to commence the use of S. S. S. at once. S. S. S. restores lost energy, relieves the tired, worn-out feeling, helps the appetite, aids digestion, and adds tone and vigor to the system. THE SWIFT SPECIFIC CO., ATLANTA, GA.

As the fact that I am making them becomes known I expect a great increase in the orders. No; we're not looking anxiously for the business. SELLING INDIAN GIRLS.

Beautiful Ones Auctioned Off to Highest Bidder.

Revelstoke, B. C.—Fourteen hundred dollars was the price paid for an Indian girl, nine years old, at a potlatch at Albert Bay. Another maiden, about 18 years old, who evidently has white blood in her veins, brought \$1,000 on the open market. The money in both cases went into the general fund of the potlatch.

Two thousand Talmesians are in the gathering, and, judging from the piles of \$20 gold pieces, blankets, furs and other articles, \$30,000 has been donated to the general fund.

There was a touch of romance in the sale of the nine-year-old Indian girl. Two warriors had journeyed far in their canoes to get the much coveted beauty. One was a grizzled old warrior and the other a youth, selecting a wife for the first time. Bids for the girl went up steadily, and at last the limit for the youth was reached, when the quotation climbed to \$1,400, and the damsel was knocked down to the old veteran, who is at the festival with his wife and family of a dozen or so children.

The girl who was sold for \$1,000 was secured by a young Indian who was looking for a wife. Some months ago these auctions were reported to the Dominion officials at Ottawa, and it was declared that energetic steps were being taken to suppress them, but from latest accounts it appears that nothing has been done to stamp out the evil.
