**Big Time is Promised Labor Day.**

**LARGE CROWDS COMING**

Visitors to be Entertained in Royal Style

Committees in Charge Working Hard to Make Celebration One of the Largest Ever Held in City

Monday is Labor Day and if J. Phivius smiles graciously on Marion on the day mentioned it is expected that fully eight thousand visitors will be here from the surrounding cities and villages to assist in making the occasion one of the greatest ever held in Central Ohio.

The members of the local unions are leaving nothing undone that will help make Monday a day that will long be remembered in this city. The various committees have done their work well and nothing remains to make the occasion a grand success but a bright day and an enormous crowd.

Marion feels honored in being selected as the city in which the celebration is to be held this year and it is the desire of everybody in Marion that those who come as guests of the city for the day will have the most enjoyable occasion of their lives.

The day promises to be one overflowing with pleasure for everybody. Strenuous efforts will be made to take care of out-of-town visitors even though there be ten thousand instead of the number anticipated. Local hotels and restaurants have made plans to feed the multitude and there will be no cause for anyone to return home hungry at the close of the day's program.

The program prepared for the day by the local unions would do credit to a city five times as large as Marion. The parade will be by far the most extensive ever given here. Every city in the circuit is endeavoring to surpass the other on the showing made and the result is that the parade will be the one great feature of the occasion.

Following the parade there will be some speech making, several orators of national and state repute being on the extensive program. Then will come the athletic events to be pulled off under the direction of the local unions. Valuable prizes will be offered for winners in each and every event.

In the matter of amusement the city will be alive with attractions well worth seeing. It is estimated that fully 2000 people will be here from Mansfield and for their particular benefit and that of local lovers of the great national game, the Mansfield and Newark baseball teams of the Ohio and Penn league will play in the afternoon at Webb Park.

In the afternoon at 3 o'clock at the Grand Opera House will be pulled off a boxing carnival that cannot but appeal to the lovers of the manly art of self defense. One ten and two six round bouts will be on the program and the advance sale already promises a crowded house.

In the evening Karl Q. Evans will offer to the public his famous Dickson's Jubilee Singers, one of the greatest concert organizations in the country. The concert will be given at the Grand Opera House where the troupe of colored artists will appear during the entire week.

Manager Vail of the Marion Family theater has engaged an unusually strong bill for next week and should play to capacity houses both morning, afternoon and evening. Dreamland, the Nickleodion and Penny Arcade will be prepared with a fine line of attractions and ready to do a land office business.

**ANOTHER ASPIRANT**

Hoke W. Donithen Would Like to be Representative.

The friends of City Solicitor Donithen are urging him to go after the Republican nomination for representative and it is given out from a seemingly reliable source that he has decided to make the run. Although Donithen is reticent in regard to his rumored aspirations, it is stated that he will make his announcement Saturday.

The Rink will be open afternoon and evening Labor Day. 8-29-31

**HIPSHER FAMILY MEETS AT CALEDONIA**

Second Annual Reunion is Well Attended.

Excellent Musical and Literary Program is Rendered.—Officers are Elected.

The second annual reunion of the Hipsher family took place on the lawn of the school-house at Caledonia Thursday, with 108 people in attendance. The meeting was pleasant throughout and arrangements were made for holding the next reunion at the same place the last Thursday of August, 1918.

The morning hours were taken up with an exchange of greetings and at noon a big picnic dinner was enjoyed. Following dinner an excellent program, with the president, O. W. Hipsher, in charge, was given, the greater part being rendered by the young people.

The opening number was the singing of "America" by the assemblage, following which Willis Hipsher, of Marion, read the family history. Declarations were given by Miss Hipsher, of Caledonia, and Raymond Doyle, of Caledonia. Edouard Hipsher, of Marion, sang a selection and Lowell Doyle, also of Marion, gave a declamation, followed with a declamation by Miss Hazel Lee, of Caledonia.

A piano solo was played by Edouard Hipsher and Miss Wretha Foss and Little Miss Dessie Daly, both of Caledonia, gave declamations. Declarations were also given by Little Miss Jimima Ault and Little Miss Ruth Grover, both of Caledonia, closing the program.

A short business session was held and O. W. Hipsher, of Caledonia, was re-elected president, O. L. Hipsher, of Caledonia, was chosen secretary, James Sickle, of Caledonia, treasurer and Willis Hipsher, of Marion, historian.

Members of the family from all parts of Marion county were present, Marion being well represented. There were also visitors in attendance from Circleville, Columbus and Gallon. The oldest member of the family present was L. V. Hipsher, of Caledonia, and the youngest was the seven-months old son of Mr. and Mrs. John Sickle, of Caledonia.

**REPUBLICANS NOMINATE S. H. KELLAR FOR MAYOR**

Elmer T. Boyd Defeats Fred L. Warner by One Vote in Fight for the Nomination for City Solicitor—Primaries Held Thursday Evening Creates Considerable Dissatisfaction—Some of the Candidates who were Defeated Claim that They were Discriminated Against—Serious Trouble in the Ranks of the Party Can be Expected—List of Candidates and Vote Polled.

In the Republican city primaries, held between 4 and 8 o'clock, Thursday afternoon and evening, Samuel H. Kellar, was named as candidate for mayor by a majority of more than 570 votes over his opponent, Harry E. Carpenter.

It was known early in the evening that Kellar would be the majority nominee by a large margin and as a consequence the greatest interest centered in the contest for the nomination of city solicitor, which was close and uncertain until the last precinct was in. Elmer T. Boyd was named as the candidate by a majority of only one vote over his nearest opponent Fred W. Warner. L. E. Myers, who has been counted as the strongest opponent of Boyd, was much weaker than had been expected, getting only 226 votes, four more than the lowest vote, which was cast for H. E. Hill.

It was almost 10:30 o'clock before the count was all in at the Republican headquarters, at the office of L. B. McNeal, and not until then was it known that Boyd was the nominee. Precinct B of the Second ward settled the uncertainty. It was the last precinct in and before the returns from there were received, Warner had an advantage of seven votes over Boyd. Second B gave Boyd 13 votes and Warner five.

For city auditor, S. T. Quigley had no opposition, and S. R. Rauhauser was nominated for president of the council and A. J. Myers for city treasurer without a contest.

O. A. Busard was renominated for the board of public service by a big margin, while the two other places for board nominations were easily captured by Harry C. Krause and Fred A. Issleb.

A. W. Mason and S. R. Reber were renominated for councilmen-at-large by nice margins and Joseph Sneckenberger secured the third place by a small majority over H. S. Scoville.

The three Republican ward councilmen were re-nominated without opposition. They are Dr. J. G. Seiler, of the First Ward, George W. Carpenter of the Second, and W. J. Gorton of the fourth. C. R. Randall was named in the third.

M. B. Dickerson was named for another term on the school board, his nearest competitor being George L. Sauer.

The primaries created the dissatisfaction that invariably results from nominations made by this means. Candidates are disgruntled and some claim that they were discriminated against. The Republican leaders are consoling themselves by saying that under the circumstances they could not well select any other plan of making the nominations.

Following is the tabulation of the vote for various places on the ticket: Mayor—S. H. Kellar, 828; H. E. Carpenter, 250.

First Ward A—Kellar 32, Carpenter 12; First B, Kellar 53, Carpenter 16; First C, Kellar 64, Carpenter 33; First D, Kellar 45, Carpenter 22.

Second Ward—Kellar 47, Carpenter 9; Second B, Kellar, 32, Carpenter, 17; Second C, Kellar 38, Carpenter 16.

Third Ward A—Kellar 70, Carpenter 10; Third B, Kellar, 75, Carpenter 18; Third C, Kellar 66, Carpenter 24; Third D, Kellar 71, Carpenter 26.

Fourth Ward A—Kellar 82, Carpenter 21; Fourth B, Kellar, 83, Carpenter 11; Fourth C, Kellar 60, Carpenter 16.

City Solicitor—Elmer T. Boyd, 326; Fred W. Warner 325; L. E. Myers 226; H. E. Hill, 222.

**FOR MEMBER OF SERVICE BOARD**

John J. Darmody Announces His Name.

A Life Long Democrat Who Has Had a Wide Business Experience.

John J. Darmody, one of the best known citizens and a life-long Democrat, has announced himself as a candidate for nomination for the board of public service, and will be up before the city convention next Wednesday evening, asking for a place on the ticket. In view of his wide acquaintance in the city and his standing as a citizen, Darmody is certain to have a strong following. That he would make a strong candidate is generally conceded.

Darmody's business experience has eminently qualified him for the office. For years he was active in local business circles and during that time he gained the confidence of all with whom he had dealings. Although always a zealous worker for Democracy, he has never been an officeholder.
