**COURT GRANTS REQUEST**

Former Husband Has Married Since Divorce.

Replies are Filed to the Answers in Suits Against the Marion Malleable Iron Company.

The answer of Frank Huber and John Schroeter to the amended answer of William P. Murphy in the case of Frank A. Huber and other executors, against the Marion Malleable Iron company was filed in the circuit court Saturday by the plaintiff's attorneys Scofield, Durfee and Scofield. The answer makes a general denial of the allegations contained in the amended answer of William P. Murphy. It is set up that the court has not jurisdiction in the premises and pleads the statute of limitations. The plaintiffs ask that the answer and cross petition of William P. Murphy be dismissed at his costs and for all proper relief.

Judge Young Saturday restored Mrs. Mattie A. Hauver, who was divorced from her husband, Merritt Hauver Thursday, to her former name, Mrs. Mattie A. DeLauder. Mrs. Hauver was formerly Mrs. Lawson DeLauder, and after she secured a divorce from Lawson DeLauder, she married Merritt Hauver. By her first marriage she had four children and on account of the children she wished to be restored to her former name. Lawson DeLauder has married since the divorce.

The reply of Harvey Wilson to the amended answer of William P. Murphy, in the case of Frank A. Huber, and others against the Marion Malleable Iron company, was filed Saturday in the circuit court. A general denial is made in the answer of the allegation in the amended answer of W. P. Murphy and it is set up that the court has no jurisdiction in the premises. Jacoby and Donithen are Mr. Wilson's attorneys.

**MISSIONARY CONVENTION**

Closes Annual Session At Prospect.

**OFFICERS ARE ELECTED**

Next Year's Session to be Held at Richwood.

Delegates Who Were Present From Every Church in the District, Royally Entertained.

The annual convention of the Woman's Home Missionary societies of the Methodist churches of the Delaware district was held at Prospect Friday. The convention opened session in the Methodist church at that place at 9 o'clock in the morning and concluded with a special meeting in the evening. About seventy delegates representing the various churches of the district were present and the sessions proved exceedingly interesting and profitable.

The program opened Friday morning with devotional exercises led by Mrs. Dilworth of Marion. Mrs. Wilcox of Prospect, gave an address of welcome in which she extended cordial greeting to the delegates. The welcome was responded to by Mrs. Fissel of Richwood.

The corresponding secretary, Miss Amelia B. Watson, of Delaware, gave a report showing the standing of the various auxiliaries and Queen Esther Circles of the district. Mrs. Pace of Prospect gave an excellent report of the mite box collections of the past year. The morning program closed with an excellent paper "The Mission of the Queen Esther Circle" by Miss Mattie Meredith of Marion.

At noon, dinner was served to the delegates in the Odd Fellows' hall. An after dinner reception was given in the Masonic hall.

The afternoon session opened at 6 o'clock with devotional exercises conducted by Mrs. Durbin of Foraker. Miss Biggerstaff of Prospect, rendered a vocal solo and Mrs. Yoder of Mt. Victory read an excellent paper on the subject "Am I my Brother's Keeper?"

Mrs. Goode, of Sidney, read a paper in which she disclosed various items of interest in missionary circles throughout the district and country. "Our Literature" was the subject of a very interesting thesis read by Mrs. Freeman of Prospect. The program was concluded with a vocal solo by Miss Gast of Prospect.

Immediately after the conclusion of the afternoon program the annual district business meeting was conducted. Besides transacting various minor points of business, the annual election of officers was held. It resulted in naming the following officers:

Mrs. J. W. Holland of Upper Sandusky, president; Miss Amelia B. Watson of Delaware, corresponding secretary; Miss Nannie Wesley of Radnor, recording secretary; Mrs. Frank Click of Marion, mite box secretary.

The convention determined to hold the next session at Richwood, one year from date.

Friday evening the attendance was exceedingly large despite the inclemency of the weather and the closing session proved a very profitable one. Rev. J. J. Halliday led the devotional exercises and Miss Kyle of Prospect rendered a pleasing vocal solo.

The principal feature of the evening's program was an address by Mrs. R. H. Bedkins, of Los Angeles, California. The veteran missionary worker gave an excellent talk, describing many interesting details of missionary work. The convention adjourned after enjoying a musical selection which was nicely rendered by the Prospect Ladies' quartette.

**FRIENDS CANNOT RAISE THE MONEY**

Wilson May Get to Ohio Penitentiary.

Monday is the Last Day Given For the Prisoner to Produce the \$1,000.

Unless some one comes to the rescue of W. L. Wilson who is confined in the county jail, before Monday morning, he will be taken to the

Ohio penitentiary to serve a term of one year of hard labor. Wilson was indicted by the grand jury for the abandonment of a minor child. When arraigned in the common pleas court he pleaded guilty and was sentenced by the court to a year in the pen at hard labor.

The court provided that the sentence might be suspended if Wilson gave \$1,000 bond, guaranteeing the maintenance of the child. Friends of the man have tried in vain to secure the bond for him and it is believed that he will have time in the pen to think over his misdeeds.

It is believed that the unusually severe sentence imposed on Wilson will have the effect of lessening the number of abandonment cases in the city and county.

**POLICE UNABLE TO SECURE CLUE**

Negro Who Assailed Boy Still at Large.

J. H. McWhorter Lands in City Bastle—Mand Satchel Containing Money Found.

J. H. McWhorter, partially blind and intoxicated was arrested on North Main street at 3 o'clock yesterday afternoon by Officer C. J. McWhorter. In the mayor's court this morning he proved that his staggering was more due to blindness than drunkenness and he was released.

When arrested McWhorter had on his person \$35 in money and a check for \$20. He is employed at the Christian stone quarries.

The police found a ladies' hand satchel in front of Kleinmaier's clothing store last evening. The satchel contained a small amount of money and various other valuables. The owner can secure the property by calling at the mayor's office.

The police are still looking for the negro criminal who assailed the young Wilson boy in the Erie yards Thursday morning. The police of the neighboring towns have been instructed to keep a look out and hopes of his capture are still entertained.

**Railroad Notes**

The Pennsylvania railroad company, on lines directly operated reports for the month of September a decrease in net earnings of \$407,100. The gross earnings for the same month increase \$1,301,000 and the expense increase \$1,858,000 for the nine months ending September 30 the gross earnings have increased \$15,308,700 but the expenses have increased \$14,600,800. This leaves the net increase only \$608,900.

The officials of the road and the stockholders have somewhat reluctantly declared a seven per cent dividend.

The Erie road officials have given notice that all conductors and trainmen shall remain on the incoming trains until the new crews shall have taken their places at the changing stations.

**HENSEL IS THE FAVORITE**

Many Predict He Will Beat Donithen.

**A GREAT CAMPAIGN**

Has Been Put up by the Independents.

His Friends, the Temperance People Believe He Has a Good Chance to Win.

One of the principal topics discussed on the streets on the eve of the election is the fight between Rev. C. W. Hensel, the independent candidate who stands on a local option platform and H. W. Donithen, the candidate for representative on the Republican ticket, who only stands for county option because Mr. Hensel smoked him out.

A careful canvass of the situation seems to give Hensel much the better of the argument. It is stated by those who are in a position to know that Mr. Hensel will beat Mr. Donithen, not only in the city but throughout the county. Numerous predictions were made during the past three days that Hensel will get more votes in the county than Donithen.

Mr. Hensel's friends claim that he will have 1600 votes in Marion alone. The independents have made a wonderful campaign, and the followers of Donithen are commencing to read the writing on the walls.

As the strongest advocate of temperance is undoubtedly Rev. C. W. Hensel, it is certain that the greater part of the temperance vote of the county will go to him.

**PLAY AT BUCYRUS**

Marion and Bucyrus Teams Clash This Afternoon.

The Marion high school foot ball team left this afternoon for Bucyrus, where they will meet the high school team of that place. The local team is in excellent condition and the members are quite confident that they will return home this evening with their opponents' scalps. The game will be called at 3 o'clock. A handful of roots accompanied the team.

**WITHOUT MONEY**

Mrs. Uncapher Could Not Pay Fine if She Wanted to.

Unable to raise the amount of her fine and costs, about \$65, Mrs. Ida Uncapher, confined in the woman's department of the county jail, will spend 110 days in that institution unless the commissioners order her released.

She states that she has no money to pay her fine, as she spent all in fighting her case and her friends do not seem disposed to help her. She was convicted in the common pleas court of shooting within the corporation limits.

Mrs. Uncapher has already been in jail about ten days, and seems very indifferent about remaining the other one hundred.

Don't delay, order a sack of Carnation today.
